****High Court Decisions.****

We have made arrangements in connexion with the commencement of the ensuing year, the publication of the Decisions of the Supreme Court of the State of Mississippi, and of the High Court of Errors and Appeals. The early publication of these decisions, and the speedy and accurate reporting of them now, is now of the first importance to the profession and to the public generally. They should be published in the newspapers. They should be published in the shortest time possible. The Editors and officers of the Eastern Clarion have determined that our paper shall be made the medium of publication of the decisions of the Supreme Court. We shall publish every decision and opinion given by the Court, as soon after they are given as the manuscript can be prepared and published. In no case will we be entirely dependent on the reporters for our decisions. We will publish the decisions and opinions given by the Court, as soon as we can get them from the Judges, if we have to publish them in extra papers. In no case will we be behind any paper in publishing the decisions of the Supreme Court. We will do this regardless of expense to us, and we will do it in such a manner as will not interfere with the publication of our regular paper. We will do it in such a manner as will not hurt our paper. We will do it in such a manner as will be a benefit to our patrons, and a benefit to the public. We will do it in such a manner as will be a benefit to the profession, and we will do it in such a manner as will be a benefit to
