WOMEN OF THE UNITED STATES

Regard Peruna as Their Shield Against Catarrh, Coughs, Colds, Grip and Catarrhal Diseases.

MRS. BELVA A. LOCKWOOD, LATE CANDIDATE FOR THE PRESIDENCY.

Mrs. Belva A. Lockwood, the eminent lawyer of Washington, D. C., is the only woman admitted to practice before the Supreme Court of the United States. She is the last candidate nominated for President by the Equal Rights party. In addition to her work in the national field she has been active in the cause of temperance, peace and purity. In a letter to The Peruna Medicine Company she says:

"I have used your Peruna both for myself and my mother, Mrs. Hannah J. Bennett, now in her 88th year, and I find it an invaluable remedy for cold, catarrh, hay fever and kindred diseases; also a good tonic for feeble and old people, or those run down, and with nerves unstrung." Yours truly, Belva A. Lockwood.

MRS. T. BILLINGS.

Mrs. T. Billings, 22 E. McMillan street, St. Paul, Minn., writes: "Peruna has made a complete cure in my case. I cannot speak too highly of Peruna. I shall always recommend Peruna to all suffering with catarrh." Mrs. Billings's address is Mrs. T. Billings, 22 E. McMillan street, St. Paul, Minn.

MRS. J. J. HOWARD.

Mrs. J. J. Howard, Eureka Springs, Ark., writes: "As a result of a severe cold I contracted catarrh. I tried many remedies in vain for relief. I finally decided to try Peruna. I feel that I owe my life to Peruna. I shall always recommend Peruna to my friends as the best tonic."

Mrs. Harrison, the commander of Peruna, since sold in a dozen or more languages, and now sold in a dozen or more languages. A great number of women consult me every year. Perhaps I have written to some of these people. I know they have catarrh, madam, they write me generally. Well, madam, I reply, I have had catarrh. My home is perfectly healthy now, and my health is good, but I am troubled with coughing, sneezing, hawking, and some other disagreeable symptoms of catarrh." Why, madam, my dear madam, I may have catarrh in my head, and still the same symptoms may not always appear. Catarrh is a very common disease. The cause of catarrh is catarrhal poison in the blood. To promote a thorough and complete cure you may have catarrh in your head, but you may have catarrh in your stomach, or your bowels, or your kidneys, or your bladder, or your lungs, or your blood, or your skin. Catarrh is a constitutional disease. Peruna is a catarrh remedy. Peruna is a tonic. Peruna is a laxative. Peruna is a diuretic. Peruna is a blood purifier. Peruna is a nerve tonic. Peruna is a general tonic. Peruna is a catarrh remedy. Peruna is a catarrh remedy. Peruna is a catarrh remedy
