CATHEDRAL WON A STAKE IN THE MUD.

John J. McCafferty's Horse Annexed the Feature Event at New Orleanas.

REES WIELDS THE OFFICIAL AX.

Jockey Foucon Ruled Off and Jockey Wood Suspended Indefinitely—David Finally Breaks Down—Results.

REPUBLIC SPECIAL.

New Orleans, La., Feb. 10.—John J. McCafferty never had the term "Shrewd John" applied to him for fun. His shrewdness asserted itself in the Club Members' Handicap to-day, when Cathedral galloped from end to end, winning by three lengths pulled up. On Thursday this same Cathedral was whipped out from the head of the stretch to finish third behind such skates as Parakeet and Lord Neville. In stake company to-day he was just about fifty pounds the best. "Shrewd John" did not profit by his shrewdness very much, for the books held Cathedral favorite at all times.

Magee's entries, Wolhurst and Frelinghuysen, were second choices, with Sidney Lucas the outsider. The track was knee deep in mud, just the kind of going that prevailed when Cathedral ran such a horrible race. The victory of Cathedral was received with silence.

Old David, the son of Wauwekus, who has won both fame and fortune on every track in the West for "Pa" Benson, has seen the post probably for the last time. In the first race this afternoon, a high weight selling at six furlongs, he broke down so hopelessly that horsemen say he will never be able to run again. As the old fellow was led back to his stable, expressions of sympathy were heard on all sides from those who have followed the old fellow's career and cashed many a ticket on his honesty and gameness.

Tibbs, from "Gene" Leigh's stable, divided first honors with Trebor, but Tibbs was the real goods. Going to the front early, she found the going to her liking and walked home. Goose Liver, making his initial appearance, ran a sparkling race and secured the place easily from Lampwick. Trebor was a distant fourth.

The Morris filly, Stripes, at 6 to 1, won the half-mile race for 2-year-olds. Zack Ford, the favorite, was almost left at the post, but, running game, he caught Stripes, and was only beaten by a head. Wild Pirate, who was acting as pacemaker, was caught between Stripes and Zach Ford and pinched off.

After Van Brunt, the favorite in the steeplechase, had fallen at the water jump and Brakeman, the second choice, became waterlogged in a lagoon in the infield, Joe Bell, at 8-5, and Al Reeves, at 6-5, fought it out, the former winning by two lengths. Monreith was a slight favorite over Albert Vale in the mile and three furlongs selling race. Albert Vale was pounds the best in the going, and, after indulging Tootons with the lead to the stretch, went to the front and won easily. Banquo II beat Monreith a neck for third money. Barney F., backed down from 8-5 to 6-5, won the last race in a drive from Dissolute, the favorite.

Decisions were handed down to-day in the case of Jockey E. Foucon for his ride on Rushfields on January 30. He was ruled off for life. In the case of Jockey W. Woods, for his ride on Tom Collins on February 6, his suspension will be continued indefinitely, which means off forever.

The Summaries.

First race, selling, seven furlongs—Tibbs, 102 (Walsh), 11 to 5 and even, won; Goose Liver, 104 (Mitchell), 11 to 1 and 4 to 1, second; Lampwick, 107 (Weddlestraut), 4 to 1, third. Time, 1:30. Trebor, Frank Wagner, Soda and Plymouth also ran. David broke down.

Second race, half mile—Stripes, 115 (Hatboeuf), 6 to 1 and 2 to 5, won; Zack Ford, 118 (W. Shaw), 11 to 5 and 4 to 5, second; Wild Pirate, 118 (Winkfield), 10 to 1, third. Time, :51. Red Damsel, Primero, Mat Gale, Tobi, St. Marcus, Jaime Wood and Hilliard also ran.

Third race, steeplechase, short course—Joe Bell, 148 (Kenny), 15 to 1 and 2 to 1, won; Al Reeves, 148 (Stewart), 5 to 1 and 2 to 1, second; Voyageur, 142 (Hinder), 16 to 1, third. Time, 3:48. Jack Hayes, Brakeman and Bleakmere also ran. Vantrunk lost his rider and did not finish.

Fourth race, the Club Members' Handicap, one mile—Cathedral, 96 (Mitchell), 3 to 2 and 1 to 2, won; Frelinghuysen, 98 (A. Weber), 3 to 2 and 1 to 4, second; Sidney Lucas, 93 (Boland), 11 to 5, third. Time, 1:46. Wolhurst also ran.

Fifth race, selling, one and three-eighth miles—Albert Vale, 107 (Crawford), 16 to 5 and 6 to 5, won; Tootons, 97 (Flint), 4 to 1 and 2 to 5, second; Banquo II, 102 (Hinsh), 8 to 1, third. Time, 2:30½. Monreith, Elkin, Scotch Girl and Mazeppa also ran.

A GROUP OF WELL-KNOWN ST. LOUIS BOWLERS.

SMITH ACADEMY LOST.

High School Won the Last Game in the Scholastic Hockey League.

Smith Academy lost her chance to win the championship of the Interscholastic Hockey League by getting licked at the hands of the seven from High School in an interesting game at the Ice Palace yesterday morning. Smith put up a fierce battle and died game. The Academy team was greatly weakened at a critical stage of the contest by Referee Sylvester ruling out Hallamp, one of the best players on the Smith seven.

Captain Marquis intends to protest the game on these grounds, and if it is allowed the game will be played off next week, and there will still be a chance for the red and white to float at the top of the race. Erskine scored the only goal made in the game. The teams lined up as follows:

Smith Academy.	Positions.	High School.
Hallamp	Forward	Cline
Coleman	Forward	Cox
Daly	Forward	Erskine
Moore	Forward	Nichols
Cofferd	Cover point	Lange
Marquis	Point	Randall
Hill	Goal	Pallock

Referee—William Sylvester.

Al Jones has accepted Tommy Richardson's challenge to skate a mile race for $50 a side and the championship of St. Louis. Both men are training hard for the event, which in all probability will take place next Thursday night.

There are regularly scheduled games between clubs in the St. Louis Hockey League on Monday, Wednesday and Friday nights of this week.

GANS SLAUGHTERED SULLIVAN.

Baltimore Mulatto Gave "Spike" a Terrible Thrashing Friday Night.

REPUBLIC SPECIAL.

New York, Feb. 10.—"Spike" Sullivan gave an exhibition of gameness last night at the Broadway Athletic Club, when he encountered Joe Gans of Baltimore, in what was to have been a twenty-five-round contest, that has rarely been equaled in the ring.

In everything but ability and willingness to take punishment he was greatly the inferior of the mulatto boy, and was certainly fully in the other lad's power when Referee Charley White mercifully interfered, and ordering Gans to his corner, gave his award of victory to that lad.

Nearly 4,000 people saw the contest, and forty-fifths of them knew that the verdict was an honest one. There were a lot of Sullivan's partisans who took the short end of the betting, which was 10 to 8 against Gans before the contest began, and 2 to 1 to his favor before it ended, who, hoping against hope, thought that the referee should have allowed the contest to have gone to a finish.

Sullivan, who is as game as a pebble, persisted against the battle being stopped, but he did his legs and thighs were quivering and trembling with weakness. Dan Donnelly, said to be a Boston Alderman, one of Sullivan's seconds, rushed over to where Referee Charley White was standing, unsuspecting any danger, and brutally assaulted him, cutting his eye very severely. Then the police interfered, and peace was quelled what gave promise of being a very exciting and disorderly riot. It was fortunate for Donnelly that the police arrested him, for had it not been for the intervention of the blue coats he might have been badly injured, if not killed.

This unfortunate affair is by many looked upon as the culmination of the unpleasant events which have furnished the opposition to the Horton boxing law with its most powerful ammunition. The final offside was not to be thus, however, as no one could have anticipated the attack upon Referee Charley White. He is almost universally admitted to be one of the fairest and squarest of American referees.

Sullivan made no extenuation of the poor showing that he made the fact that he had a solid attack of pneumonia last week. Gans, however, had a bad leg, due to a sprain he pocketed last Thursday, which he was in training.

He was very superior to Sullivan in skill and generalship, nevertheless "Spike" was the aggressor three-fourths of the time. The probabilities are that Gans and Young Erne will box a match. They are both fighters of the same style and are equally matched in skill. They ought to make the greatest light-weight fight seen for years. J. R. (MACON) McCORMICK.

Hotel Punta Gorda.

In Charlotte Harbor, at the Southern terminus of the Plant System at Punta Gorda, Fla., is located the Hotel Punta Gorda. Just at this season the surroundings are beautiful, flowers are blooming, and the oranges are hanging on the trees in profusion. The hotel is complete in all appointments and the menu is excellent. This is a favorite resort for Sportsmen and Fishermen. Steamboats make daily trips to Fort Meyers, touching at the various points of interest along the route. Those contemplating a tour in the South will find this hotel satisfactory. Those desiring specific information should address the Manager, Mr. H. C. Rogers.
