NO CURE—NO PAY!

WEAK NERVOUS AND DISEASED MEN.

READER: If you are afflicted with any disease, or complication of diseases, it will pay you to call upon or write to the Missouri Medical Institute, 205 North Eighth street, before taking treatment elsewhere, as they guarantee a complete and lasting cure in every case that they accept for treatment, or make no charge whatever, even for medicine or professional services. Other physicians want you to pay them whether they cure you or not, or whether they benefit you or not. The physicians of the Missouri Medical Institute only want pay for a cure. If their cures are not what they claim they will frankly tell you so. Consultation is free to all.
