## ROCK SPRINGS CLUB'S BALL.

### Democrats Inaugurate the Campaign With a Dance.

The Rock Springs Democratic Club gave a ball last evening at Benton Hall, corner of Manchester and Clayton avenues.

The battlecry of the club is "Redeem the city." To accomplish that result the club has introduced an innovation in campaigning. As a rule political clubs, in order to further the cause they represent, hold meetings and have speakers expound the tenets for which they stand. The Rock Springs Club insists that while that is a good thing in itself, the women must also be enlisted in the cause. Therefore, instead of meeting and having speeches on silver, trusts, imperialism and other issues, they have decided to give balls at which the youth and beauty of that section of the city will gather, and while enjoying the pleasures of the waltz, have the young men enlist the sympathies of the belles in the cause of Democracy and good government.

The ball last night was the first of a series to be given by the club. The attendance was very large. A feature of the evening's entertainment was the dancing of the Highland fling by Joseph Hefele and an Irish reel by John T. Dolan.

The following committees had charge of the ball: Reception Committee—George A. Miller, chairman, Frank Dolan, J. M. Clark, R. W. Maloney and M. J. Casey. Floor Committee—Michael Dougherty, chairman; Joseph Hefele, George Meckler, John Maloney and John English. Refreshment Committee—Richard Downey, Clark Walton and Tim Floor.

## ST. LOUIS COUNTY NOTES.

Marriage licenses were issued at Clayton yesterday to Frank Pierce Houston of Texas and Miss Josie Culler of St. Louis and to James C. Johnson of Bridgeton and Sarah A. Johnson of St. Louis.

A writ of replevin was issued by Justice J. B. Greensfelder yesterday at the instance of Carrie Noble of Central on the Olive Street road in order to enable her to secure possession of her household effects. Mrs. Noble said that she had been acting as housekeeper for Thomas Hanson, but recently decided to leave his employ. He would not release her and threatened to hold her goods if she attempted to carry out her intention. The writ was served by Constable John Grewingk.

A woman who claimed to be the mother of Peter J. Emmerich of St. Louis called at the marriage license office in Clayton yesterday and instructed Clerk Weigel not to issue a license to her son if he should apply for one at any time in the near future. Mrs. Emmerich said she had reliable information to the effect that he was engaged to Miss Lucy McAfee, and intended to elope, as she would not give her consent to his marriage. She says that he is only 19 years old.
