FATHER MACKIN DENIES.

Outsiders Did Not Witness the Dewey Wedding.

REPUBLIC SPECIAL.

Washington, April 16.—In regard to a report circulated today that Mrs. Dewey left the Catholic Church for what she considered a breach of confidence on the part of Father Mackin, who it was said, secretly permitted two strangers to witness her marriage ceremony, Father Mackin says:

"There were but four persons in the house at the time of the ceremony, my two assistant priests and my two servants. I am sure the Admiral did not expect me to discharge my servants for the occasion. As for my assistants, they are always present at a marriage performed in the rectory."

Mrs. Dewey did not leave the Catholic Church because of this incident, but it is held to have been the climax of a series of happenings to which she objected.

KERN COMPANY LICENSED.

Secretary Lesueur Acted Under Attorney General's Advice.

A special telegram to The Republic from Jefferson City last night says that Secretary of State Lesueur yesterday issued a certificate of authority to do business in this State to the Kern Incandescent Gas Light Company of New Jersey. This is the company against which Lonnie Deeney filed a protest some time ago. The matter was referred to Attorney General Crow, and yesterday that official rendered an opinion that under the law the Secretary of State must issue the certificate.

Representatives of the Kern company have kept up the work of digging holes for the lamposts, in anticipation of a favorable ruling.

MISSOURI RACES FOR CONGRESS.

Campaigns Moving Smoothly in All the Districts Except the Thirteenth.

HARMONY AMONG DEMOCRATS.

Dougherty, Cowherd, De Armond, Clark and Benton Are Not Opposed in Seeking for Renominations.

With the single exception of the Democratic muddle in the Thirteenth District the congressional campaign in this State is moving along without a jar. Conventions have either been held or called in most of the districts. The situation at this time, the State over, is as follows:

In the First District Democratic primaries will be held May 1. Two candidates seek the nomination, James Lloyd, present incumbent, and the Reverend Mr. Richmond of Macon. The Republicans will meet at Macon, May 8, and nominate a candidate. W. W. Rucker has been renominated by the Democrats of the Second District. The Republicans will meet at Chillicothe, May 3, and name a candidate.

In the Third District, John Dougherty of Clay will be renominated by the Democrats without opposition. The convention will be held at Bethany, May 15. The Republicans will also meet at Bethany, May 5, and nominate a candidate.

In the Fourth District, Colonel C. F. Cochran is seeking renomination at the hands of the Democrats. He is opposed by M. G. Moran and Colonel Craig of St. Joseph, and C. F. Boogher of Andrew. The Nominating Convention will be held at Maysville, June 20. The date of the Republican Convention has not been announced.

No date has yet been fixed in the Fifth District for either convention. W. S. Cowherd, present Democratic incumbent, has no opposition. There is talk of Webster Davis seeking the Republican nomination. If he does so, he will be bitterly opposed by the administration Republicans.

The Democrats will renominate David A. De Armond of the Sixth District by acclamation. Their convention will be held at El Dorado Springs June 28. The Republicans have already held their convention and nominated S. W. Jordan of Jasper.

In the Seventh District the Democrats have renominated Judge James Cooney of Saline and the Republicans have nominated Leslie Orear of the same county.

There is a sharp contest among the aspiring Democrats in the Eighth District. Judge D. W. Shackelford is seeking renomination and F. W. Johnson of Cooper and ex-State Senator James Harrison of Phelps oppose him. The convention will be held at California June 27. The Republicans will meet at Jefferson City May 3 and nominate a candidate, possibly Colonel Jim T. Moore of Laclede, unless the administration men oppose him too strongly because of his friendship for Chauncey I. Filley.

Champ Clark will be renominated by the Democrats of the Ninth District by a primary to be held May 5. He has no opposition in his own party. The Republicans will meet at Troy, May 1, and nominate a candidate.

In the Tenth District the Republicans will hold their convention in this city, May 7, and renominate the administration candidate, Richard Bartholdt. The Democrats have not called a convention yet.

No dates have been fixed in the Eleventh District for either the Democratic or Republican conventions. It is expected Charles F. Joy will seek renomination from the Republicans, and he may have no opposition in the convention. Mr. Joy is now at home and will look after his fences.

W. H. Horton has been nominated by the Republicans of the Twelfth District, who found no difficulty in retiring Congressman Pearce, because the latter did not act in harmony with the local machine. The Democratic convention has not been called.

The troubles following a call for a Democratic primary in the Thirteenth District have been written about several times of late. Originally the committee called a general primary for September 1. Now eleven members of the committee have signed a call for a meeting at De Soto, April 21, to undo this work and call a Delegate Convention for an earlier date. Congressman Robb is seeking renomination, and he has seven or eight opponents, with the prospect of this number being increased. The Republicans will meet at Bonne Terre, August 30, and nominate a candidate.

W. D. Vandiver will probably be renominated by the Democrats of the Fourteenth District, although he is opposed by Virgil McKay of Dunklin. The convention will be held at Thayer, June 2. The Republicans will meet at Poplar Bluff, April 17, and nominate a candidate.

In the Fifteenth District, M. E. Benton will have a walk-over for the Democratic nomination. The convention will be held at Joplin, April 19. The Republicans will hold their convention at Pierce City, April 28.

LEGISLATIVE CANDIDATES.

Five Members of Present Assembly Are Renominated.

Half a dozen or more candidates for the Legislature were nominated the last three or four days, and, with possibly one exception, all of them will be elected. Three members of the present House were among the list who drew prizes, and it is expected they will be elected. They are James H. Whitecotton of Monroe and F. K. Thompson of Livingston (Dems.) and Frank C. Sickles of Putnam (Rep.) Monroe is overwhelmingly Democratic, and the Republicans have carried Putnam ever since the war. Livingston is pretty close, and has made several political changes during the last fifteen years. All together four members of the present House have secured renominations, and one member of the Senate, John Marshall of Scotland, John E. Organ of Dent is the remaining member of the House who has been renominated.

It still seems evident that the House will be largely made up of new members, although several have been nominated who served years ago in the Legislature, among the latter being A. H. J. Lehr of Carter, J. E. Carter of Grundy and A. P. McCallum of Ripley. Here is a list of nominees reported up to date, all of them, with the exceptions of Messrs. Sickles of Putnam and Carter of Grundy, being Democrats and residing in counties carried by the Democrats in 1898:

Carter, A. H. J. Lehr; Charlton, J. N. Gipson; Callaway, Frank T. Baker; Cole, W. M. Lemkin; Dunklin, Thomas E. Baldwin; Grundy, John E. Carter; Lewis, Ford G. Kirk; Livingston, F. K. Thompson; Macon, J. T. Campbell; Monroe, J. H. Whitecotton; Newton, Jacob Reinmiller; Putnam, Frank C. Sickles; Randolph, W. S. Creese; Ray, James C. Duvall; Ripley, A. J. McCallum; Schuyler, J. T. Jones; Shelby, H. J. Simmons; Scotland, Charles K. Green; Sullivan, James Carmack; Dent, John E. Organ.

WALBRIDGE MAY RETIRE.

Congressman Joy Appears to Have a Clear Field.

Prior to the arrival of Congressman Joy in the city yesterday, it was stated by Republicans who are in a position to know that former Mayor Cyrus P. Walbridge had decided not to enter the race against him for the Republican nomination. This announcement had been expected for several days. The politicians now say Mr. Joy will be nominated by acclamation, and that the convention will be called for such time as suits his convenience. It seems the recent conference Colonel Kerens has had at Washington with Senator Hanna and the President has resulted in removing a good many obstacles here in St. Louis, and the administration machinery is now moving along without the least friction.

CARROLL COUNTY DEMOCRATS.

Delegates to the Conventions Chosen and Instructed.

REPUBLIC SPECIAL.

Carrollton, Mo., April 16.—The Democrats of Carroll County met in convention in Carroll today to select delegates to the different State conventions. During an intermission former Governor Stone delivered a speech, dealing with national questions in a masterly way. Sam B. Cook of Mexico made a short speech, as did Morton Jourdan of St. Louis.

The delegates selected for the Kansas City convention are: William Tull, William G. Busby, Sinton Lewis, W. R. Painter, E. A. Dickson, Doctor E. Lewery, Minnis Griffith, Roy Charles, E. R. Wooden, R. L. Craig, S. S. Casner, R. E. Calloway. The delegates to the Sedalia Judicial Convention were: R. F. Lozier, L. A. Holliday, R. W. Backenstoe, J. R. Noble, L. L. Odell, W. F. Montgomery, William Erwin. Delegates to the Jefferson City Convention: Virgil Conkling, R. P. Queen, Frank Cabbell, Doctor N. A. Spencer, N. P. Evans, B. F. Harper, Doctor L. Samuels.

The convention adopted resolutions instructing the delegates to vote for Dockery, Sam B. Cook, Gantt, T. W. Park of Platt County for Railroad Commissioner, Pitts for Auditor; also for N. J. Winters of Sullivan County and Virgil Conkling of Carroll County for State Committeemen from this district. William J. Stone and David Eff were the choice of the convention for delegates-at-large to the National Convention and the delegates were instructed to vote for them.

NELSON CREWS EXPECTS SUPPORT.

Kansas City Negro Republican Wants to Go to National Convention.

St. Louis Republicans received word yesterday that Nelson Crews, a negro politician at Kansas City, expects the St. Louis delegation to vote for him for delegate-at-large to the National Convention. They were not at all pleased at this bit of news, although it was not entirely unexpected. Judging from what leading Republicans have said on this subject, it would not be wise for Crews to undertake to hold his breath until he receives the support of the white Republicans of St. Louis. They have enough trouble with the St. Louis negroes, who are now clamoring for places on the City Committee, seats of honor at political banquets, good offices and other things which their white brethren do not intend to give them.

Moreover, it was announced yesterday that St. Louis will have five or six candidates for delegates-at-large, unless some of them are choked off, and no negro candidates are included in this list. It was said Colonel D. P. Dyer, Nathan Frank, H. M. Houser, Colonel R. C. Kerens and possibly George W. Baumhoff would be pleased to go as delegates-at-large to the convention, although Republicans in other parts of the State insist this city shall have but two.

WEBSTER DAVIS'S SUCCESSOR.

Indications Are He Will Not Be Selected From Missouri.

Certain reports from Washington assert the President has decided to ignore Missouri in the appointment of an Assistant Secretary of the Interior to succeed Webster Davis. This is not cheering news to the administration leaders in the State, who have fondly imagined they could pick the man and have the honor thrust upon him.

As soon as the vacancy occurred petitions and pleas from the Missouri politicians began to pour in on the President. B. B. Cahoon of Fredericktown, who was defeated for the nomination for Governor by R. E. Lewis at the memorable Springfield convention was the principal applicant for the place. It is said that he was backed by Mr. Kerens, but those who are on the inside consider it doubtful. Mr. Cahoon was not idle, however, and he has obtained the indorsement of a large number of Missouri Republicans who are supposed to have influence with the President. Among these were several members of the State Committee, and it is said that Secretary Hitchcock was friendly to Cahoon. Mr. Cahoon's application now has been on file for several weeks and no action has been taken in the matter.

SILVER REPUBLICAN CONVENTION.

Will Meet at Kansas City When the Democrats Assemble.

The Silver Republicans have issued a call for a national convention to be held in the Coates Opera-house, at Kansas City, on the same day as the Democratic National Convention. The object of the convention is to nominate candidates for President and Vice President. It seems that all former Republicans who have left their party on account of its financial policies will be invited to take part in the convention. In parts of Missouri there are known to be a good many Silver Republicans who left their party in 1896 and are still outside the breastworks. It is promised that there will be a pretty large attendance at the convention, particularly from some of the Western States.

The politicians believe that if the Democrats readopt the financial plank of the Chicago platform and nominate Mr. Bryan, the Silver Republicans will indorse the action, including the nominee for Vice President. They also believe that the conservative wing of the Populists will indorse Mr. Bryan, so the latter's chances for falling heir to three nominations from different parties about the same time are deemed quite promising.

MR. COOK NOT SATISFIED.

Says Kansas City Opera-House Is Too Small for Convention.

Sam B. Cook and Virgil Conkling of the Democratic State Committee will pay Kansas City another visit this week and hold a conference with the local committee relative to providing suitable quarters for the Democratic State Convention to be held June 5. Mr. Cook is of the opinion that the opera-house which the local committee had selected since the burning of Convention Hall will not do. It is said the building is not large enough to seat all the delegates, something over 1,200, unless a part of them occupy the stage.

Since Mr. Cook's visit last week the Kansas City people have been talking of fitting up their Exposition building for the State Convention. It is given out that unless satisfactory arrangements are made, Mr. Cook will call the State Committee together with the view of having another location selected for the convention. In that event, it is said, St. Louis would be almost certain to be named. There is no disposition on the part of the State Committee to deprive Kansas City of the convention unless it should be plain that the visitors could not be provided with desirable quarters for holding the convention.

BARRY COUNTY DELEGATES.

Instructions Given for Judge Goode for the Appeals Court.

REPUBLIC SPECIAL.

Cassville, Mo., April 16.—The Democrats of Barry County elected the following delegates to the State Convention at Kansas City: Doctor Northcutt, W. A. Wear, R. A. Gardner, C. F. Green, Pat Martin, C. M. Swetman, W. G. Hickman, A. M. Wise, John Walch, James Jefferies and W. E. Smith. To the convention at Jefferson City—J. R. Hudson, J. G. Marcott, L. W. Badger, W. J. Bloomer, J. H. McGuffin, T. M. Popham. To the convention at Sedalia—J. T. Burgess, J. S. Davis, W. F. Baston, Albert Johnson, B. S. Breese. To the Court of Appeals Convention at Cape Girardeau—H. C. Pepper, T. S. Frost, A. J. Sellers, F. B. Blankenship, John Reed, J. W. George. To the Congressional Convention—C. D. Manley, J. M. Hodge, G. W. Lowan, G. W. Roller, Charles Overton. Instructions were given for Dockery, Cook, Crow, Gantt, R. L. Goode for St. Louis Court of Appeals Judge; Benton for Congressman; for delegate to the National Convention, Jim McGoean and Joe French. The convention indorsed Bryan and the Chicago platform.

APPELLATE COURT CANDIDATES.

Republicans Trying Hard to Capture This Office.

Wilson Cramer, a Cape Girardeau lawyer, is announced as a Republican candidate for the nomination for Judge of the St. Louis Court of Appeals. Judge Frederick Rombauer of this city has also been mentioned, and half a dozen other lawyers are reported to be anxious to make the race.

In addition to nominating a candidate of their own, it is stated that the Republicans will endeavor to induce the Middle-of-the-Road Populists to nominate a candidate, hoping to draw some votes away from the Democratic nominee. In 1896 the Democratic majority in the district was more than 12,000. That year, however, the Populists had no candidate in the field. Two years ago the Middle-of-the-Road Populists polled but a little more than 3,000 votes in the entire State, so the chances of their being able to indirectly render the Republicans much assistance are deemed very remote by the Democrats.

BUFFALO LITHIA WATER

A Powerful and the Only Known Solvent and Eliminator of Stone in the Bladder.

Dr. G. H. Pierce, of Danbury, Conn., reports the following case:

This photograph shows the exact size and shape of some of the larger specimens of disintegrated stone discharged by Mr. S., under the action of BUFFALO LITHIA WATER.

"Mr. S., American, 47 years old, four months ago consulted me. I advised that his bladder be explored for foreign body, which I was sure was present. On entering the bladder I encountered a large mass, which, from the characteristic click I decided was a stone. * * * I prescribed BUFFALO LITHIA WATER, a goblet four times a day. In three days, showing me the vessel he had used during the night, he asked me if the debris was not disinterested stone. I was amazed to see the quantity of brick dust, or rather iron rust, looking deposit which was present. The material kept coming away, and sometimes large particles. After all were passed, which took three and one-half months, the largest particles which were saved weighed two ounces and twenty-seven grains. He is now well, and to-day I passed a sound into his bladder without the slightest difficulty and found it entirely free.

Dr. C. H. Davis, of Meriden, Conn., reports in New England Medical Monthly:

"Mr. R. L. Roys, of this city consulted me about two years ago for stone in the bladder, from which he had been suffering for years. On my suggestion, he commenced the use of BUFFALO LITHIA WATER, as he was very much opposed to operative interference. After using the water for a short time, disintegration to a certain extent took place and large quantities of stone were passed. For several days in succession he passed as much as a teaspoonful of the debris, and at intervals for a considerable period he passed large quantities, and, under the continued use of the Water there was a constant passage of Calculi until he was entirely relieved."

The photograph herewith is a correct representation, and exact size, of some of the largest specimens of Calculi discharged by Mr. Roys. A chemical and microscopical analysis showed that they are Uric Acid with a trace of the Oxalate of Lime.

BUFFALO LITHIA WATER is for sale by Grocers and Druggists generally. Testimonials which defy all imputations or questions sent to any address.

COUNCILMAN IN DESPAIR.

Sees No Hope for St. Louis Under Present Government.

At the weekly meeting of the St. Louis Republican Club at the Odd Fellows' building last night Captain W. R. Hodges, a member of the city council and chairman of the Ways and Means Committee, condemned the policy of the municipal government and said that instead of decreasing the expenses of the city the policy was constantly increasing it.

"It is impossible under the present administration," said he, "to pass a bill that will tend to relieve the burden on the city. Things are going from bad to worse, and God only knows what will happen during the coming year. The city needs $1,250,000 next year, but I don't know where it is going to come from."

Lawrence County Democrats.

REPUBLIC SPECIAL.

Aurora, Mo., April 16.—The Lawrence County Democratic Convention met at Mount Vernon today and elected delegates to Sedalia instructed for Gantt for Judge of the Supreme Court. The delegates sent to the Judicial Convention were instructed for R. L. Goode and the delegates to the Congressional Convention for Honorable M. E. Benton. Resolutions were passed indorsing the Chicago platform and Bryan for President and opposing the doctrine of imperialism, condemning the national administration in its attempt to change the form of government from a Republic to an Empire, opposing the Porto Rico tariff bill and indorsing the action of the Missouri Congressmen in opposing the bill. The special indorsement of Honorable M. E. Benton, who has served two terms as Congressman, was passed.

Boom for Jim Merrifield.

In seeking a nominee for Railroad and Warehouse Commissioner many Republicans are advocating the claims of Jim Merrifield, an old passenger conductor on the Missouri Pacific, who is known to all patrons of the road. Some know him as "Cyclone Jim," because he is reputed to have talked a cyclone into his ears up in Lafayette County several years ago. He has been running on the Missouri Pacific for thirty years, and has always predicted a Democratic overthrow at each campaign.

MILLER FOUND GUILTY.

He Managed the Franklin Get-Rich-Quick Syndicate.

New York, April 16.—William F. Miller of Franklin syndicate fame was found guilty by a jury in the County Court in Brooklyn to-night of grand larceny in the first degree for taking from Mrs. Kate G. Mosser $1,000, which she invested in his 520 per cent scheme to "get rich quick."

The prisoner was remanded for sentence a week from next Friday. His counsel stated that the case would be appealed.

For a moment or two after the jury had rendered its verdict Miller appeared to be dazed. He recovered himself, however, and entered into a spirited conversation with his counsel. The jury was discharged and Miller was taken to the Raymond Street Jail. Six negroes, one Chinaman, about 100 women and many lawyers tried to get into the United States Circuit Court in Brooklyn this morning, where Referee Beckler had announced a hearing in connection with claims against the Miller syndicate, defunct.

A number of Deputy Marshals were sent to the courtroom to drive out part of the crowd.

A motion was made to consider each claim separately. As there are 17,000 of them, it was denied.
