YELLOW TAIL WAS BEATEN BY ED L.

Hundred to One Shot Defeated the California Colt in a Sensational Race.

FIRESIDE RIGHT ON EDGE.

Famous Old Mare Stepped Six Furlongs in 1:14 and a Fraction, Winning From a Good Field —Racing Results.

The supposably invincible Yellow Tail, winner of the Inaugural and two other races at the present meeting, had his colors lowered yesterday by Ed L., a 100 to 1 shot, who outsprinted the great California colt in a five furlong dash, defeating him by a head in a driving finish, with Frank Bell third, only a small margin behind the Yellow Tail.

The finish in this race was one of the most exciting of the meeting. Yellow Tail and Frank Bell hooked up at the start and raced around the stable turn like a team. At the head of the stretch, Ed L. joined the leaders and the trio ran through the stretch heads apart. Frank Bell had the rail, with Ed L. on the outside and Yellow Tail in the middle.

Yellow Tail was probably the best horse, but the other two had him pocketed so badly that his rider, Buchanan, was unable to even use his whip. Had the California horse been able to squeeze through the pack, there is hardly a doubt that his backers would have cashed. Some people in the stand thought that Yellow Tail had been fouled, but the judges ordered the bookies to pay off as they finished. Dave Waldo had none of his usual speed and cut no figure in the race.

Ed L., the winner, is a 6-year-old chestnut horse by Lycurgus—Mary B. He raced in the name of Sinclair & Co. Ed L. has been racing around here for several years, but yesterday was the first time he ever succeeded in winning a race at the Fair Grounds. In fact, the only time he ever did manage to beat anything was at Dallas last fall, when he surprised the natives by winning three races, all of which were at short distances. The horse has plenty of speed, but five furlongs seems to be about as far as he cares to go.

John F. Schorr's snake colt, Alard Scheck, ran over his horses in the third event. The Schorr colt outclassed his field and won like a good race horse should. The ring never laid better than 7 to 20 against Alard Scheck, who went to the front when ready and won cleverly by two lengths from Ampere, who beat J. S. O'Brien's colt, Wild Pirate, for the place. Ampere and Wild Pirate are very evenly matched, and had a pretty race for the place. Wild Pirate appeared to have Ampere beaten an eighth out, but the Cahn colt finished the strongest and had a length the best of it at the end. John Huffman's filly, Hurry, failed to get a move on herself, and finished absolutely last.

Charlie Ellison's recent purchase, Fireside, signified her first appearance on the track this season by running a superb race. She was in with a lot of fast horses, but the old mare is cherry ripe, and she rattled off six furlongs in 1:14 and a fraction, winning cleverly a half length from Dan Honig's Theory. J. F. Schorr's Greenock, who was expected to figure as a contender, failed to finish in the money. He had no speed and was never prominent. It looks as though this colt is not going to amount to much this year. He showed stake form as a 2-year-old, winning the Brewers' Handicap from Boundless at the Fair Grounds last season. On his showing here this year, however, he would have a hard time of it winning stakes at Podunk or Oshkosh.

Zazel, a 3-year-old filly by Imp. Order, made a show of her field in the first race. Pacemaker was thought to be the horse, but he got off badly and had to run around his field. Zazel had five lengths the best of him at the three-quarters pole, and maintained that advantage to the end. Pacemaker had quite an argument with Tewanda in the stretch. He got the best of it, but Tickful came along at the end and snatched the second money from him by a head.

Jim Arthur, who brought his stable down from Chicago Sunday, cut loose Hood's Brigade in the second event, and the colt scored in style. Sir Gallan and Tom Gilmore cut out the work. Tom Gilmore collapsed after running six furlongs. Jake Weber and Hood's Brigade then moved up. Hood's Brigade disposed of Sir Gallan, but Jake Weber could not get away with the Cahn cast-off, and ran third.

Dollie Weithoff, a frequent winner on the Canadian circuit last summer, made her debut here in the last race, winning in a hard drive by two lengths from Eight Bells and The Light. Lieber Anton from the Schorr stable, showed a lot of early speed, but was short and tired badly at the end, finishing last. This was the horse's first race in two years. Jimmy Gilo's old Sibdubia got off badly and never had a chance.

LIEUTENANT GIBSON'S WALKOVER.

"Board of Trade" Smith's Great Colt Won the Latonia Derby.

Cincinnati, O., May 28.—The thousands of lovers of thoroughbred racing who gathered at Latonia to-day to see what promised to be the greatest Derby of the year met with bitter disappointment. The race proved to be a farce. Lieutenant Gibson was the only starter, and simply had to gallop around the track to win the big prize.

Up to noon the track was in good shape, but then there came a heavy rainfall and spoiled all the chances of a contest in the Derby. Hiram Scoggans scratched his entry, Highland Lad and Florizar, and later Kentucky Farmer was withdrawn. St. Ivor had been scratched out earlier in the day. This left but one horse in the race, Lieutenant Gibson, and he galloped the distance, a mile and a half, for the big end of the purse. Thus the famous Latonia Derby of 1900 passed into history, and Lieutenant Gibson, the crack Western 3-year-old, remains unbeaten.

In spite of the very disagreeable weather one of the largest crowds ever seen at Latonia witnessed the day's racing. Eleven books drew in to supply the wants of the talent, and did a big business. It has been many years since such lively scenes were witnessed in the betting ring at Latonia. Judging from the attendance and brisk playing in the ring, the prospects are most encouraging for this season's racing at the local track.

James F. Caldwell did the starting, and got the horses away in good order. The judges' stand was presided over by Charles F. Price, formerly secretary of the Louisville Jockey Club; Colonel L. P. Tarlton of Frankfort, Ky., and Secretary E. C. Hooper.

SWEET LAVENDER'S CLOVER.

Charlie Littlefield's Filley Annexed the Gravesend Feature.

New York, May 28.—A cold, raw day and a poor card were responsible for one of the smallest crowds of the season at Gravesend to-day. Some good sport was furnished, however, four of the finishes being of the driving order. Only two of the favorites were successful. The Clover Stakes for 3-year-old fillies was the feature. Sweet Lavender won by a head from Ashes, on which Oliver Lucas rode a very weak finish. The long shot, Lorana, was third. The handicap furnished a pretty race, Anthrite, backed by his owner, "Pittsburg Phil," winning by a head from Golden. Maximo Gomez, the favorite, was a poor third.

LAKESIDE'S WINNING OWNERS.

Harry Robinson, Owner of Sidbow and Woodtrice, Heads the List.

A recapitulation of the winnings of various stables, and the mounts of jockeys riding at the Lakeside meeting, which has just closed, shows H. Robinson to have a comfortable lead in the earnings of his stable over any other owner, while Jockey Tom Knight easily won the honors of the riding fraternity with nineteen successful mounts to his credit.

Following Knight in the jockey list come Narvaez with thirteen, L. Rose with nine, and Eddie Ross with seven winning mounts. Ross has had a successful beginning of the season, and has won several close races during the meeting. He is a boy of good judgment, and rides a strong race. In getting away from the post he has distinguished himself, and as he weighs only 103 pounds, will have many mounts for the balance of the year. Narvaez is riding in better form than he has done since he first came East many years ago with Tom Williams. He was rated while in the employ of the California turfman as one of the most promising light weights then in the saddle. Narvaez and Knight were much the best of the boys seen at the Indiana track.

Of the horses performing at Lakeside, May Beach held the sprinters safe, while Garry Herrmann made the 2-year-olds look cheap every time he met them. Cheesestraw, Sam Fullen and The Cuban Girl ran several profitable races each. The winning owners who won more than $200 were:

Arthur, James	1,325	Newman, J. F.	1,175
Burdean, C. K.	710	Poole, G. W. & Co	700
Bradley, Mrs. R.	860	Robinson, H.	4,025

Brown, Ed. & Co.	1,100	Reppens, J. H.	1,150

Miller, Robert	600	Zuehlke, F. & Co.	750
Marklein, J. J.	2,325		

Charley Hughes sent his horses to Hawthorne in charge of his foreman, he staying at Cincinnati himself with Lieutenant Gibson. Immediately after the Derby Gibson was shipped to Chicago, and will reach Hawthorne early Tuesday, in time to get a rest before starting in the Turf Congress Handicap on Wednesday. As the handicap is worth $4,000 this year, it is too big a prize to miss.

The Hawthorne management has promised several reforms that will be welcomed if properly executed. The banishment of touts, a strictly open book and the limiting of the size of fields are among the things that will be undertaken. The latter is one of the big changes. In order to keep out horses of the cheap order the fields in all races except stake events, will be limited to twelve starters. Before more than twelve are named the secretary of the Chicago Jockey Club will go over the list and weed out the objectionable horses. Smaller fields are greatly desired, both for the sake of keeping to form and making the races more spectacular. This move should be popular with the race patrons.

J. Gardner was ordered to take his horses from the Toronto track on account of the bad showing of Sioll, and Jockey Christopher was suspended for the remainder of the meeting for his ride on Charley O. in the fifth race of the opening day.

Jakie Marklein, the well-known Cincinnati owner, may and probably will figure in one of the big turf deals of the year within the next few days. Garry Herrmann, Jakie's crack imp. Esher colt, who has shown to be the best of his age and sex out in the West this year, and whose only rival for the distinction of being considered the champion among the youngsters developed in the West this season, has Mr. George Bennett's great filly Miss Bennett, will, it is almost settled, change hands before the close of the week.

A wealthy stock yards man of Chicago is after the crack son of Esher. He recently offered $7,500 for the colt, but in the light of the fact that Johnny Schorr, at the recent Louisville meeting, refused no less than $10,000 for Silverdale, a colt on which Garry Herrmann has the "Indian sign," Jakie respectfully but firmly declined to even consider the offer for a moment. The would-be purchaser of the colt on Saturday asked the ex-market master if he would take $5,000 for the colt.

"No," was the reply; "not $5,000. I consider Garry Herrmann worth $10,000, and I will not take a dollar less for him." The gentleman then announced that he would take a veterinary out to look the colt over Tuesday. He wanted to do so Sunday, but Jakie had already made arrangements to spend the day with friends.

Garry Herrmann's next stake engagement is in the Juvenile at Hawthorne, to be run June 1, in which he will probably meet the Schorr crack, Silverdale, for the second time. The day after that race Mr. Markleln will leave Chicago for Sheepshead Bay. In the meantime, he does not sell Garry Herrmann be will take him East to run in the $2,000 Great Trial Stakes. The colt has other valuable engagements in the East, including all the fixed events for his age at Saratoga, and he is in all the Derbies and other big events for 3-year-olds in the West next year.—Cincinnati Enquirer.

ST. LOUIS ATHLETIC CLUB.

Henry Sennett of St. Louis Stopped Williams of Hot Springs.

A four-round bout between Tom Williams of Hot Springs and Henry Sennett of St. Louis, both negroes, was pulled off last night in the rooms of the St. Louis Athletic Club at the Fourteenth Street Theater. The negroes were willing, and while their strength lasted they punched away with a will. Neither had much science, but the fight was full of exciting incidents. On the whole the go pleased the spectators immensely.

Sennett is a short negro and heavy set. Williams was taller than his opponent and slighter in build. The latter did not seem to be in quite so good condition as the former. During the first two rounds and in the first half of the third round Williams, through his superior reach and through his greater activity, had somewhat the better of the argument. But when, in the latter half of the third round, Sennett began to rush matters Williams's valor oozed perceptibly, and he avoided Sennett's straight lefts either by lying down or by a sort of affectionate hug, which he considered a clinch.

In about the middle of the fourth round Sennett crashed his right on Williams's jaw. The latter was perceptibly rattled by the blow, and in the clinch that followed he fell to the ground. He refused to arise, and to the repeated urgings of the crowd he responded with a mournful "I'm plum wore out."

Because Williams had slipped through the ropes in the second round and injured his leg no decision was rendered, though it seemed as if Sennett had the fight. Joe Frede refereed the fight. It had been planned that Sennett should meet William T. Curtis, a pug from Belleville, but the latter did not show up, and Williams went in in his place, though he was not in the best of condition.

SMITH DEFEATED MAYNARD.

Brooklyn Boy Was Going in the Tenth Round.

New York, May 28.—Solly Smith of Los Angeles defeated Billy Maynard of Brooklyn in the tenth round of what was to have been a twenty-round bout at 122 pounds, before the Samson Athletic Club, in Brooklyn. Both men fought cleverly, and honors were about even up to the end of the ninth round.

In the tenth round Solly landed his right on Maynard's jaw and followed it up with a swing on the nose, which put Maynard on his back. Maynard's second, seeing that their man was groggy and practically knocked out, threw up the sponge.

BOXING BOUTS OFF.

Nothing but Wrestling at the West End Club Last Night.

There were no boxing bouts at the West End Coliseum last night. Charlie Haughton had arranged to pull off several interesting goes for the benefit of the striking street car forces, but he was tipped off that the police would not stand for the show, and the boxing end of the programme was cut out.

In the catch-as-catch-can wrestling match between Lou Reed and Charlie Cornwell, Reed won two straight falls in 2 minutes and 1 second and 2 minutes flat. Reed also threw Jim Douglas in 2 minutes and 3 seconds.

Palmer Won on Points.

London, May 28.—"Pedlar" Palmer beat Ware on points in a twenty-round bout at the National Sporting Club this evening.
