MEDICAL.

ALL private diseases a specialty at Franklin Avenue Free Dispensary. 1214 Franklin ave.

DOCTOR J. C. RICHARD, who has given up his practice on account of old age, desires to help every suffering lady in any sickness. The doctor has practiced his profession for thirty-six years, and was connected with two obstetric and Woman's colleges. He does not treat by the laying on of hands; neither does he cure by sympathy. No medicine is sent on approval, but his treatment will prevent the use of pills that are poison. He asks that the ladies be not misled by frauds and quacks, and cautions them particularly not to waste money on useless articles. Doctor Richard's treatment is sure, quick and safe. His treatment is of different kind, and those suffering should not lose an opportunity to write or call on him in time. You can get from him the only sure, safe, harmless and never-failing treatment, and this cure will give relief without injury to the nerves. Doctor Richard also treats any kind of skin diseases as well as itching of any kind, and eczema. When writing, send two 2-cent stamps for reply, and address Doctor J. C. Richard, P. O.
