PAY WHEN CURED

Any honest man who suffers from Nervous Debility, Rheumatism, Lame Back, etc., can be cured by Dr. McLaughlin's Electric Belt and Pay When He Is Cured.

I want every man who reads my ad. to come to me at a fair price, on a fair deal, on this fair and square proposition. Unless my belt cures you I am not entitled to your money. I make no promises unless I am earnest that you need my treatment, and am able and willing to cure you. I do cure, and you need not pay a cent until you are cured.

If it fails to cure, it Does Not Cost You a Cent!

Is that fair? Of course. You take no chances, you pay nothing in advance. I know what I can do for you, and if you have failed to get benefit elsewhere I know you are exceptional, so I will take the chances if you will. Write now.

Why Do I Do This?

Simply because I have been in this business twenty years, have made a reputation, have cured fifty thousand men with my Electricity, and know what it will do and how to apply it. It's a plain business proposition with me. I have the goods and know that they will do what I say they will, and I know that when I cure a man he is cured in all cases, and the one I have cured never comes back, my business is increased a hundred per cent by men protesting my patients against possible failure.

Don't buy any man's goods unless he will guarantee them.

When you put your money into an Electric Belt you want to know what assurance you have that it will cure you. I will tell you what I will do: I will send it to you for a month's trial, free, on receipt of your request, if you prefer that to my plan as I do. I ask no man to pay me unless I cure him, and you should insist on the same terms from any other man who asks to cure you, whether he sells you drugs or electricity.

FREE BOOK! I have a beautiful book telling all about my treatment, and I will send it sealed, free, upon request. Consultation free.

OPENING DAY AT AQUEDUCT.

Fall Meeting of Queens County Jockey Club.

New York, Nov. 5.—The fall meeting of the Queens County Jockey Club began to-day at Aqueduct. The weather was fine, and attendance good. C. H. Pettingill held the flag as starter. Bad starting was the only thing that marred the opening. In the first race The Chamberlain was left at the post, while the others were hopelessly strung out. Carnelian was second, with Isaac Hopper practically left in the third. Radford was eight or ten lengths behind the leaders passing the stand. Two favorites won, Helen O'C, in the second, and Trillo in the third. The others went down before a second choice and three long shots. The handicap, fourth on the card, was the feature of the day. McMeekin was an odds-on favorite, but Mitchell rode a listless race, and was second at the end to the heavily-played First Whip. McMeekin and Beau Ormonde made the early running, but First Whip moved to the front at last turn and won cleverly by a length and a half. Beau Ormonde stopped in the stretch, and The Golden Prince took show money, a neck before Annoy. The other winners were Oliver Mc., at 7 to 1 in the first; The Puritan, at 5 to 1, in the fifth, after making all the running, and Water Cure, at 8 to 1, in the last. Summaries:

Fifth race, five and a half furlongs, selling—The Puritan, 92 (Williams), 5 to 1 and 2 to 1, won; Quite Right, 94 (Michaels), 8 to 1 and 3 to 1, second; Talcose, 104 (Henry), 7 to 5 and 1 to 2, third. Time, 1:09. Animosity, Queen Carnival, Albert, Tenario, Lady Padden and Yorkshire Boy also ran.

BOECKLER-NASH GAME FAST.

Both Billiardists Surpassed Records for Several Innings.

The seventh game in the three-cushion "class B" billiard tournament at the Grand Billiard Hall was played last night, with Mr. Nash and Mr. Boeckler as contestants, Mr. Nash conceding his opponent five points in forty. The game proved the most interesting of any played thus far, and abounded in brilliant shots, evenly divided. Mr. Boeckler played brilliantly from the start, and his opponent appeared to be hopelessly out of it, but the uncertainty of the result of the three-cushion game was never better demonstrated than when Mr. Nash, by a marvelous exhibition of the possibilities of the game, overcome his opponent's lead and came very near discounting his handicap.

At one stage it appeared as though both men would exceed all records, professional or amateur, Mr. Boeckler making eight and Mr. Nash eleven in four innings. Owing to the election, there will be no games tonight, but Mr. Boeckler and Mr. Mullen will meet Wednesday night, both gentlemen playing thirty-five points. The score:

Boeckler (35)—0 0 0 0 1 1 0 0 1 1 1 2 0 0 0 0 1 1 0 0 0
1 1 1 1 1 0 1 0 1 0 0 0 0 1 0 0 1 2 2 2 0 0 0 1 0 0

GOLFERS TO TOUR THE WEST.

David Bell and Willie Smith Going to the Pacific Slope.

STICKNEY PLAYING BRILLIANT GOLF.

Scintillant Youngster Defeated the Crack Veteran, McGee, in Most Decisive Fashion.

SOME GOOD SCORES MADE.

Burt McKinnie Put Up a Great Game Against Major Kennett—Hunt Turner One Up on J. H. Brookmire.

Play in the first round of the tournament for The Republic Championship Cup took place at the Field Club yesterday. That ever scintillant young man, Mr. Stickney, gave the veteran Mr. McGee quite a beating. Mr. Stickney won 8 up and 7 to play. He was at his very best, while Mr. McGee was not at all in form. In fact, the youngster never lost a hole, and Mr. McGee halved but 3 of 18 holes with him. The remaining 15 went to Mr. Stickney. The game of the young man was very brilliant. He did a 82 for the 18 holes, the best score ever made on the links in a tournament. He turned out a 47 going out and a 35 coming in. Golf like that would beat any one on the Field Club links.

Mr. Adams of Webster won from Wayman C. McCreery, 4 up and 3 to play. Mr. McCreery was in fine form, but his opponent is one of those tantalizing players who are always just good enough to win. Mr. McCreery's first round was a good one, 80, but he fell off on the second effort, which was a 61. Mr. Adams just hung with him, winning a hole now and then when Mr. McCreery was off his play and halving the good holes with ease and precision.

Major Kennett was unfortunate in falling a victim to his old and dangerous rival, Burt P. McKinnie. The latter won handily, 5 up and 3 to play. McKinnie was in very good form. He did a 48 for his last round. Mr. Kennett was very badly off on the putting greens and lost his match there.

Mr. Geraghty smothered J. R. Whittemore, 6 up and 5 to play. The former gentleman is playing very consistent golf just at present and will scare some of the real good men before the tournament is over. He was in very good form yesterday and won handily.

Mr. Vickery was also going good and got away with Mr. Gregg, a player of very high class, 3 up and 2 to play. Mr. Vickery is a golfer in style and build, and in a short time will be heard from among good men.

The most exciting match of the day was that between Messrs. Hunt Turner and J. H. Brookmire, the champion of 1898. After 20 holes of hard play, Mr. Turner won, 1 up. Neither gentleman was in anything like good form, but it was a very stubbornly contested match.

In the class B division, play was not general, but one match being played. In this, Mr. Lowry defeated D. O. Ives, 6 up and 5 to play. Mr. Lowry is the famous long-distance driver, and was at his very best in this department. As long whops count at the Field Club, Mr. Lowry did very well indeed.

In class C but one match was played. Mr. Elting beat Mr. Manny, 4 up and 2 to play. All the other class B, C and D matches will be played off this afternoon.

The day was simply perfect for golf, and the scoring was much better than it was in the qualifying rounds. The visiting players had learned the course, and the nervousness which medal play brings with it had quite disappeared.

Beginning at noon to-day the following pairs will compete in their respective classes:

Class B.

Cook vs. Kenrick.
Ives vs. Lowry.
Joy vs. Pierce.
Abadie vs. W. McKittrick.

Class C.

Temple vs. Annan.
J. S. Walker vs. Gordon.
Elting vs. Manny.
Wade vs. Tunham.

Class D.

Sheridan vs. H. C. Gilbert.
A. Terry vs. W. J. Gilbert.
Carter vs. Hebbard.
Coles vs. J. H. Kehlor.

EXCITING RACE AT LAKESIDE.

Field of Five Finished Whiskers Apart.

Chicago, Nov. 5.—One of the most exciting contests ever witnessed between race horses occurred in the fourth event at Lakeside this afternoon, in which the entire field of five finished so lapped on each other and so closely bunched that it was hard to tell which was first and which was last. BARNES HAS KICK COMING.

Medicos Explain Their Defeat by McKendree Saturday.

The Barnes Medics returned from Lebanon, Ill., after their game with McKendree, a sadder, but wiser, set of football players. According to Coach W. H. Allyn of the Barnes Medics, the McKendree team management promised to play a regular college team against the St. Louis outfit, but when the Medics lined up against their opponents they found themselves confronted with the very men McKendree had promised to keep out of the game, so it is claimed.

Barnes Medics were game, however, and decided to play the contest, come what may. Barnes had practiced but once for the game, and the way they tore up McKendree's offensive play showed that with some practice, the local team would be a dangerous rival for championship honors of St. Louis on the gridiron field.

There is plenty of available football material at Barnes and the management of the eleven will exert itself to get them out. Games with Marion-Sims, C. B. C. and other crack local teams are to be arranged and every effort will be made to bring Barnes to the front on the gridiron field.

Seats for everybody. Election returns received Western Union wire, Morgan Club, Jefferson avenue and Chestnut.

Acmes 4, Comptons 1.

The Acmes of the West End Cocked Hat League were at home to the Comptons and took all but the first game. Mitchell was high for the Acmes, with a 43 1-5 average, while Winter and Elstath were on top for the Comptons, with a 44 1-5 average. Score:

HIGH SCHOOL WILL TAKE NO CHANCES.

Declines a Chance to Go to Rolla and Play Their Second Team Saturday.

AFTER SMITH AND MANUAL.

Grand Avenue Boys Anxious to Win These Two Games—Coach Bernero Has Squad Practicing at Forest Park.

Pete Bernero has been installed as head coach of the High School football squad and will endeavor to select a team that will beat Smith Academy and Manual Training School. These two games are the most important that High has on her schedule. The Grand avenue lads are more confident of winning from Smith than they were this time last year.

Then Smith had full sway in the Interscholastic League, but High did the unexpected when she turned in and won from Smith on Thanksgiving Day. This year, on form, High has much the best of Smith.

The best line on the two elevens was furnished by their respective games with St. Louis University. High beat the "varsity outfit the only time they met this fall, while Smith went down to defeat in her only game with St. Louis U.

Bernero, who is coaching High this fall, is the former well-known C. B. C. and Washington player. He was a first-class man in his day, played with and against the best players seen on the local gridiron in recent years, and is up to all the tricks of the game. High followers have great confidence in his ability to develop a good team from the material available.

There was a great turnout of High's admirers to see the boys practice at Forest Park yesterday, but Bernero was disappointed at the failure of several of his best men to put in appearance.

Kinsey, the team's crack full back, was missing. In his absence Bernero had to substitute one of the second team. Substitutes are the proper caper in their place, but a coach always prefers regular men to work with. This is why Bernero growled like a bear yesterday when Kinsey did not show up.

"Rolla's second eleven has offered us a game for Saturday, but I don't think I shall let the boys accept their proposition," said Bernero yesterday. "They have a husky lot of big miners down there, and a hard game might cripple us up badly and interfere with our two big local games. We only have two big boys in our line, and it would not do to have either of them hurt on us at this stage of the game."

High is not going to be caught napping by Manual Training School. The Grand avenue lads have never underrated the Manual team, which surprised many local football critics when it licked Western M. A. last Saturday. Western has always had a good team in past years, and she has a fast one this fall, but Manual showed she was a trifle faster.

Manual has greatly improved over her standard of former years, and for the first time since the organization of the Interscholastic League gives some sign of cutting an important figure in local scholastic athletics.

C. B. C. CHANGES ITS LINE-UP.

Hickey Replaces Thixton at Quarter—Collins at Center.

Christian Brothers' College football men were upset in full force yesterday and as chipper as the day they had just been through a game of croquet, instead of the hardest gridiron battle they are likely to have this season.

Several changes were made in the line-up, some of which will be permanent, while one was for the purpose of knocking all the football ambition out of one youngster's head. Charlie O'Donohue was taken out of center and replaced by Collins, who weighs in the neighborhood of 200 pounds and thinks that he can roll the ball as a snapper back. The scrub team was given orders to plunge at the center, while it is said that the regulars did not back up that position as they were want to do when the Medicos tried to force a passage through O'Donohue.

Collins was given a hard lesson in what is expected of a first-class center. He says he will be on hand again to-morrow, but O'Donohue objects to have his position made the point of attack too often for fear the scrubs will form a habit that would not do him any good. C. B. C. scrubs delight in giving a regular that tired feeling, as it means that one of their number may be advanced to the first team.

The principal change was made at quarter back. Thixton, though playing a strong game, is regarded as too light and was replaced by Charles Hickey. The latter has the weight, speed and cleverness to make a good quarter back, but he has not had the experience in that position that is needed for so sudden a change. Hickey's position at half back will be filled by Henry Jackson of the track team.

The practice yesterday was fast and furious, regardless of the continual pounding at center.

The game between St. Louis U. and the college will be played Saturday, as originally arranged, although there was some doubt about it up to yesterday. The Brothers were thinking of playing a game with Central College on that day at Lafayette. The college has given the question of defeat at the hands of the Jesuits no thought whatever, as they are only wondering how large a score they can run up. The man who is most closely acquainted with the abilities of the eleven says that the score should be about sixty for the college and nil for the 'varsity. Such a large number of touchdowns as would be necessary for this score will hardly be made, as the St. Louis University boys are in the pink of condition, although they may not be playing a very strong game. They should be able to hold the C. B. C. line occasionally, while their speed will enable them to make a fair share of gains round one of the ends.

There is talk of another game between Marion-Sims and the college, as neither eleven seems to be satisfied with the result of Saturday's contest. It is poor policy to establish the precedent of playing two games in a single season, there are so many teams that think they could reverse a defeat if given a second trial. But when both teams are willing something is liable to result. A Marion-Sims man stated yesterday that his boys were ready for another game with C. B. C., while Coach Stone of the latter eleven is anxious to redeem the game if possible. Considering the way the game was played, it appears that the Medicos would do the smart thing by letting well enough alone.

MISSOURI DEFEATED ON HER OWN FIELD.

Nebraska University Won the Game Against a Desperate Defense.

SCORE TWELVE TO NOTHING.

Houx, Quarter Back, the Only Tiger Who Played Up to His Best Form—Team Is Weak on Offensive Play.

REPUBLIC SPECIAL.

Columbia, Mo., Nov. 5.—Nebraska defeated the Missouri Tigers on Rolling Field this afternoon in one of the most hotly contested games ever seen on the home grounds. The defensive work of both teams was good, but both were very weak on offense, Missouri being much the weaker of the two.

The best work for Nebraska was done by Cook at full back and Montgomery at right half. Both were almost sure for their gain when given the ball. Washer and Cooper did the best playing for Missouri. Yant, who played right half for Missouri, and who is a new man, played a good game and promises to become a star.

Missouri is very weak at ends. Douglass plays a snappy game, but is too light for the team. Smith, who played the other end, is a new man and lacks experience. Jenkins is having trouble with the faculty and could not play in this game. Captain Kruse played a very weak game at guard. Houx played his usual steady game at quarter for Missouri and ran his team well. Captain Brew, left tackle, and Crandal, left half back, played good ball for Nebraska.

The game was very clean and free from fumbles and foul play, there being only two penalties, and Nebraska was the offender in both cases for holding the line.

The only feature of the game was Crandal's forty-yard run for a touchdown in the first two minutes of play.

Nebraska Kicked Off.
