ST. LOUIS U. PUT UP A GOOD GAME.

'Varsity Held C. B. C. Down in the First Half, but Weakened at the End.

COLLEGE WON, SCORE 26 TO 6.

The Christian Brothers College football eleven beat the St. Louis University team by a score of 26 to 6 at Athletic Park yesterday. This was the first athletic contest between the two institutions in many years. St. Louis University had a much better team than the college, but while her boys were fresh and strong in the first half they held the Cole Dynamite Gang down in magnificent style.

St. Louis University started with a rush and scored the first touchdown of the game ten minutes after the contest started. C. B. C. duplicated the performance several minutes afterwards, which left the score a tie. Neither team was able to make another touchdown in this half. C. B. C. had the ball on St. Louis University's one-yard line a few minutes before the half ended, but lost it on a fumble.

Both teams' partisans booked over with enthusiasm during the exciting finish of the first half. Tom Cox, the trainer of the C. B. C. team, became so interested in the game that he overrushed on the field, and had to be chased off by a park policeman. Paul Dillon, one of St. Louis University's most enthusiastic rooters, suffered the same fate for attempting to coach his team from the side lines.

After their desperate work in the first half the 'varsity boys took the field for the last half pretty near all out. On the other hand, C. B. C.'s well-trained warriors appeared fresh and strong, and the way they went through 'varsity's outfit in every scrimmage made the game too one-sided to be interesting. Dougherty set the college rooters to work when he raced around the 'varsity's right for forty-five yards, and C. Hickey finished the flame of enthusiasm a few minutes later with another great spring of seventy-five yards around the 'varsity's right end. C. Hickey's fifty-yard dash through the left end was the best pyrotechnic performance of the afternoon, and the college enthusiasts were still screaming over it when darkness put an end to the game.

Much football promising to be at the game. Not a 'Varsity player was as much as scratched during the entire play, and the same eleven boys represented St. Louis University in both halves. Brockmeyer, for the college, was badly winded in the second half and retired in favor of Henry Jackson.

St. Louis U.'s Fast Start.

Captain Brockmeyer kicked off for C. B. C. to Mackman, who was downed after advancing the ball five yards. McLean, Mackman, McDowell and Maloney made gains for the 'Varsity on the tackle-back plan. McDowell then punted the ball to Kinney, of C. B. C. Hickey got the ball for the C. B. C. and returned it twenty yards before he was downed by Donohue, who made the prettiest tackle of the game. At this stage of the contest, the 'varsity aggregation gave their admirers a chance to enjoy a photo of the C. B. C. for downs on the contested ball.

When St. Louis University got the ball it was snapped to McLean, who wriggled through C. B. C.'s right guard for twenty-six yards. Maloney next advanced the pigskin five yards through right tackle, placing the ball in C. B. C.'s ten-yard line. St. Louis University was then give five yards for an offside play. McDowell carried it through right guard for three yards, while Maloney went through the center for a touchdown. McDowell kicked goal for St. Louis University ten minutes after the game started, putting the score 6 to 0 in favor of the 'varsity.

Brockmeyer kicked off again to Shaw, who advanced the ball five yards. Morrison and McLean also gained four yards and McLean two yards through left tackle and guard. McLean set St. Louis University's rooters cheering by running around C. B. C.'s right end for fifteen yards, carrying one of the biggest collegians on his back one-half the distance. Maloney next gained four yards through the center, and Taylor, for C. B. C., got the ball downed.

The college then pulled off a beautiful double pass—H. Jackson to C. Hickey—who skirted the 'varsity's right end for twenty yards, aided by some well interference. Dougherty then went around the left end for ten yards. Donaho's great tackling was the feature of the 'varsity's work in the scrimmages that followed. Brockmeyer and Cunningham made gains through the center for C. B. C. Brockmeyer then made a darling plug through the 'varsity's line for eight yards, putting the ball on St. Louis's one-yard line. Cunningham then pushed it home. Brockmeyer kicked goal for C. B. C., which made the score 6 to 6.

After the next kickoff, with the ball last seen down the field, C. B. C. was held for downs by St. Louis University. Neither colleagues got the 'varsity a dose of the same medicine immediately afterwards. Mass and Castle then ended C. B. C. to bring he ball to St. Louis University's one-yard line. Cunningham's fumble lost the pigskin for C. B. C. however. McDowell punted for fifteen yards. St. Louis University had the ball on her fifteen-yard line when time for the first half, which lasted thirty minutes, was called.

Collegians Set to the Game.

For the second half the collegians came on the field fresh and strong, while the 'varsity boys appared to show the effects of their hard work in the first half. On the kick-off McDowell sent the ball out of bounds. It was then given to C. B. C. in the center of the field. W. Hickey finished ten yards through left tackle, followed by Donohue for ten yards. Cunningham thirteen through left tackle, and C. Hickey fifteen through the center and Cunningham's fumble lost it for C. B. C. on a fumble. The 'varsity was unable to keep it long, however, C. B. C. getting it back again on downs on her own forty-yard line. C. Hickey and Cunningham each made gains of eight yards through right end. Then Dougherty got the ball and wiggled through a hole in right end. He had the whole field to himself when he got through and ran forty-five yards for a touchdown. Brockmeyer missed kicking goal, score 11 to 6 in favor of the college.

McDowell kicked off again for the 'varsity for twenty yards. Tanner got the ball and took it back three yards; then handed it to C. Hickey, who went around the right end for seventy-five yards, making C. B. C.'s third touchdown. Brockmeyer again missed kicking goal, score 16 to 6 in favor of the college.

McDowell kicked off once more, and Dougherty got on the ball for C. B. C. in the center of the field. Brockmeyer, C. Hickey and McGrath gained thirty-five yards on three plays through center, left end and left tackle. Brockmeyer was badly used in the third scrimmage and retired in favor of Henry Jackson. O'Donahue then went through right end for three yards, while McLean advanced the ball eighteen yards on two plays around right end. Jackson then went around right tackle for fifteen yards, scoring a touchdown. There was a cliff when looking at both time and Brockmeyer missed kicking goal, score 21 to 6 in favor of the college.

Dougherty's gain of fifteen yards around right end and C. Hickey's run of fifty around left tackle and left end started C. B. C. off in good shape for her fifth and last touchdown. Maloney tackled and dropped Hickey after the latter made his fifty-yard gain, but Hickey advanced the ball eighteen yards on two more plays. The ball was then given to Cunningham, who was pushed over for a touchdown. Brockmeyer missed goal, score 26 to 6 in favor of the college. The line-up and summary will be found below.

WESTERNS FORFEIT TO SMITH.

Had the Best of the Academy Until the Dispute Arose.

REPUBLIC SPECIAL.

Alton, Ill., Nov. 10.—The game between the Western Military Academy and Smith Academy of St. Louis at Sportsman's Park this afternoon was declared forfeited to Smith by Umpire Jeffrey after a prolonged dispute in the second half as to whether Referee Dodge had blown his whistle on a down ball.

Before the disputed play was made the score was 6 to 6 in favor of Western. At this point Western lost the ball on downs, and Glaser of Smith secured the ball and ran over the goal line. Western apparently made no effort to stop him, claiming the referee had blown his whistle, and upon the touchdown being allowed Western entered a protest and refused to play. This was just four minutes before the end of the second half, and Umpire Jeffrey gave the game to Smith. The Western say they will protest the game to the official board of the Interscholastic League.

Aside from the unfortunate dispute, the game was a pretty exhibition between two apparently evenly matched teams. Up to the time of the trouble Western had a decided advantage. In the first half Western kicked off, Smith returned and kicked the ball out of bounds. Western got the ball, then carried it down the field on straight plays and a twenty-yard run by England to the ten-yard line, where they were held on downs. Foster of Smith made a thirty-yard run, then Smith was held and kicked the ball out of bounds, giving Western the ball on the twenty-yard line. After a few bucks Scullin made a brilliant sixty-five-yard run and touchdown, which was made possible by good interference by the whole team. Score, W. M. A. 6; Smith Academy, 0.

Smith kicked off, and England returned the ball twenty-five yards. The ball changed hands several times and when time was called it was in possession of the Westerns on the thirty-five-yard line. Smith punted repeatedly, not being able to advance the ball the necessary distance either by runs or kicks. The half was a fine exhibition of good play and excellent head work on the part of both teams. In the second half Smith kicked off to Spellman, who returned the ball twenty-five yards. Western took the ball rapidly down to Smith's forty-yard line. Here Morris secured the ball on a fumble, and Smith was held, and passed to Hertz, who fumbled and lost the ball. Smith backed down to Western's twenty-yard line and were held on downs. Western was held and lost the ball on downs. At this point the dispute arose which ended the game.

The line-up:

W. M. A.	Position.	Smith.
Hamilton	Right end	Quesell
Haight	Right tackle	Foster
Stewart	Right guard	Glaser
Smith	Center	Hertz
Kirby	Left guard	Bell
Lowe	Left tackle	Pegelow
Dougherty	Left end	Pegelow
Morris	Quarter back	Sterns
Spellman	Right half back	Scullin
Rodgers	Fullback	Mott
England	Left half back	Foster

Referee—Dodge. Umpire—Jeffrey. Time—Twenty-five minutes each half. Touchdowns—Scullin, Glaser. Goal from touchdown—Foster. Time of halves—Twenty and twenty-five minutes.

The race for leading honors in the Interscholastic League is now nearing the close, although there are still a few games to be played.

The standing after yesterday's games follows:

Teams	Won.	Lost.	P.C.
Smith Academy	1	0	1.000

MEDICAL STUDENTS WRANGLED.

Marion-Sims Finally Won From the Barnes Medics After Much Arguing.

Students representing two colleges of medicine met on the gridiron at Sportsman's Park yesterday afternoon and gave a twenty-act comedy of errors, although they intended to play two ten-minute halves of a football game. The time consumed was one hour and twenty minutes in a game which should not have taken over forty minutes at the most.

Marion-Sims won the struggle from the Barnes medics with a score of 12 to 6. The fire for the Barnes men was a great surprise to the Marion-Sims team, and to the spectators as well. It was thought that the men who beat C. B. C. would make about ten touchdowns against the green men, who were made to look cheap by the High School team Friday.

There were two football players on the Barnes eleven—Waller Allyn and Reese. The former played on the St. Louis University Alumni eleven last Thanksgiving and yesterday he kicked a goal with a drop kick from the twenty-five yard line. The drop was a beauty, and the first one that has been made by a local player this season. The scarcity of drop kickers has caused a great deal of comment among those who like to see a kicking game. Allyn's work all through was the feature of the Barnes's work, while Reese, who is a little fellow, kept the Marion-Sims boys busy trying to make gain round the end of the line.

Mr. Cottin refereed the contest and gave a wicked exhibition of changing rules to suit himself. In one instance George Baker went over the line for a touchdown and some member of the Barnes eleven claimed that the right guard of the winning team was off-side. The referee at once brought the men back to the seven-yard mark, where the play started, and then penalized the Marion-Sims ten yards, while the records plainly that when the ball is within fifteen yards of the goal line the penalty can be but five yards.

George Baker scored the first touchdown that was allowed, in the first half, after Henderson, the new right half back of Marion-Sims, had made a nice run round right end for a gain of twenty-five yards. Pim kicked an easy goal. That was the only score of the first half, which was very much delayed owing to a dispute over a quarter back kick which the Barnes man and Referee Cottin claimed was off-side, though no one else on the field could see how.

The Barnes captain, Hoxsey, wanted to draw straws to decide which team should have possession of the ball. That was about the tenor of the entire game, as it was one continual argument from beginning to end.

On a well-handled quarter-back kick, Dente Cole went over for the second touchdown, crowded in Marion-Sims. Once more Pim kicked an easy goal.

Barnes's chance came after a kicking rally in which the latter eleven gained the advantage more through luck than by good work. The ball was out to Barnes on Marion-Sims' twenty-five-yard line, and then the drop kick came, giving the green team all that it was looking for, a score against Marion-Sims. After that the arguing was worse than ever.

The line-up follows:

M.-S.	Positions.	Barnes.
Henry H. Baker	Right end	Nichols
Lewis	Right tackle	Tuson
Miller	Right guard	Hoxsey
Sutherland	Center	Miles
Henry	Left guard	Gough
Schroeder	Left tackle	Van Zant
Cole	Left end	Reese
Hardin	Quarter back	Pim
Cummins	Right half back	Allyn
G. Baker (capt.)	Left half back	Hoxsey (capt.)
Pim	Full back	W. Allyn

Referee—Cottin. Umpire—Wells. Time—Twenty-five minutes each half. Touchdowns—Baker, Cole. Goals from touchdowns—Pim 2. Goal from field—Allyn.

HIGH WON FROM ALUMNI.

Scored Two Touchdowns Against the East St. Louis Eleven.

East St. Louis High School and St. Louis High School football teams met each other yesterday afternoon on the High School campus. The score was 12 to 0 in favor of St. Louis.

Between the St. Louis coach, endeavored to play in the game, but was not permitted to do so.

Sherrer's 35-yard run decided Eastern St. Louis to score in the first half.

Kinney's run through left end and a run through the green around right end completed the work that pushed St. Louis to score. Kinney's goal kicks were good.

Berkley of the St. Louis team was injured in the first half, and was replaced by Nicholson. Poor passing and runs were responsible for nearly large gains.

ROBINSON AND CORCORAN.

Will Return to the Association Game and Play for the Shamrocks.

Another double-header will be played by the association football teams on the Christian Brothers' College campus this afternoon. The first contest will be between the Cycling Club and the Shamrocks. With "Big Bobby" and Tom Molloy again in line for the warriors of the green, they should make it very warm for the cyclists. There is but one point separating the two teams at present, and the winner of this afternoon's game will lead the league. The line-up follows:

Cyclists.	Position.	Shamrocks.
Troy	Goal	F. Fagg
Gilman	Full back	W. Fagg
H. Donnelly	Full back	Lewis
Lowe	Half back	Harper
Hampton	Half back	Robinson
Cannon	Forward	Young
Daly	Forward	Sheehy
J. Donnelly	Forward	Mullen
Sloan	Forward	Bane
Cameron	Forward	Rooney

Immediately after the first game the C. B. Cs and Globes will come together. As both clubs have added several new men to their roster, the struggle for score should be about as interesting as any that has been played this fall. Mackmeyer, Clarke and Corcoran will make their first appearance of the season as and in C. B. C. uniforms.

The line-up:

C. B. C.	Position.	Globes.
Brame	Goal	O'Connell
Rettinger	Full back	King
Corcoran	Full back	Ryan
Flanagan	Half back	Brown
Clarke	Half back	Gallagher
Sweeney	Half back	Green
Grannan	Forward	Davis
Kavanaugh	Forward	Hines
Brown	Forward	Mackmeyer
Sigwart	Forward	La Rouge
Dale	Forward	Lynch

Ice Palace Opening.

The Athletic Ice Palace will open its doors to the public Thanksgiving Day, November 29, with new and special attractions. There has been a good many changes in the palace since last season. The management will be under the general direction of F. G. Manning, and his purpose is to make this season far surpass the previous ones. The galleries have been increased and will have steam heat, so as to enable the spectators to view the ice surface without dread of catching cold. Latest skating records will be made and other improvements have been arranged. Nothing but temperance drinks will be served. During the season there will be eight mask carnivals, and Manager Manning promises to have all the latest attractions on the ice during the season.
