OIL — OIL — OIL

ORISPO OIL COMPANY.

First Offer of Stock.

OTHERS MAKE FORTUNES.

WHY NOT YOU?

MILLIONS ARE BEING MADE EVERY DAY IN THE OIL BUSINESS. YOU KNOW THIS TO BE A FACT. NO NEED TO CONVINCE YOU.

Probably some of your friends are among the fortunate ones. Don't say LUCKY ones. There's no luck about it. Just enterprise—good sense, that's all.

We could fill a column with the names of people who have made fortunes within the last six months. Did you? If not, why not?

Is one illustration enough? The REED OIL CO. recently sold for $1,000,000, netting within one year $20,000 for each $50 invested.

Are you ready NOW to put a little money into the development of a property in the heart of the famous SAN ARDO DISTRICT of California?

No stock offered in our district at the prices we quote. Many stocks put on the market at 10, 15 or 25 cents per share.

We have 400 acres in the choicest OIL DISTRICT of California, wells on all sides and OIL SAND entire length of property.

We are putting up all expenses of placing property on the market that every cent received for stock may be used to drill wells.

Only a small block of TREASURY STOCK for sale; NO STOCK belonging to owners or promoters on the market.

Stock now offered at rock-bottom, ground-floor prices. Within a few days same will be advanced.

If, as we fully expect, we strike good well within next 90 days there won't be any stock for sale at ANY PRICE.

Any company can say: Get in NOW. Get in on the GROUND FLOOR. Don't you think WE ARE WARRANTED IN SAYING SO—SAYING SO HARD?

Remember, we have the LAND; we haven't the money to drill wells. We are willing to divide with the fellow who will drill the wells.

That's the whole proposition in a nutshell—it's on the square, and you may depend on getting what belongs to you.

There's no dodging the fact, either, that we want to sell you an interest. We can't swing it alone. Half loaf is better than no bread.

It's sort of bad form to "blow one's own horn," but we must mention the fact that the ORISPO people are NOT professional speculators.

If you want to know that they are men of sterling integrity and business enterprise, ask for information. It's free.

If you want to be part of a company of this kind the following prices—ground floor—will interest you:
