For Sale.

A FEW reasons why we can sell furniture, carpets, refrigerators, etc., cheaper than the regular furniture houses: our furniture department is a side line, run on a strictly cash basis; our storage business pays the rent; we do not pay for large, flashy advertisements; in fact, we are under one-fourth the expense of a furniture house; therefore we can afford to sell at a much smaller profit; call and compare our prices. Langan & Taylor Storage Co., 1823 Washington ave.
