Woodmen of the World.

Chopper Camp had an excellent attendance Friday evening, initiated three candidates and acted on four applications. For the excellent work done during the past year, East Council Commander Fred Wenzel was presented with a handsome past council commander's charm by the members of the camp.

Sovereign William Evans of Botanical Camp has been doing good work in De Soto the past two weeks in the interest of the new camp at that place.

Mount Auburn Camp has broken all records in the matter of receiving new applications since the beginning of the year, and now has thirty-four pending, seventeen of which were received last Friday evening. The members are jubilant and are working hard to double the membership in the first month.

Magnolia Camp initiated seven candidates and installed officers at Friday evening's meeting. Two delegates to the head camp convention were also elected.

Sovereign William H. Hughes was called to Omaha the past week on important business connected with the order.

Mercantile Camp had a good attendance Saturday evening, Consul Commander James Akers presiding. The new officers have taken hold of the camp's affairs with enthusiasm, and promise good results during the coming year. At the first February meeting several new features will be introduced and refreshments served.

Benton Camp initiated two candidates and had a good attendance. The camp will hold its annual ball, in conjunction with Sylvan Camp, at Military Hall, Saturday evening, February 14.

Botanical Camp initiated four candidates Monday evening and received three applications. Retiring Consul Commander Ben Moyer was surprised by his friends, an elegant past commander's emblem being presented to him for his earnest work during 1902.

THE SPANISH CLUB ELECTION.

New Officers Are Elected and Entertainments Arranged.

At the annual business meeting of the Spanish-American Club, at the clubhouse, No. 3294 Lucas avenue, on Friday evening, the following officers were elected: President, August Boette; first vice president, E. B. Filsinger; second vice president, G. H. Schwartz; third vice president, H. O. Stickel; corresponding secretary, A. R. Verdier; financial secretary, Henry Guentz; treasurer, August Gerling.

The reports of the several committees indicated a prosperous condition, and showed a large increase in membership. It was noted that great interest is being taken in Latin-American affairs, and the number of persons studying Spanish in St. Louis at present is larger than ever before.

On next Friday evening the club will give its monthly informal reception, and an interesting programme is being arranged. There will be recitations in Spanish, Spanish vocal and musical selections, and it is expected that prominent business men, as well as officials of the World's Fair, will be present. Among the latter will be Ricardo Diaz Albertini, secretary of the Committee on Reception, who will make a short address, and it is possible that remarks will also be made by some other prominent visitors.
