JOCKEY SHEEHAN RULED OFF TURF

Judge Brady Punishes Crack Rider for Inefficient Ride on Miss Crawford.

PETTIJOHN WINS HANDICAP.

Stubbs's Horse Lucky to Beat Lew Dorsey by a Head—Mocorito and Happy Chappy First in Sprints.

Jockey Sheehan was indefinitely suspended by Judge Brady for an inefficient ride on Miss Crawford in the first race at the Fair Grounds yesterday. Indefinitely suspended means ruled off the turf and denied all privileges of riding, training or seeding races on licensed race tracks.

Miss Crawford was a 1-10-2 favorite in the betting. The race was admittedly at her mercy. Sheehan got her off fast in a good start. She did not display her usual speed, and held a poor position to the upper turn. There she moved up like a winner for an eighth or so. At the stretch turn it seemed that she would win, but Sheehan took her very wide. She did not show any speed at all.

Sheehan was holding her hard in the stretch run and shaking his whip, but not hitting her. The spectators along the quarter stretch began to jeer the jockey for his wanton effort.

"Don't hit her or she will win." "Look out, you'll be third if you ain't careful." "Let her go; let her go," and other such cries.

In the last fifty yards Sheehan gave the filly her head. She closed up fast then, but was beaten the result by Lord Hermence and Lady Free Knight.

As Sheehan walked back to the jockey room the spectators hooted and hissed. Judge Brady at once suspended him.

LORD HERMENCE WINS.

Lady Free Knight at least led all the pace to the last fifty yards, here Lord Hermence, at 25, caught and passed her. Bugler was a troublesome fourth.

Charley Daniels thought that Lord Hermence should have beaten Miss Crawford on Saturday last, and that his colt did not run his race that day. Maybe not, but Bugler shows the race up in its true colors. Lord Hermence beat him a neck on Saturday. With three pounds less and a much better boy up, Lord Hermence beat Bugler a length yesterday. So, if Hermence ran an improved race, Bugler did so, too. Same way weighted, Miss Crawford beat Bugler twice and Lord Hermence four lengths in a gallop on Saturday. She ran one-eighth of a mile around the stretch turn and cantered the rest of the way. Dominick, who rode her, said she could have run in 1:08¾. That means she could have run in 1:22 yesterday.

PETTIJOHN WAS LUCKY.

Pettijohn, at 16 to 5, won the feature race at a mile and one-eighth, by a head from Lew Dorsey, a 10-to-1 shot. Kingstelle, at 8-5, set the pace, with Dorsey, Beesie McCarthy and Pettijohn in pursuit. Kingstelle tired at the seven furlongs and Pettijohn dashed up fast and led into the stretch by two lengths. Dorsey followed and McCarthy came along.

Pettijohn looked an easy winner to the last sixteenth pole, but tired badly and was all out to beat Dorsey a head. Kingstelle shut off McCarthy as she was closing fast and Austin had to take her up in the stretch. She would probably have won but for this.

Mocorito, at 3-8, won the second race in a gallop. Enclan at a false price of 10s landed the third event.

The fifth went to Happy Chappy at 108, though Maverick and Jake Weber ran like better horses. The sixth was won by the 26-to-1 shot Kingscourt, from a bad lot.

BETTING ON BIG FOOTBALL GAME.

Columbia Supporters Back Yale Down to 2 to 1.

REPUBLIC SPECIAL.

New York, Oct. 30.—Betting on the big football game to-morrow between Yale and Columbia on the Polo Grounds was almost as brisk in the Wall street districts this afternoon as speculation on the mayoralty election. Stocks were practically forgotten, and all talk and argument was on the relative merits of the gridiron warriors of Old Eli and Columbia.

All along the New Haven team has ruled favorite at odds of 3 to 1, but big bunches of Columbia money showed this afternoon, and it was not long before the odds receded to 2 to 1. There was Yale money to cover all offered on Columbia, and the afternoon saw at least $25,000 placed on the result of the game.

The two teams had their last practice this afternoon preparatory to the game.

YALE CONFIDENT.

New Haven, Conn., Oct. 30.—Yale's football eleven departed to-night for New York without any demonstration on the part of students to encourage them, so confident is Yale of taking the game handily from Columbia. It was too warm to-day for any signal practice, and the first and second teams were practiced only in running back the ball on kick-offs. Individuals, like Bowman, Mitchell and Metcalfe, were practiced in their specialties. Coach Chadwick said the eleven will start the game as follows: Rafferty, left end; Kinney, left tackle; Morton, left guard; Boraback, center; Batchelder, right guard; Hogan, right tackle; Shevlin, right end; Rockwell, quarter back; Owsley, left half back; Metcalfe, right half back; Bowman, full back.

LIGHT PRACTICE FOR HARVARD.

Cambridge Lads Ready for Go With Carlisle Indians.

REPUBLIC SPECIAL.

Cambridge, Mass., Oct. 30.—The Harvard football team indulged only in light practice to-day, in anticipation of the game with the Carlisle Indians to-morrow.

Harvard expects to win easily. The halves will be twenty-five minutes, the longest that Harvard has played thus far this season, and it is extremely unlikely that many of her first string will be able to play throughout the game, as none of the men is in first-class condition. The line-up of the Harvard team will not be settled until to-morrow. There was only preliminary work and signal practice for the 'varsity to-day. Later the subs and the second lined up for fifteen minutes' scrimmage, and the scrubs scored on a touchdown, and Noyes dropped a pretty goal from the forty-yard line.

After some lengthy correspondence Washington University has succeeded in having the game with the School of Mines team shifted to this city and the elevens will play at League Park to-day instead of at Rolla.

Owing to rumors of unpleasantness for the Washington team in case it visited Rolla, and on account of one or two deals the local men have had handed out to them while visiting that town, Manager Smith decided that the match should be played here.

He opened negotiations to this effect and, after considerable argument over locality and officials, had the game settled for competition here. It will add a third match to the card of this afternoon, which was expected to consist of but two games.

Horace Dyer and Howard Rocgher have been selected as officials. Both are good men and satisfactory to the teams. The question of officials had been a subject of discussion between the managers of the two teams, but no objection was raised when the names of Roogher and Dyer were proposed.

They officiated in the contest with Northwestern here and served acceptably to all.

Washington's squad has had none too much practice this week. The men took a lay off, evidently believing that the game with Rolla would be called off altogether. Probably not more than two days' practice was gone through with this week.

Schantl will probably be back in the line to-day, and the team will be strengthened over its last game. With some additions and with the men in fairly good shape, Coach Boynton is reasonably hopeful of the outlook.

The Miners are said to have a husky team, however, and the contest should be good. The game is scheduled to start at 3 o'clock, half an hour before the regular time for opening games here.

Doctor Todd's squad at the Christian Brothers will have the hardest struggle they have yet experienced when they line up against Kirksville on the C. B. C.'s campus this afternoon. The visitors seem the stronger of the two, but the C. B. C. team is said to have improved over its last match.

Jordan will be back in the Christian Brothers' line. Otherwise, the team will play with the same makeup as it has done throughout the season. The local men will likely be somewhat outweighed by the visitors, as Kirksville has a heavy team this year.

Jimmy Riordan will play at full back and will be the dependence of the college when it comes to putting Roberts, Long and Jordan will form the center of the line that is scheduled to keep the visitors from breaking through to him.

This game will be opened a quarter of an hour earlier than is customary, and will be played at 3:15 p. m.

Manual Training School and the Smith Academy will tie up in the third game of the interscholastic series to-day. High School and Eliot being scheduled to furnish the other match at Macon. The local game will be played at Sportsman's Park.

It appears as if Smith Academy ought to win his match. The red and white team outweighs the Manual eleven, has played more games, had a longer period of practice and seems to have the edge generally over their opponents. The Smith line, in particular, should hold that of the opposing team easily safe.

Stanard, Charles Smith Klipstein and Brown form a quartet in the front division of the Smith eleven but Manual cannot show anything to compare with Stanard has been doing good work this year and will probably be a mark for the Manual team to block every time. He has made most of his gains for the Smith team, so far as linemen are concerned.

Krausch may get back in the game to-day, although Hoevel is scheduled to play at full back. Curby will play at his old post of right end, and he and Hoevel will divide the punting between them.

Chase, it is said, will not play with Manual to-day on account of an injury to his ankle. This will weaken the team considerably. Chase has been one of the ground gainers in the back field, and Tibbets will probably take his place.

The game will start about 3:30 p. m.

Yale ties up with Columbia at New York to-day. After their victory over Pennsylvania last Saturday, the New Yorkers are feeling confident that they can defeat the New Haven bunch. Whether they can or not, Dodd's match will show. There is no evidence of any lack of Yale money in what betting on the contest is reported from New York.

Harvard plays the Carlisle Indians at Cambridge. This game ought to make Harvard extend itself at least. Pennsylvania is opposed to Bucknell, and surely ought to beat that institution. The defeat of last week caught a lot of the Quakers good. They had fancied that they were invincible this year, but that their belief overthrown.

Wisconsin meets Chicago at Milwaukee. Michigan plays Minnesota at Minneapolis. Northwestern plays Illinois at Springfield. This trio of games is the best presented to followers of football in the West for many a day. Each match should afford a first-class exhibition of the game.

WILL NOT PROSECUTE RHOADES.

Man Who Tried to "Ring" Natalie II. for Intrue Discharged.

Prosecuting Attorney Johnston of St. Louis County yesterday nolle prossed the case against Oscar Rhodes, who was charged with entering a "ringer" in a horse race at the Delmar race track.

Rhodes had been in jail for three months. He was arrested at the instance of the race track management, when it was discovered that a mare named Abbie L. had been entered under the name of Intrue. Rhodes had been employed by a man named Chilson to train the horse. Chilson could not be found and the trainer was arrested. He was indicted by the Grand Jury, but the evidence yesterday, the day set for his trial, was not deemed sufficient for a conviction.

Rhodes now declares that he will sue the Delmar Jockey Club for the charge of malicious prosecution. Both Abbie L. and Intrue have been at Clayton since his arrest, but will probably be sold now to satisfy a trainer's lien.

DR. DUFF'S QUICK, CERTAIN AND SAFE CURE FOR

VARICOCELE

CHAS. A. DUFF, M. D.

I am a Varicocele Specialist, Not a Pretentious "Cure All."

The only known method that cures the disease without a surgical operation, loss of blood, the least bit of pain and not interfering with occupation.

My treatment by Acupuncture and Absorption checks the overflow of blood to the scrotal veins and removes the stagnant blood that obstructs the circulation so that the sanguinic nerves, the weakness of which causes Varicocele, are restored to a healthy and normal circulation to the organs is resumed without a sign or symptom of Varicocele ever returning.

In treating Varicocele it is always necessary to cure the complications, if the disease has been neglected which are often worse than the cause, and I never dismiss a patient until I have restored the organs to their natural size, strength and soundness, revitalized the nervous system so that nervousness disappears, stopped all vital drains and emissions, revived sexual power and renewed the body with a robust condition and perfect health.

There are thousands of men deceived by unskilled doctors who claim to cure Varicocele by applications of medicines, electricity, suspensories and many other deceptive schemes, and this is why there are so many who have become so skeptical as to think there is no cure for them. There never was a cure for Varicocele except by surgical operation or by method of Acupuncture. Surgical operations are often dangerous, unsuccessful and painful.

No Cure, No Pay.—Every patient is given a written guarantee to refund every dollar paid for services in a stated length of time if they do not receive a complete, lasting cure and entire satisfaction, and a deposit of $1,000 has been made in the United States Trust Co. of St. Louis to secure any contract that is made.

Consultation Free, Confidential and Invited, both at office and by correspond ence. Terms are always made to suit the convenience of any one applying for treatment, and very reasonable charges. Do not treat elsewhere until you have investigated my methods and terms. Office hours, during week, 9 a. m. to 8 p. m.; Sundays, 9 to 1.
