Makes Men Vigorous.

For the return of that youthful feeling of manhood a prominent Detroit physician and specialist is in possession of a receipt which he has himself used in his own extensive private practice with the most startling success. Though the years have passed its equal has never been found and with it thousands of weak men have brought about the cures they so much longed for. The doctor willingly sends the formula entirely free to any man who writes him for it, and they will find it a gift of lasting value. It is good for sexual weakness, lost manhood, nervousness, weak back, sciatica, varicocele, lack of force, prostatic ills, night sweats, inability and the many other embarrassing conditions that befall the manly imperfect man. It creates an immediate special feeling, warmth and good nature, uses active blood, fills the cuticular tissues, gives the nervous system and becomes bodily confidence. It makes the man of 45 as good as at 25, and the young man again eager for society and fit for marriage and parenthood. Satisfactory results are produced in a few days, and a perfect cure in a few weeks, regardless of age or the cause of your condition.

If you need such a remedy send your name and address to-day to the Dr. Knapp Med. Co., 567 Hull bldg., Detroit, Mich., and in an unmarked envelope the doctor will at once send you the receipt, as mentioned, explaining in detail what ingredients to use and how to compound them so that any weak man can cure himself in his own home without being under obligations to anyone. It costs you nothing and the sooner you write the sooner you will be cured.
