ARCH OLDHAM MAY WIN FROM ZINDA

Southern Two-Year-Old Seems Likely Winner in Event To Day.

MAE DAY A POSSIBILITY.

Elliott Mare Should Be Able to Defeat Bas d'Or and Flying Torpedo—Bradwarlin Looks Well.

Although a quartet of the speediest youngsters at the Fair Grounds are entered in the third event at the old course to-day, it looks as if one candidate stands out well to the fore here, and that is Arch Oldham.

Distance and weight will favor the Southern colt, and it seems as if he should surely turn the trick over his field. His last race, over a sticky and holding track and under circumstances which prevented the use of his extreme early speed, can be thrown out in this case.

Arlena, Zinda and Darthula look to be the contenders, and of these Arlena has a terrific burst of sprinting ability in the early stages. In fact, it seems as if she has a little too much for her own good here, and it seems as if Arch Oldham had a fair chance to run her off her feet.

Zinda has considerable speed herself in the early stages. She seems most likely to give Arch Oldham an argument. On a fast track, however, Oldham looks the best, and it seems as if he must be selected to win from Zinda and Darthula.

Darthula beat Zinda in a recent race, run over a heavy track, finishing third and a trifle ahead of the Tom Hayes filly. She is owned by Will Hayes, and it seems as if two members of the name have a chance to break into the money back of the speedy Oldham.

One race which should offer a high-class contest is the fourth on the card. Here Miss Mae Day is asked to beat Bas d'Or and Flying Torpedo, and it seems as if she could do it. Jack Young and Byron Rose will doubtless have followings here, but it seems as if the trio named can be preferred.

Bas d'Or won from Flying Torpedo by a narrow margin Saturday. To-day, there is a three-pound shift of weights in Torpedo's favor. But, considering the manner in which Bas d'Or finished, it looks as if he can still hold his opponent safe. And the time in which that race was run seems to lessen the chances of Jack Young and Byron Rose.

Miss Mae Day seems the dangerous contender and the logical winner. The weight will hardly trouble the mare and she ought to beat her field to-day.

The fifth race is a six-furlong affair for fillies and mares. Here Dolly Grey stands out prominently. Evening Star is in with twelve pounds more than she carried Saturday, but it seems as if this twelve pounds ought to put her behind the Hayes mare. Mattie H. ought to do something here, if she can show a flash of her early season form. Miss Betty may be able to do something at a shorter distance than her recent races.

The last race, a distance affair, offers a hard problem between Flyer, Iras, Buccleuth and Goo Goo. Iras seems hardly a fit candidate for first honors and Flyer weakened a bit in his last race, when Elie nabbed him. It looks as if Goo Goo can be accorded precedence.

Goo Goo, Flyer and Leenja seem to be the order in which the event should go. And it should result in a tight finish, at that.

Caterpiller looks well in the second race, although the Schwacker stable is expecting great things of Bandillo. Tally H. looks well in the same event. The three should finish in the order named, although such abundant opportunity is offered for an upset that definite selections seem out of order.

The opening event seems to promise a chance for Bradwarlin. Fred Priesmeyer looks to be a contender, but Bradwarlin seems to have the edge over him here. Piller looks well for show money.

With a fast track to-day, more fast time can be expected. And it seems as if the mile-and-seventy-yard race ought to produce something good in this direction.

NEW TRACK RECORD AT SARATOGA

Keene's Delhi Covers Mile in Good Time of 1:37 3-5.

Saratoga, N. Y., Aug. 2.—Newton Benington's 2-year-old Hello, won The Mohawk, the stake feature at Saratoga, today in impressive fashion. Passing under the wire, Hello was two and a half lengths in front of Champlain, Frank Farrel's Gonsalvo—Lillian Belle colt. Champlain then took the lead and made the running until the stretch was reached. At this point Hello came up under a hard ride by O'Neil and took the lead and race. In the last few jumps Boheall, favorite, ridden by Sperling, an apprentice, advanced from the ruck and finished strong in third position.

The track was fast, the crowd fair-sized and the fields large.

The best race of the day was the last, in which Mr. Keene's great colt Delhi covered the mile in 1:37 3-5, making a track record, and coming within one-fifth of a second of Dick Welles's world's record. Delhi is a candidate for the Great Republic, the richest stake of the meeting. Summary:

First race, five and a half furlongs—McChord, 114 (J. Martin), 2 to 5, won; Jack Lery, 114 (Odom), 4 to 1, second; Broadcloth, 110 (Burns), 40 to 1, third. Time, 1:07 4-5. Hot Shot and Cajer Blance also ran.

Second race, one mile and a sixteenth, on turf—Ascetic, 91 (Crimmins), 10 to 1, won; Allan, 102 (Cormack), 5 to 1, second; Requiter, 102 (H. Phillips), 4 to 1, third. Time, 1:49 Mackey Dwyer and Tegan also ran.

Third race, five and a half furlongs—Calvagorn, 112 (Lyne), 20 to 1, won; Sigflint, 112 (H. Phillips), 15 to 1, second; Prince Hamburg, 112 (Shaw), 1 to 2, third. Time, 1:08. Sinister, Gianello, Allmeer, Yorkshire Lad, Sausberry and King Cole also ran.

Fourth race, the Mohawk, one mile and an eighth—Hello, 107 (O'Neill), 4 to 1, won; Champlain, 101 (Walsh), 15 to 1, second; Boheall (Sperling), 9 to 10, third. Time, 1:54 4-5. Reveille and Mountebank also ran. Dimple left.

Fifth race, six furlongs—Orly II, 107 (O'Neill), 6 to 5, won; Automaster, 107 (Cormack), 8 to 1, second; Commonitia, 105 (Burns), 20 to 1, third. Time, 1:14. Rawhide Adrintha, Black Socks, Jimmy Lane, Silverfoot, Blatre, The Captain, Margaret O., Maury, Memphis, Briery, Rathbride, Allinda, Wayfarer, Phantom and Barclay also ran.

Sixth race, one mile—Delhi, 112 (Redfern), 11 to 10, won; Grey Friar, 98 (H. Phillips), 7 to 1, second; Fort Hunter, 107 (Wonderly), 60 to 1, third. Time, 1:37 3-5. High Chancellor, Hamburg Belle, Gold Money and Pennant also ran.

THE ORIGIN, STAGES, DEATH-DEALING COURSE AND CERTAIN CURE FOR
BLOOD POISON.
My Serum Specific Treatment for Blood Poison is the Only Remedy known to absolutely cure the disease, removing every trace of poisonous taint and rebuilding the entire system from the damaging effects of Mercury and Potash, leaving the patient with new flesh, new blood, new bones and in perfect health.
My method of curing Blood Poison is by a Specific Serum that I introduce into the blood by subcutaneous injection (hypodermic) and internally, and by its antagonism to the virus of blood poison the taint is ejected from the body as well as the counteraction and removal of mercury and potash poisoning. My serum treatment reorganizes the corpuscles of the blood, disorganizes, neutralizes and expels all poison from the system, and the corpuscles are renewed with fresh pure blood, which supplies the tissues that rebuild the entire human organism, so that the whole body is restored to its normal size, strength and soundness. I can offer no better evidence of reliability that I claim for Specific Serum than the many I have cured, some of them bedfast, body a shield of blood-poison sores, loss of eyesight, hair and eyebrows, or some vital organ, locomotor ataxia, and apparently doomed; and within three months after beginning my course of treatment they are entirely cured, robust and healthy, without a symptom ever recurring at any time. The positive effects of Specific Serum are noticeable immediately, as the hair resumes its growth, all manifestations of the disease disappear, the patient begins to increase in weight by the addition of sound, healthy flesh; the skin gets clear and rosy by being supplied with poisonless blood, and in ordinary cases, in one month after commencing, the victim feels that his burden of disease is lifted. It drives the poison out of the bones, so that all aches and pains are no more.
