Stop Suffering

I will gladly give you a full dollar's worth of my remedy to test.

Nothing to deposit. Nothing to promise. The dollar be the is free. Your Druggist, on my order, will hand you a full dollar's worth and send me the bill.

No one else has ever tried so hard to remove every possible excuse for doubt.

In eighty thousand communities—in more than a million homes—my remedy is known. There are there all around you—your friends and neighbors, perhaps—whose suffering it has relieved. There is not a physician anywhere who dares tell you I am wrong in the new medical principles which I apply. And for six solid years my remedy has stood the severest test a medicine was ever put to. I have said "If it fails it is free"—and it has never failed where there was a possible chance for it to succeed.

But this mountain of evidence is of no avail to those who shut their eyes and think only in doubt. For doubt is half the battle against health disease. I cannot cure those who have not faith to try.

So now I have made this offer. I enclosed the evidence. I say it is the best and most liberal the largest in value that I have ever made. Some to you as a stranger. I ask you to believe for yourself. I offer to send you a full dollar's worth of my remedy, that you may test for yourself. Nothing to pay, not a cent. Not one word that I say that you have reason to doubt
