BRAIN MUST PLAY WITH CARDINALS

Robison Announces Dave Will Not Be Sold Under Any Consideration—Player Threatens to Jump.

Stanley Robison stated yesterday that Dave Brain would not be traded or sold under any consideration and that he will be compelled to remain in St. Louis and give to the Cardinals his best services.

This information was conveyed to Brain and he stated that he would jump to the Independents of Pennsylvania, unless he was disposed of in a week.

Mr. Robison says that if Brain jumps to the Independents he will never again be allowed to play in organized baseball, as he will so fix his punishment that he will not be able to return to the leagues again.

Manager Jimmy Burke spoke very highly of Brain's playing and said that Brain and he could get along very well if the latter would play his best for the team.

Mr. Robison is disappointed over Brain's playing since he was dethroned as captain of the team.

"Up to the time that Burke was made manager and captain," said Mr. Robison, "Brain had never a grievance. When Brain accepted the capaincy of the team it was with the understanding that should a change be made his salary would remain as in the contract of the former year."

Brain is now receiving the same salary as he did when captain of the team. There was a deal by which Brain was to be sold to Pittsburg, but his playing recently has been such that the deal fell through.

Mr. Robison says that he wanted to sell Brain for $2,500 and another player, but the fact that Dave has been playing poorly lately canceled the deal.

It is known that a representative of the Tri-State League has been in the city for the last three days in search of players.

Friends of Brain, however, place little credence in the report that Dave will "jump." They believe that he would prefer to leave the game rather than play independent baseball.

As stated in The Republic three days ago, "Chappy Charles" McFarland will remain with the Cardinals. In his last chance he made good against Pittsburg Sunday and will be retained, as Brown and Egan are unknown quantities, and it was considered best to keep the older pitcher.

CARDINALS AT HOME; BROWNS AT CHICAGO.

Cardinals will oppose the Pittsburg Pirates in the second game of the series at League Park this afternoon, rain preventing the teams from clashing yesterday.

Manager Burke said that he may give Tideiman another crack at the Pirates, or may send Egan to the firing line. "Deacon" Phillipe or Mike Lynch, the Brown University "phenom," will oppose the Cardinals.

The Browns departed for Chicago last night and will begin a series with the White Sox to-day. Fred Glade is due to work for the local Americans while he may have "Doc" White as an opponent.

MORAN MAY PLAY WITH INDIANAPOLIS TEAM.

Manager Barrows of the Indianapolis team held a conference with President Hedges of the Browns yesterday, and as a result Charley Moran, the Browns' utility infielder, departed last night with the American Association manager.

Barrows was here in search of players and made offers to Messrs. Hedges and Robison for Moran and Josh Clarke, respectively. Owing to the crippled condition of the local Nationals, the Clarke offer was immediately rejected.

It is believed that Barrows's offer to President Hedges pleased the latter and, while neither of the men could be seen last night, Moran is said to have departed for Indianapolis, as he did not accompany the Browns to Chicago.

Moran was opposed to going back to the minors, as he believed that if he received the proper chance with the Browns he could have made good. With the team in good order, however, the Browns had no use for the extra infielder. Hockenfield has been working well at second and Gleason doing nicely at third.

The "Peerless Bobby," at short, left no playing place for Moran, although he did well on the recent Eastern trip.

The Cardinal forces are in bad condition, with at least seven of the players ready to drop out of the game. The affected and their ailments follow: Smoot, rheumatism; Shannon, inflamed eyes; Nichols, hurt hand; Grady, lame shoulder; Dunleavy, injured arm; Zearfoss, hurt shoulder, and Shay, sore arm.

MAYBERRY WINS FEATURE, BEATING GOOD MUDDERS.

O'Neal and Egan Gelding Triumphs Over Jucora and Footlight's Favorite in Handicap.

J. P. Mayberry, O'Neal and Egan's chestnut gelding, had comparatively little trouble in winning the handicap event, fourth on the card, at Delmar yesterday afternoon.

Mayberry proved the best mudder, and negotiated the six furlongs in fairly good time for the heavy going.

Off none too well, he raced up from fifth place at the start to second at the half and was out in front in the stretch, where he remained until he was marked the winner. Jucora was an easy-going second, while the favorite, Footlight's Favorite, was third.

Gerolette, under Sewell's guidance, had a picnic in the opening event. Gerolette went to the front when her rider pleased, came down the home stretch with plenty of speed and won with something to spare. Miss Nichols was an easy second, while Frenchie's first had no competition for show.

Sewell piloted another winner in the second race when he brought Investor first past the post with plenty to spare. Sewell got Investor to the fore when the quarter was reached and kept him there until the finish. Mail Box was a handy second, while Fred Priesmeyer got the short end of the purse.

Lone Wolf captured the seven-furlong event from an excellent field of mudders. The Wolf was always laying well with the leaders and, when the stretch turn was reached, he went to the fore, winning with plenty to spare. Sea Voyage reveled in the going and was second. Miss Mae Day was a strong third.

Cashier proved the best mudder in the fifth race, and won pulled up. She was off well, assumed the command in the lead and was running easily at the wire. Hubbard was second and Lookaway third.

Bavarian came from the rear at the stretch turn in the last race and ran away from his field. Sincerity Belle, who looked like a winner in the early part, quit in the last twenty yards, and just lasted long enough to be second. Bravery, under a light impost, was an easy-going third.

The summary:

First race, four and one-half furlongs, maiden, 2-year-olds, fillies, purse $500—Gerolette, 116 (Sewell), 4 to 1, first; Miss Nichols, 116 (Gilbert), 10 to 1, second; Frenchie's First, 116 (Collins), 10 to 1, third.
