CHICAGO SOCKERS DEFEAT PILGRIMS

Crack English Football Team Is Beaten by Illinois City Eleven, Two Goals to One—Score Lucky One.

REPUBLIC SPECIAL.

Chicago, Oct. 1.—The Chicago association football representatives got revenge on Captain Milnes and his team of English players at the South Side ball grounds to-day, defeating them 2 to 1 in the cleanest and fastest contest ever played in Chicago. The score was not as large as the one run up by the Englishmen on the Parkside grounds the day before, but it was a decisive victory. The teams, as they faced each other, were practically the same as in the Parkside game, one man on each team being changed.

Wright was substituted for Bryning, one of the Pilgrims' outside right wing, and J. Archibald held down the Chicago right back position in place of Rogers. The rougher ground, however, favored the local team's style of play.

The Chicago men were determined to wipe out the score made against them in the earlier game, and went after their opponents from the first whistle, pushing them off their feet, and by aggressive playing offset the advantage the Englishmen had by their slightly superior team work and combination plays.

It was a fast, hard struggle from the start and although the ball was in the Pilgrims' territory most of the time, the local backs had plenty of work to do, the running of the ball down the field by Woodward and Rains causing Sullivan to make many difficult stops. On the other hand, Sir Charles, the Pilgrims' custodian, was forced to keep on his feet, and several times he dished dangerous-looking shots away from the goal. The one goal counted by the Pilgrims was a piece of tough luck for the locals, as Sullivan, after catching the ball for a kick, slipped and carried it over the line between the posts.

With two minutes to play the fiercest rally of the day took place in front of the Chicago goal. Practically all the men on both teams were bunched in front of the posts and Sullivan had to work with both feet, both hands and head to stop the rush. The leather was booted and butted from one to the other, so fast the spectators could not follow it, but it gradually worked to the edge of the crowd and Jimmy Watt, seeing his chance, drove it to the middle of the field, just as time was called.

After the game Captain Milnes said: "We were fit enough, you know, but you fellows put up such a hully good game, that you won. That's all there is to it, you know."

Weakness

OUR SUCCESS IN CURING THOSE delicate ailments commonly termed "weakness" has done more to extend our reputation as specialists in men's diseases than any other thing. We were first to discover the fact that "weakness" is merely a symptom resulting from a chronically inflamed prostate gland, and that to remove this inflammation is the only method of permanently restoring lost vigor. To this day our system of treatment is the only successful one in use, for years we have not failed to effect a complete cure. Of course, there is an occasional case that has passed into the incurable stage and we do not treat at all. Our long experience enables us to recognize them and to select only such cases as we can cure permanently.

VARICOCELE—Absolutely painless treatment that cures completely in one week. Investigate my method. It is the only thoroughly scientific treatment for this disease being employed.

CONTRACTED DISORDERS—Be sure your cure is thorough. Not one of my patients has ever had a relapse after being declared as cured, and I cure in less time than the ordinary forms of treatment require.

SPECIFIC BLOOD POISON—No dangerous minerals to drive the venom to the joints, but harmless blood-cleansing remedies that remove the last poisonous taint.

The Cardinals won and lost a game with Brooklyn yesterday. The score of the first was 2 to 1, thanks to Dunleavy's three-base smash in the eighth inning, with little Jake Thielman at first. The second went to Brooklyn by virtue of a bombardment of the battered McFarland in one inning, aided by some loose fielding. The score was 5 to 3.

FIRST GAME.

Thielman and Doescher fought a pitchers' battle in the curtain-raiser. It was not until the eighth inning that the Cardinals broke into the run column. They went into the game with four new men in the line-up. Hoelsketter, Shea, a local backstop, De Groff and Himes were in the places of Burke, Grady, Shannon and Smoot. This left the Cardinals' three best hitters out of the fray.

Dunleavy's great catch in center field and a rattling good double by Arndt to Shea to Beckley, knocking down two of the enemy with the bases filled and none out in the second inning, were the features of the game. The two flingers were evenly matched, except that Thielman outshone his opponent at bat. Jake boosted the ball over Sheckard's head in the fifth for a triple, which would have netted Thielman a home run had he been a good runner.

In the eighth he was hit on the foot. Dunleavy poked the leather to the right-field fence, scoring Jake, and "Skeeter" tallied on Beckley's drive to left. With two out and one on base, Hummel drove the ball over Dunleavy's head, scoring Batch. Lewis developed some "pie" for the "Rube" and the game was over.

SECOND GAME.

McFarland and Stricklett hooked up in the second. "Chappy" was accorded the beating he has received with much regularity of late, the Superbas smashing in five runs on as many hits, with a wild pitch and a pass accompanied by some loose fielding by McBride and a poor decision of Umpire Klem.

After McFarland bowled the visitors over in easy fashion in the first three innings, Gessler opened with a single, and a mixture of hits, errors, wild pitches and passes brought the team around to the Doctor again. He flew out to McBride, who had been a big offender.

After the commanding Mac held the enemy at bay and did well, but the Trolley Dodgers' lead was too big. "Rube" scored in the first inning on his smash to center. Beckley's bunt and Batch's pour throw to Gessler, which sent De Groff to third, De Groff scored while Hummel, Gessler and Batch were chloroforming Arndt and Beckley.

"Rube" again made the circuit when he he walked in the sixth, sprinted to third on Beckley's smash to right, and he and Jake ambled over the rubber on Arndt's double to the right-field fence. Leahy and McBride got to first on safe wallops in the seventh, but could get no further.

BLUES ARE CHAMPIONS OF SOUTHERN ILLINOIS.

Alton Club Wins Series From Collinsville With Jokerst, Cardinal Recruit, in the Box.

The championship of Southern Illinois was decided yesterday at Alton, when the Alton Blues defeated the Collinsville Reds by the score of 5 to 4.

This was the deciding game of a series of five. Both teams had defeated all the strong clubs in Illinois. The game was hotly contested and was not decided until the tenth inning, when Allis drove the winning run over the plate, with a screeching drive to deep left. Allis also contributed two other bingles, which helped to swell the score.

Bob Groom, a Western Association pitcher, was pitted against the Cardinal recruit, Jokerst, who is signed for next year. Groom proved to be the more steady in tight places.

Notes of the Game.

Gerald Shea, a local association football player and a Trolley League backstop, caught the first game yesterday for the Cardinals. The youngster did very well. He was nervous, and this was responsible for several breaks, but he has a good battery and perhaps well. He landed safely one out of three times on. With a little experience in going after high flies and holding wild heaves, the youngster should make good with another year's work in the robins.

De Groff, as a drawing card, instead of these double-headers, should swell the attendance. "Rube" may be called crazy and other freak names, but it is a fact that his antics draw laughter from him out. Baseball, after all, is an amusement and recreation, both for the players and the audience. "Rube" was the one player yesterday whose work properly applied the salve of the game. The youngster should make good. Local fandom will pull with him for a long time to come. They will give him a fair chance and will overlook much on account of his mercurial abilities. But even "Rube" won't stand in St. Louis if he don't deliver the goods.

President Ebbets of the Superbas emphatically denies the story that ex-Mayor Hanlon has been offered a controlling outfit. Hanlon is with the club and will remain with us, declared the doctor. "He has no idea of quitting. We have had hard luck, but with the big number of players in line I am confident we will be able to put up a winner from their midst. There is no truth in the story of a clash between Mr. Hanlon and myself."

There will be no game in Missouri to-day. A double header will be played Tuesday. As this is the day of the Veiled Prophet's parade a big crowd will be in St. Louis, and Mr. Robison notes that the rivals of the Trolley League will be treated to a double dose of the game. The remaining tomorrow's League games will be the last played by the Cardinals in St. Louis this year.

Grimsley is suffering from an injured finger, received in the first game against the Giants. Then Shea is at the bedside of his mother, who is ill in Ohio. Jacobs's rheumatic arm is troubling him again. Wiltse, Egan is prostrated with typhoid fever at his home. Taylor is also ailing, and he is suffering from a touch of the fever. But he says Secretary Muckenfuss's report of the condition of the Cardinals yesterday. Not any too encouraging for these postseason games.

The crack of the bats as they smashed Chappy's pellets yesterday again, is a sound all too familiar to the Cardinal followers. McFarland has made a miserable showing this season. Much of it has been due to the poor support of the natives. But this last set after proof that Chappy has been dropped too much for a pitcher on a team which looks for a pennant next season.

Christine Lawrence and Grace Merrill Will Also Contest for Honors.

Miss Margaret Post and Mrs. Charles Clark, who won their matches in brilliant style in the first round of the Triple A open tennis tournament Saturday, will meet in the second round this afternoon at 3 o'clock. From the manner in which they played in the opening contests, it appears as though the winner of to-day's match will figure prominently when the tournament is near closing.

Another match which will attract much attention will be between Miss Christine Lawrence and Miss Grace Merrill. They opened their match Saturday, Miss Merrill winning the first, 11—9, while Miss Lawrence took the second 6-4. They will play the third and deciding set this afternoon.
