Organized on the syndicate plan, for the purpose of buying stocks in various Goldfield mining and oil companies, also real estate. Has an interest already in about forty different mines in Goldfield, Tonopah and Rhyolite, the greatest gold camps in the world. Millions are being made there annually. Some mines that we are interested in are now producing $30,000 to $100,000 per year. No other plan like ours so far as I know has ever been brought to the notice of the investing public. The best financiers of this country and Europe pronounce it first-class. I am selling this stock at 50 per share now, but it will be advanced to 75 very quickly. When you buy a share of stock in this company you are buying an interest in all the companies we are connected with.

NEW PIANOS.

Positive orders have been received from the factory of the F. G. Smith Piano Co., in Brooklyn, by the local warerooms in St. Louis, at 1012 Olive street, to close out before January 1 every second-hand upright piano and every piano not of this year's design, and to name prices and easy terms that will dispose of the stock in the shortest possible time. Every preparation has been made at the local warerooms to carry out the orders of the factory. The stock has been completely overhauled and more than fifty pianos are slated for the closing out. These embrace many leading makes of upright pianos, and the prices at which they have been marked are in most cases less than half of the original cost. Upright pianos that sold for $550, $600, $650 and $700 are sacrificed in this sale at $150, $175, $195, $220 and $275—on $5 and $6 monthly payments. If you wish to surprise the folks at home with a piano at Christmas now is the time to buy it, for these bargains will all be gone long before Christmas. Simply pay a small deposit now to secure the instrument, and it will be delivered Christmas Eve or any time you wish. Never before, and perhaps never again, will such an opportunity be offered to secure a good high-grade upright piano at less than half price, and this Christmas you surely will be able to have that piano. If you act promptly and come before the bargains of this sale are all snapped up.
