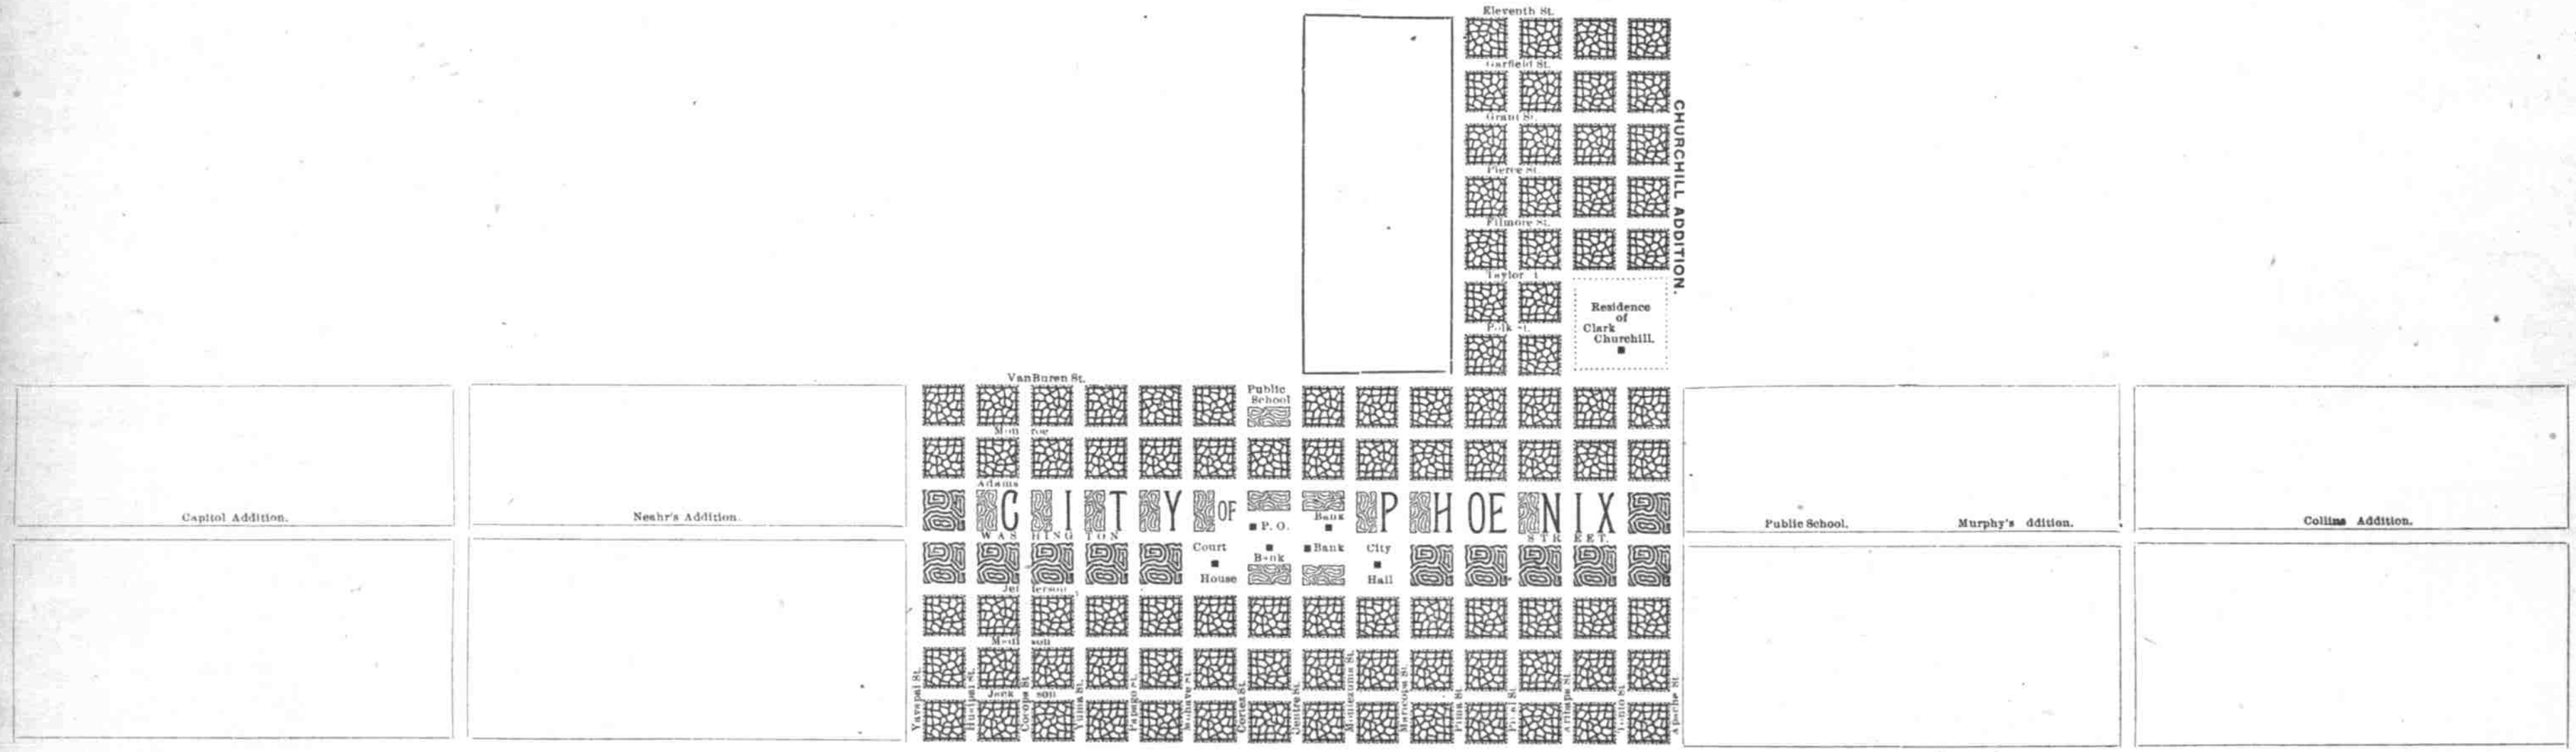
THE FINEST BUILDING SITES.

Are to be found in the

CHURCHILL ADDITION

Lots Sold at Reasonable Prices. It Will Pay Buyers to Investigate Its Numerous Advantages.

This Map shows the relative position of the CHURCHILL ADDITION to the city of Phœnix and to the principal stores, banks, post office, county court house and city hall, which is the capitol building of the Territory where the legislature meets, and the offices of the governor and secretary of the territory are located.



THE CHURCHILL ADDITION

Contains the most eligible building sites. These sites are near the heart of the city of Phœnix. Living on these lots you may easily walk to and from your business, the postoffice, churches and all places of business, including the capitol of the territory. Your children may walk to and from any school in the city. Now is the time to secure a choice location. Residents in the Churchill Addition can easily visit the Postoffice, or any store or market in the city without any expense for car or carriage. It is only a few steps and a pleasant walk. The Churchill Addition is located on the north side of the City of Phœnix, and the drainage of the city flows in the opposite direction. No overflow of the highest water can ever reach the Churchill Addition.

THESE FINE LOTS FOR SALE AT $300 to $500.
