THE EXCELLENCE OF SYRUP OF FIGS

is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP CO. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP CO. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALIFORNIA FIG SYRUP CO. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. In order to get its beneficial effects, please remember the name of the Company—

The most fascinating invention of the age. Always ready to entertain. It requires no skill to operate it, and reproduces the music of bands, orchestras, vocalists or instrumental soloists. ● There is nothing like it for an evening's entertainment at home or in the social gathering. You can sing or talk to it and it will reproduce immediately and as often as desired, your song or words.

Other so-called talking machines reproduce only records of cut and dried subjects, specially prepared in a laboratory; but the Graphophone is not limited to such performances. On the Graphophone you can easily make and instantly reproduce records of the voice, or any sound. Thus it constantly awakens new interest and its charm is ever fresh. The reproductions are clear and brilliant.

Graphophones are sold for $10 and up

●Manufactured under the patents of Bell, Tainter, Edison and Blackwald. Our establishment is **headquarters of the world** for Talking Machines and Talking Machine Supplies. Write for catalogue.

NEW MEXICO NEWS!

LAS VEGAS.

From the Optic.

Rev. T. P. O'Keefe, pastor of the East Las Vegas Catholic parish, has been named to a position in the Catholic university of Washington, which appointment will necessitate his leaving the city about the first Sunday of October.

It is reported around town that the Elks are at present engaged in the trial of A. K. McKellar, a so-called dentist, now said to be in Wagon Mound, and who as a dead beat is second only to E. St. John. The Elks, it appears, are determined to expel all the improper characters who may have gained admission to the order.

The following are the new sisters that have arrived and taken charge of St. Anthony's sanitarium, taking the place of Sister Superior Mary Baptist and the other four sisters, who were transferred to Leavenworth, Kansas; Sister Superior Irene, from Anaconda, Montana, and Sisters Matilda, Mary Sylvester, Mary Celestine, Mary Alfonsine, of Leavenworth, Kansas, and Sister Bernadette, of Topeka.

The Optic is reliably informed that there are two houses, in the southwestern part of the town, which have been quarantined because of smallpox. One of those is the place previously referred to in the Optic. The other is a new one. There are five children in the two houses—two in one and three in the other. Both cases were brought to town by people coming in from the country. The authorities and the physicians are doing everything in their power to prevent the spread of the contagion.

Antonio Gallegos received the sad intelligence, Friday evening, of the death of his brother, Francisco Gallegos, at Trinidad, from a complication of diseases. The deceased was one of the largest sheep owners in the territory, and one of the most prominent citizens of Union county, his home being at Clayton. He was well known among the business men of this city, and was a brother of Albino B. Gallegos, of San Lorenzo, this county, who was a candidate at the last election for collector, Macario Gallegos, a prominent politician of Mora county, and Emiterio Gallegos, the present sheriff of Union county. Out of a family of eleven children, but five are now living, six having died in the last four years.

SANTA FE.

From the New Mexican.

Civil Engineer P. E. Harroun, of Albuquerque, went north Tuesday over the narrow gauge to Cheyenne in attendance on the irrigation congress, to be held there this week.

During the coming Horticultural fair the business houses should be decorated, the streets sprinkled, garbage collected around the town every day, and a collection made to have the band play each evening.

H. W. Easton, father of Stephen Easton, has received a letter and telegram from the latter, stating that he is better and expects to be sent from Governor's Island to Washington soon.

Mr. and Mrs. A. M. Bergere are rejoicing over the birth of a daughter, which occurred early Tuesday morning. The many friends of the family will be pleased to know that the mother and daughter are doing nicely.

Colonel R. E. Twitchell Tuesday purchased from the administrator of the Downs estate the law library of the late Francis Downs, consisting of about 600 volumes, and had it shipped to Las Vegas. He got quite a bargain. The library will be placed in his law office.

Rev. B. F. McIntyre, pastor for the past year of the African M. E. church in this city, left with his wife and child over the Denver & Rio Grande Tuesday morning for Butte, Mont., where Rev. McIntyre will attend the annual conference September 6 next. Mrs. McIntyre, in the meantime, will visit with her mother at Colorado Springs.

SILVER CITY.

From the Independent.

The public schools of Silver City opened Monday with a large attendance.

R. H. Rodriguez, a local musician of more than ordinary ability, died at the residence of his parents in this city last Wednesday evening at 5 o'clock of rheumatism.

Joseph Murphy and Miss Lily May Harper were united in the holy bonds of matrimony Monday morning by Judge Givens. The bride is well known in Silver City, having attended the normal school here. Mr. Murphy is also well known, and the many friends of both parties unite in wishing the happy couple a long, prosperous and pleasant married life.

In this city last Wednesday evening, by Rev. A. A. Hyde, of the Methodist church, Miss Lou Shoemaker, of Monticello, Ill., was united in marriage to William Lind Conant, of this city. The ceremony was strictly private, only intimate friends of the contracting parties being present. Mr. and Mrs. Conant left the next day for their home in Greenwood canyon, where they will reside.

An Enterprising Druggist.

There are few men more wide awake and enterprising than J. H. O'Rielly & Co., who spare no pains to secure the best of everything in their line for their many customers. They now have the valuable agency for Dr. King's New Discovery for Consumption, Coughs and Colds. This is the wonderful remedy that is producing such a furor all over the country by its many startling cures. It absolutely cures Asthma, Bronchitis, Hoarseness and all affections of the Throat, Chest and Lungs. Call at the above drug store and get a trial bottle free or a regular size for 50c. and $1.00. Guaranteed to cure or price refunded.

Annual Conference.

The fourth annual session of Itinerants Club of the New Mexico English mission of the Methodist Episcopal church will be held in Silver City beginning Tuesday, October 4th, lasting two days. A splendid program has been arranged, and the meeting will be a profitable one to those who attend.

Immediately at the close of the club session the annual conference of the Methodist Episcopal church will be held, Bishop John F. Hurst, D. D. L. L. D., presiding.

The conference will probably finish its work in four days and nights. A program of great interest will be carried out and some of the most noted preachers of the Methodist church will be present and take part in the exercises.—Independent.

Moralists may prate, and doctors prose, and science shout from the housetop, but just so long as the birds sing and the flowers bloom, and a maiden's lips are cherry-red, and a young man's eyes look love, just so long the lads and lassies will kiss—and kiss again.

And where, good men, is the harm if the kissers and kissees be healthy, and true love stands sponsor. It is only when ill-health has blasted the sweet cleanliness of youth that death lurks upon its lips. The deadly germs of dread consumption are as harmless as June-time butterflies to the young man or woman who is thoroughly clean, sweet and healthy in every fiber and tissue. The germs of disease only attack that which is already partly decayed.

There is a great medicine that is a sure and certain protection against all germs and a speedy cure for all germ diseases. It is Dr. Pierce's Golden Medical Discovery. It gives youthful zest to the appetite. It corrects all faults of the digestion. It aids assimilation. It fills the blood with the vital, life-giving elements of the food. It builds sweet, clean, healthy tissues in every part of the body. It drives out all disease germs. It cures 98 per cent. of all cases of bronchial, throat and lung affections if taken in time. All good medicine dealers sell it, and have nothing "just as good."

Mr. Jos. Henderson Dirldon, of 544 Josephine Street, New Orleans, La., writes: "I was ailing for some two years, suffering from dyspepsia, a tired feeling, and loss of energy and appetite. I tried one bottle of Dr. Pierce's Golden Medical Discovery and found great relief. I took two more bottles, three in all, and one or two vials of the 'Pellets,' when I was in good health again. I recommend Dr. Pierce's Golden Medical Discovery to do all that it is claimed to do."

A man or woman who neglects constipation suffers from slow poisoning. Dr. Pierce's Pleasant Pellets cure constipation. One little "Pellet" is a gentle laxative, and two a mild cathartic. All medicine dealers sell them. No other pills are "just as good."

Beware of Ointments for Catharr that Contain Mercury,

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them.
