PRIVATE MEDICAL INSTITUTE

Established by

Dr. J. C. YOUNG, in 1850.

No Cure. No Pay.

Consultation by letter or otherwise, FREE.

BENJ. F. JOSSELYN, M. D.

THIS CELEBRATED INSTITUTE has enjoyed, on this Coast, an uninterrupted success of eighteen years, and has become one of the most celebrated institutes of the age.

The great number of Daily, resident and transient patients, and the point of numbers of patients among the first of the world and the success of its treatment to some.

PRIVATE DISEASES

In Males, and Irregularities in Females are the great destroyers of health. They insidiously attack the system, and gradually undermine and destroy it; they drive the blood from the cheek, the lustre from the eye, the strength and vigor from the frame, they give many an diseased offspring, and poison, through successive generations, the race of man. The marks can be seen in Scrofula, Consumption, Cripples, the Idiotic, the Paralytic, the Insane.

There is no more terrible scourge to the human race than those diseases arising from the contamination Venerial Poison. The milder forms, by retreating to the blood, hold ever over the one afflicted, the sword of destruction that is liable at any moment to fall and blight—to utterly destroy—all earthly hopes.

MERCURY, recognized as the most FATAL MEDICAL ENEMY to man, combining with the Venerial, doubles his dangers. Those who have been treated with that poisonous MINERAL POISON, are not cured; the disease has only assumed a new form.

DO NOT BE SATISFIED WITH PARTIAL CURES That leaves the poison to crawl through the system, eating its way into the tissues and organs beneath the apparently smooth surface, to burst out in the future with a virulence that will baffle the effects of medicine. When Perfect CURES can be obtained by consulting a physician, whose long practice and thorough investigation into the causes of Diseases of the URINARY ORGANS, enable to determine at once the cause of the disease.

In all diseases entrusted to the Doctor cures PERFECT, SPEEDY and PERMANENT CURES.

In all Cases Cures Guaranteed.

In Syphilis and its adjuncts, Gonorrhœa and accompanying diseases; in all disorders of the bladder, Kidneys and prostate glands; Weakness; Diseases of the Heart, the Lungs; Dyspepsia; Indigestion, Impotency, Consumption, Consumption, and all diseases of the urinary organs in either sex, cure always warranted, or MONEY required.

SEXUAL WEAKNESS.

The young man who experiences that growing weakness in his manhood and mental imbecility, should stop to consider whence it arises. He will find in the weakness of the loins, the dimming of the limbs, the clouded intellect, underminable failing of the powers of the mind, dribbling of the vital fluid, a dread of impending ruin; nocturnal emissions, sleepless nights, troubled and horrid dreams, accompanied by growing languor, loss of muscular power, and numerous other symptoms of disorganization, the positive result of that most terrible and destructive of all diseases, Sexual Weakness—wasting away his powers, destroying his hope of life and manhood, and dragging him along the broken path of his existence, toward a premature and loathsome grave. Failing in the duties, his life drifting out in the mockery of the vital principle of existence, in nocturnal and mental emissions, the mere cessation of the causes of its appearance brings no assurance of relief.

Marriage, the holy office, the safe-guard and hope of manhood, brings to such a sure hope of cure, but adds a bitter sorrow in the knowledge of the one who looks to him for so much of her happiness, is a victim of his evil, and an innocent companion of his punishment. He adds to his misery and disorder until none leaves him. There is no rescue except in proper and skilful treatment—consult then, at once, a physician whose long practice and careful research has made him thoroughly conversant with every phase of the disease. He who has become the victim of solitary vice is the dreadful, fascinating and destructive habit, which fills thousands of sick rooms with paralytics and consumptives, and hundreds of untimely graves with its nightly victims, should consult without a moment's delay, one who will sympathize with their sufferings. To such the Doctor would specially recommend his skill, giving to each and all, guarantees of a Perfect and Permanent Cure, without Hindrance from Business, Change of Diet, or Fear of Exposure.

Do not forget the address. See below.

Important to the Ladies.

When a female is in trouble or afflicted with disease, and requires medical or surgical advice, the enquiry is, to whom, where to consult, whom will be faithful, competent, a gentleman, skilful and whose respectable standing in society recommends him to the good care of the community? The female, understanding how important, absolutely these requirements are, feel no hesitation in saying, and by calling the attention of the afflicted to the fact that he has been a Professor of Obstetrics and Female Diseases for Twenty Years, and is fully qualified to administer in all cases, both medically and surgically, not less, perhaps, in manner, but in as high a manner as years of study and practice—both in hospitals and private families—can make, to save them from the hands of the unqualified, unscrupulous, and designing. Therefore families can rely upon him as upon a father.

All in affliction can find in him one who can feel and sympathize with, and befriend them in trouble—one in whose secrecy the utmost confidence can be placed. Consultation (By Letter or Otherwise) FREE. See address below.

The Celebrated Female Remedies.

Compounded from the private prescriptions of Dr. Young, have now obtained a most extended popularity, and are correctly viewed to be the safest and surest remedies for the complaints for which they are applied. The constantly occurring testimonials of their efficacy declared them to be preeminently superior to their action.

No lady should be without these Renovating Agents. None genuine unless procured at this office. Sent by mail or Express to any part of the State.

Or, FEMALE MONTHLY PILLS.

In no case should these Pills be taken when the patient has reason to believe she is PREGNANT. Price $5. Remit the amount as above, and they will be forwarded with full directions for use, CURED AT HOME.

Patients residing in any part of the State, however distant, who may desire medical advice on their respective cases, and who think proper to enclose a written statement of such in preference to seeking a personal interview, are assured that their communications will be held most sacred.
