KELLUM & ROTAN,

Wholesale Grocers,

WACO, - - - TEXAS.

Waco stands the acknowledged head of the cotton market in Central Texas. The three great lines of railroad centering here have cheapened freights to a rate unknown before in the history of transportation.

THE WHOLESALE GROCERY TRADE

As a consequence, has received a wonderful impetus. Immense stocks of staple goods are now piled up here, and extraordinary inducements offered wholesale buyers. In addition to these special facilities, Kellum & Rotan.

THE OLDEST HOUSE IN THE TRADE

Call attention to their conveniences for the cheap handling of freight, and ask money to do business on the smallest possible margin of profit.

Correspondence and personal inspection solicited.

Cameron, Castles & Storey,

WHY IS OUR TRADE STEADILY INCREASING?

—BECAUSE:—

Waco is, today, recognized as the commercial center of Texas.

Competing freight lines insure us lower rates than are given any other point in the state.

Our business is established on a strictly conservative basis, resultant in small losses.

Our facilities for the prompt and safe delivery of goods cannot be surpassed.

Our stock is constantly moving.

Our prices defy competition.

The quality of our goods cannot be questioned.

Special inducements are offered parties purchasing first bills.

All orders receive our immediate and personal attention.
