THE WEEKLY ENTERPRISE

ELECTION CONTEST.

The Fifth Ward Seat in the Council a Bone of Contention.

Mr. W. J. Cassidy, the only prosaic candidate for alderman from the Fifth ward, who was reported defeated by five votes to W. D. Wallace, has notified, or will, shortly, that gentleman of the fact that he will contest his right to the seat in the city council. The contest is based upon two charges. One, that the judges of election threw out many antiperquisite tickets which had the names of the antiperquisite candidates for all the wards on them, because the tickets were voted without having any of the other ward candidates scratched, claiming that the law was plain, and that it is the election under such circumstances for the voter to be counted. The second charge is that several non-residents were allowed to vote as well as several who were residents, but who had not been such for a suffi cient length of time to entitle them to the right of voting.

REVIVAL AT LORENA

We hear that a deep and widespread revival of religion is in progress at Lorena under the leadership of Rev. Saml P. Wright, assisted by Revs. Henry T. Pitman, former preacher on Waco circuit, Rev. Mr. Mahaffin of the Baptist church, who has also conducted valuable aid, as occasion will allow him from others elsewhere. The Methodist and Baptist congregations are working together as a unit, and great and lasting good is being done. Many souls have been saved, and crowds of penitents are at the altar each service. Notwithstanding the season of the year the house is packed three times each day. The meeting is likely to continue hereafter.

SMALL SUM OF MONEY.

Paid Out on Debentures for the Texas and St. Louis Railway.

Yesterday Mr. J. H. Finks, clerk of the United States circuit court, paid out on debentures for the Texas & St. Louis railway, $15,000. This closes up nearly all these debentures, except a few hundred, which have been owned by the two brothers, the Gaults. They were issued in payment for purchases made for running expenses of the road, and draw 6 per cent. per annum. The total amount paid out by the clerk, to date, amounts to $982,[illegible].

WHOSE HORSE?

A Negro Arrested While Astride of a Bare-Back Pony Mare.

Yesterday Officer Dan Ford saw a suspicious looking negro riding bareback on a bay pony mare, and thinking he was a horse thief, arrested and locked him up in the jail. The negro gave his name as Jim Dunton, and said he came from Williams, Hill county. The animal is branded R or E on left shoulder, and diamond A on right shoulder.

SPORTSMEN'S TOURNAMENT

The following from San Antonio speaks for itself and will be of special interest to all sportsmen:

To the Editor of the Enterprise:

SAN ANTONIO, April [illegible]. Dear sir: Will you kindly announce the sixth annual tournament of the Texas State sportsman's association in your valuable paper.

We expect to have the finest shooting and entertainment ever given in this state. Our program will be attractive and interesting. Programs will be ready April 20th, and mailed on application. Yours Respectfully,

FOR COUNTY ASSESSOR.

The announcement of Mr. Sam Newnad for county assessor will be found in this morning's Enterprise. Mr. N. has held this office for the past four years, and no man who has held it before has given such satisfaction as has been accorded to him by the comptroller of the state, the county commissioners and those whose property he has assessed. Every action of his has been closely scrutinized, and not one instance has ever been found that could be used against him in any way. At each election heretofore held Mr. N. has carried the county by a large majority, and it is because the people have confidence in his ability to fill the office that they have been willing to place this trust in his hands. Again in submitting his name Mr. N. feels assured that the voters of old Mclennan will not fail to allow that trust to be continued.

Determined to Defeat Their Rights.

The Brown Cracker Company of Baltimore, Maryland, have put on a set of heavy suits against Frederick Stearns & Co., Detroit, Mich., for imitating Brown's Iron Bitters and against Meyer Bros. & Co., the well known wholesale druggists of St. Louis, Mo., for selling in Brownsville, Texas, which it is claimed is an imitation of Brown's Iron Bitters, and against Jas. A. Dickinson, a wholesale druggist of Baltimore, for selling and recommending a non-secret remedy called Iron Tonic Bitters made by Rowland, Hollander & Co. of Baltimore, which it is also claimed is an imitation of Brown's Iron Bitters. These suits will likely involve very heavy amounts and be watched with interest by all persons dealing in proprietary medicines.
