THE HERALD.

LOCAL AND COUNTY NEWS.

MUSIC LESSONS.—Mrs. LATIMER will continue to give instruction on the Piano to those who desire to avail themselves of her services, on the usual terms. Sessions three or five months, at the option of the pupil. [tf]

☞ "Lines to Bettie" are declined. They have neither the measure, "melancholy madness," or "inspiration of poetry."

—A norther sprung up on Thursday evening last, and there was ice an inch thick at night. The weather had been warm and pleasant for more than a week before.

—There was a heavy rain here night before last and yesterday morning.

☞ We call attention to the card of G. M. Pierce, Esq., Buchanan, Texas.

☞ See the advertisement of Henry Carlisle, of Kaufman, who has lost a negro man. Officers are advised to be on the look-out.

☞ The card of Dr. J. Wilson, near Plano, Collin co., will be found in our advertising columns to-day.

☞ Wormly Carter, our Sheriff, advertises a negro man for sale in this place, at public vendue, on the 18th Feb'y. next. See advertisement.

☞ Those interested, are referred to the legal advertisements in to-day's paper. Also, to estray notices from Denton county.

☞ The following are the ruling prices for breadstuffs, &c. in this county, at this time, and at these prices, we are assured emigrants and others can procure all they want, no matter how large may be the demand. Times are hard here for money, and produce plenty: Corn from 60 to 65 cts. per bushel; Wheat 75 cts.; Flour $2 50 to $3 per hundred lbs.; and Pork from 4$ to $5.

"Tricks on Travelers."

We met a gentleman the other day—an emigrant from Missouri, who detailed to us, what we have heard vaguely rumored before—the means resorted to by persons in Grayson county to stop emigrants and induce them to settle *there*. It was represented to this individual, that when he passed the boundaries of Grayson county, he would find nothing to eat, Dallas county especially was in a most deplorable condition. Many of her citizens were actually "starving." The few that had a little corn and pork to sell held them at such prices, as to make it out of the question for an emigrant of moderate means to buy, &c., &c.

Now we allude to this subject once for all, for the purpose of saying that such statements alluded to above and all akin to them are coined for the occasion. It is the old worn out "trick on travelers," a trick that intelligent travelers ought to understand. For the benefit of those who don't understand it, we assert that Grayson county does not monopolize all the fertility, productiveness, breadstuff, "hog and hominy" of Northern Texas. It is a noble county abounding in rich lands, and possessing all the advantages of location, timber and water that an emigrant seeks. But there are other counties that combine the same advantages. The counties of Collin, Dallas, Denton, Kaufman, Tarrant, Parker, Ellis, Johnson and others adjoining, are equal at least to Grayson, albeit the Ooverland mail does not pass through some of them. We assert what we do know, that there is the greatest abundance of breadstuffs, pork, and all the necessaries of life, in the counties named, and that emigrants can buy them as cheap as in Grayson or elsewhere. We would scorn to misrepresent facts to emigrants. There is a vast country in Texas for them to settle, a magnificent heritage for them to go up and possess. If they pitch their tents in Dallas, very well. If they cast their lots in Grayson, Collin, Denton, Tarrant, or in the new counties West of us, very well It is all a glorious country, and we warrant that nobody will "starve" in any of them. We admonish our neighbors in Grayson to "live and let live."

By the Overland Mail.—We received last night, our files of the San Francisco 'Herald,' up to Dec. 18th, brought by the Overland mail via Belknap.—The dates are several days later than our advices by New Orleans, but we see nothing in them of material importance.

☞ A Word of Consolation to the Afflicted.—The annexed certificate will show what the public think of J. D. Rankin & Co.'s Medicines:

Palestine, Dec. 18th 1858.

Dr. J. D. Rankin & Co.—This is to certify that your Expectorant is making a cure of my case after all the Doctors had given the case up and all other medicines had failed. W. F. BERK.
