GUITAR MUSIC.—A fine assortment at the Book Store, Waco. Will be sent post paid at New York currency prices. [51:tf]

BOOK KEEPING.—Mr. A. W. Morrison, a gentleman thoroughly acquainted with the science of Book Keeping, will take up and teach a class, in this place, if sufficient students should offer, by the middle of the coming week. He may be found at the store of Messrs. Prather & Murphy. We can very well assure our young men and merchants, that we know of nothing that would be better worth the price of tuition than a complete knowledge of this most beautiful and (to merchants) necessary science.

☞ We are under obligations to Messrs. Pendley & Miller for a sample plug of some of the finest chewing Tobacco we have tasted in a long time. We profess to be a judge of the Virginia weed, and we can very confidently recommend this.

Our compositors, also, wish us to thank the same gentlemen for a bunch of their finest cigars.

☞ Cartridges of all descriptions, for Spencer and Henry Rifles, Pistols, &c., for sale by W. H. WATKINS, Waco, Texas.
[51:tf]

☞ Prof. J. R. Davis, Artist and Photographer, has erected a canvass house on the East side of Jefferson St., one door north of C. D. Kanady's Stove Depot, where he, proposes to make all kinds of sun pictures known to the art. Having a long experience in the business, he feels satisfied he can give satisfaction, and asks a share of patronage.

GOODIES AND CHRISTMAS DOINGS.—The little ones and children of a larger growth, are referred to the advertisement of our late employee, G. R. Baird. He has just received a new stock of Fancy and Family Groceries; also, Toys, Fire-works, and a fine assortment of pure Liquors. See advertisement.

☞ Attention is called to the advertisement of Mrs. J. R. Davis, Fashionable Dress Maker, on Elm Street, near the new Female College. She invites a share of public patronage.

SCHOOL BOOKS.—A full supply of all kinds, just received at the Book Store, Waco, Texas. [51:tf]

☞ We beg attention of parties contemplating building, to the card of Messrs. Clark, Brick & Co., contractors, builders, &c., of this city, in to-day's paper. They are gentlemen of long practical experience and we feel assured will give satisfaction to all who may employ them.

☞ Our townsman, Ben. Long, Esq., returned home last week from an extended visit to his old Alpine home, of over seven months, bringing with him some twenty-five or thirty persons who are seeking homes in Texas. Those we have seen are strong, active, able-bodied young men, mostly mechanics and citizens. Mr. L. informs us that as many more will come out in the Spring, and others are talking of coming. We cordially welcome them to the Lone Star State, and hope that they may realize all their anticipations in their new home.

☞ Sunday School Books, Bibles, Hymn Books, &c. All the publications of The American Sunday School Union kept constantly on hand by W. H. WATKINS, Waco, Texas.
[51:tf]

☞ The letter of our correspondent, H. L. R., detailing the result of the Tarrant District Court, is unavoidably crowded out. It will appear in our next.

☞ These fine, double-soled and double uppered water proof boots now worn by the senior herself, come from the establishment of J. W. Smith & Co., on Main street, east of Jefferson. We didn't get all they had, however.

☞ A press of work the present week, and the delay in getting out our last issue, prevents our devoting any time to editorializing. We trust our readers have lost nothing thereby.

☞ Stockholders in the Dallas Wire Suspension Bridge Company, are referred to the notice of Secretary Swink, in to-day's paper. Come up and pay your first installment of five per cent.

☞ C. D. Kanady, at the Stove Depot and Tin Warehouse, on Jefferson St., wishes to state that those box and parlor stoves so long looked for, have come at last. Those wishing anything of the kind should take notice.

☞ Attention is called to the notice of dissolution of copartnership between Prof. R. A. Landrum and P. Hardeman, Esq., to the Male and Female Seminary, in this place, which will be found in to-day's paper.

We had the pleasure, a few days ago of a call from Dr. G. P. Pardon, representing the house of J. T. Otterbach & Co., wholesale Boot and Shoe Dealers, St. Louis, Mo. Mr. P. is almost a native of Texas, having resided for a long time in Navarro county.

☞ We hear it rumored that Judge A. H. Norton is about to resume the tripod and that he is to wield his signature pen in advocacy of the interests of Northern Texas. The Judge is a ready, and we may say universally loved throughout the State, as the old editor of the Austin Intelligencer. While we recognize in him an honorable and courteous gentleman, we wish him no unlucky success, and we are glad to be told the fact that his success could be brought to become ours, and will devote his talents to the advancement of our common country. We all appreciate a man who has politically run against us in his day and we day of our week.

For the sale Brandies and wines also, where and brandies all the go to the "Office Saloon," known and kept by Pendley & Miller. They keep the best brands for medical purposes. The Cognac brandy and in large assortment of fine Cordials, just received and for sale. Southeast cor. Public Square.

A Fine Thing for the Teeth.

The fragrant Sozodont has taken a very prominent place among the most approved dentifrices of the day. It is a very popular article for the toilet, highly recommended by all who have used it, as a beautifier and preserver of the teeth, sweetening the mouth, strengthening the breath, and arresting the progress of decay.

☞ PRATHER'S GREY is a fine thing out.

Asthma, which is so distressing at this season, can be relieved and cured by using MARSDEN'S PECTORAL BALM. Physicians recommend it as a reliable, safe and prompt remedy. For sale by all druggists.

Marsden's Pectoral Balm for Coughs, Colds, Influenza.

A Valuable Family Medicine.

☞ So celebrated has Dr. M'Lane's Vermifuge become, that it is regarded as the only specific agent for worms. Families should never be without a supply of it. At this season particularly, when worms are so troublesome and frequently fatal among children, parents should be watchful; and on the first appearance of those distressing symptoms which warn us of their presence, at once apply this powerful and efficacious remedy. We are confident that it only requires a trial, to convince all that it richly merits the praise that have been lavished upon it. It is safe and infallible. Volumes of certificates can be produced, showing its great medical virtues.

The Great Pictorial Annual.

Hostetter's United States Almanac for 1871, for distribution GRATIS, throughout the United States, and all civilized countries of the Western Hemisphere, will be published about the first of January, and all who wish to understand the true philosophy of health, should read and ponder the valuable suggestions it contains. In addition to an admirable medical treatise on the causes, prevention and cure of a great variety of diseases, it embraces a large amount of information interesting to the merchant, the mechanic, the miner, the farmer, the planter, and professional man; and the calculations have been made for each meridian and latitude as are most suitable for a correct and comprehensive NATIONAL CALENDAR.

The nature, uses, and extraordinary sanitary effects of Hostetter's Stomach Bitters, the staple tonic and alterative of more than half the civilized world, are fully set forth in its pages, which are also interspersed with pictorial illustrations, valuable recipes for the household and farm, humorous anecdotes, and other instructive and amusing reading matter, original and select. An article on the Apothecary's mortar with the opening of the year (old and) is one of the most useful, and may be kept for the asking. The proprietors, Messrs Hostetter and Smith, on receipt of a two cent stamp, will forward a copy by mail to any person who cannot procure one in his neighborhood. The Bitters are sold in every city, town, and village, and are extensively used throughout the entire civilized world.

TAKE advantage of our splendid offer to send the DALLAS HERALD and DEMOREST'S MONTHLY for one year for $4 (special) only.

Choice literature, excellent music, artistic engravings, useful information—these are only a part of the varied attractions offered in the "Queen of the Monthlies," DEMOREST'S MAGAZINE. Combined with these is a Fashion Department, more complete and practical than can be found in any other publication.

THE UNDERSIGNED begs leave to announce that he will locate Land Certificates of any kind, in the best vacant lands to be found, pay all expenses up to patenting, and receive payment in one-fourth of the land. He will also guarantee that the land shall be located and field notes returned to the Land Office, ready for Patent, within 4 months after the certificates are placed in his hands. Payments for locating must be made by a deed to one-fourth of the land immediately on reception of the patents.
