In Committee of the Whole, the [illegible] Expedit Rom A [illegible] Charge to Naples. Every one knows that we have more need of one at the city of Rome. Our sculptors and other artists are now making Rome a paradise of peace and art for our country. We have many places on our foreign diplomatic list which could be much more easily dispensed with than this. Mr L concluded in very strong [illegible] because the Pope is not a Protestant and a Native American.
