Dr. Kimball does not meet the wants of that large class in the community whose circumstances have hitherto prevented them from availing themselves of the services of the most accomplished operators and will give to persons of the most moderate means at a low price the comfort and advantage of a style of work which has hitherto been attainable only by those who could afford to pay the highest prices, which such work is indeed richly worth but which all cannot pay. A sure and satisfactory ground of confidence in reference to the ability of Dr. Kimball to fulfill these conditions is found in the operation of one governing principle of his business, which is that whenever a piece of work is finished and placed in the mouth, if the patient is not fully satisfied with it in every particular as regards strength, appearance, the fit, color, or anything else pertaining to it, he is at perfect liberty to decline taking it, the whole risk of making a perfect and satisfactory operation Dr. K. prefers to assume himself. Every care of direction for the preparation of the mouth and any necessary information of any kind relating to the object previous to having teeth made can be had by addressing Dr. Kimball, at his place of business, No. 522 Broadway, New York.

The Institution is most delightfully situated, on elevated ground, at the foot of a beautiful mountain, half a mile south of the village, and can be reached at all seasons of the year by direct and recently constructed railroads (one of the roads running within a few rods of the Institution) in a few hours ride from the cities of New York or Boston, and within a few hours from Troy and Albany direct, and telegraphic communication from all parts of the country. The building is fitted up with ample accommodations, and its grounds spared no pains to make it one of the most fashionable and agreeable establishments of the present time. The next quarter of 11 weeks will commence Wednesday, 13th of Feb. next. Circulars with references can be obtained at the Institution.

N. B. A. Omnibus will convey students to and from the Institution on the Sabbath.

Elmwood Institute, Jan. 28.
