Circassian Oil.

[illegible] Circassian Oil was not introduced to the public, but in those few months it has gained a reputation which no other article can ever attain. Everyone who try it are pleased with it, and why? Simply on account of the peculiar properties [illegible] possesses. Many articles are offered for the hair by unprincipled persons which are worthless and some which are positively injurious. In order to introduce the article to every one it is sold at the low price of twenty-five cents per bottle.
