☞ The papers in the interest of the "old line" democracy of this state speak of the proceedings of their state convention as remarkably harmonious and *spirited*. As to the harmony, the man who was nominated by the committee, Merritt Clark Esq., was not nominated by the convention. By a species of political legerdemain, Mr. Clark was induced to decline, and S. W. Jewett, Esq., the former and wool grower, was run off the track. We think, however, there can be no doubt of the correctness of the representation that the convention was to a small extent a *spirited* one, for *strong* reasons and in spite of the Maine liquor law. x.

MONEY BUSINESS.—Last week was one of the heaviest business weeks which our banks have ever experienced. At the Suffolk Bank the receipts of foreign money were enormous, and in five days in which work was performed nearly *six millions* of dollars of foreign money was received, sorted and counted in the foreign money department. The fifty clerks in the department were taxed to their utmost, beginning at 7 1-2 o'clock in the morning and working until 9 o'clock every evening, and on Tuesday, the day after the Fourth, until 11 1-2 o'clock.—{Traveller.

SARATOGA—BY A CYNIC.—It is a place of unmitigated hypocrisy. It is a Rialto, where rich merchants congregate to glare at each other over stiff collars. It is a Prado where dames and damsels emulate the plumage of proud birds. It is a lottery, to which all subscribe, because it is pleasant and may turn out to their advantage. I do so because you do so; you do so because somebody else does so; and somebody else will do so, until Saratoga is forgotten.

☞ The Bellows Falls *Standard* remarks that nothing *can* be said in favor of our State ticket. We think something *could* be said by him in favor of Robinson and Kidder—his conscience having evidently got used to the hardened kind of work before he made the above assertion. Some of his Democratic friends we notice, are getting anxious that he should *try*.—{Register.

—We learn with deep regret, from a letter received by E. Smith of this place, from James C. Dunn of Boston, that *Gov.* Paine is dangerously sick with dysentary at Waco, in Texas, fifty miles from Fort Graham.—{Northfield Messenger.

SUDDEN DEATH.—At the Mansion House in Sandwich, last evening, a man whose name is supposed to be William Haggat, and who said he was from Vermont, suddenly died. He weighed 285 lbs., and was about 70 years of age.—Boston Transcript, 11th instant.

## COMMERCIAL AND FINANCIAL.

*[Reported for the Herald.]*

**There is an ample supply of money in New York and Boston, for all regular business purposes; but not much activity in the stock market. The demand for Railways and other extensive operations is very large, and is ready to take up any surplus which may accumulate. The dividends and interest payable in New York, Boston and Philadelphia, in the month of July, amount to a large sum. The U. S. Government pay out about $7,000,000 for interest, and the redemption of U. S. stocks, now due.**

**The receipts at New York for duties during the fiscal year ending June 30, amount to $28,738,026. This is an increase of $9,828,100 over the previous year.**

"I DIGEST!" Such is the true meaning of the word "Pepsin," one of the two Greek words from which it is derived. This is the significant and appropriate title of the True Digestive Fluid, or Gastric Juice, prepared by Dr. J. S. HOUGHTON, of Philadelphia, from the fourth Stomach of the Ox, for the cure of Indigestion and Dyspepsia. It is Nature's own remedy for an unhealthy Stomach. No art of man can equal its curative powers. It renders good eating perfectly consistent with health. See figure of the Ox, in another part of this paper. 19-1y

*From the International Journal.*

ONE OF THE BEST remedies for coughs, colds, asthma, consumption, and other kindred complaints, at present before the public, is Devine's Compound Pitch Lozenge. The proprietors are men who would scorn to offer an inferior preparation to the afflicted. We have tested their invaluable Pitch Lozenge ourselves, and we unhesitatingly recommend it to our friends. It can be obtained at the principal drug stores 21—1y

NO HUMBUG.—A humbug is that which is not what it professes to be, and hence deceives the people. All know this who have tried it, and thousands more who are sorely afflicted may know it in the same way. Only try it and you will be satisfied.

### MYERS' EXTRACT OF ROCK ROSE.

THE fact is indisputable that this medicine is superior to anything heretofore offered to the public, for purifying the blood. Keep your blood pure and you are safe from all those troublesome diseases that afflict so many of the human race. Myers' Extract not only purifies the blood, but invigorates the whole system, giving a healthy tone to the stomach and imparting life and energy to the weak and enervated.

REV. A. B. L. MYERS—*Dear Sir*—I have suffered very much with the *sick head ache* for fifteen years; there was scarcely a week but what I was obliged to give up my work; when by accident I became acquainted with your valuable Extract of Rock Rose, and have used one bottle. It has completely cured me. I have not been troubled with the complaint since, and I think it has otherwise improved my health very much.

### CONSUMPTION.

CONSUMPTION carries off more body known, as the falling disease. It commences and progresses so insidiously, that before one is aware of it, the lungs are a mass of ulcers, then a sudden exposure or change from heat to cold, produces an inflammation, and in a few days or weeks, it is said, in or the died of hasty Consumption. To all troubled with cough or lung complaint, we would refer to the advertisement on the outside of this paper of Judson's Chemical Extract of "Cherry and Lungwort," which is said to be a certain cure for this awful disease.
