THEATRICAL.

RECOVERED.—Mr. G. D. Cuspilo has so far recovered from his illness as to be able to join the New Market company at The Dalles.

CLOSED.—New Market is closed at present, and the public hope it will not be re-opened until some honest and able manager assumes control and secures attractions.

DEPARTED.—That clever comedian, Mr. Willie Simms, who has many admirers in Portland, has gone to San Francisco to accept an engagement at the Bush street Theater.

AT THE DALLES.—The New Market company, after playing here for some time for gas bills, have gone to The Dalles. A manager with any foresight would have closed the season when Barton Hill's engagement terminated, and allowed the company to go upon the road. If no business could be done with Mr. Hill, certainly none could be expected without him. It will take the people of The Dalles but a night or two to learn that the troupe is but a wreck of the company which opened here.

OPINIONS.—The gentleman who does the non-criticising for the *Sunday Welcome* thinks we alone are laboring "under any mistake in regard to the value of companies playing here" the present or any other season; but our friend, who has studied the drama so thoroughly in Milwaukie, Astoria and Portland, does not dare venture an opinion in the matter. While he does not lard the very crude performances of last week, he has not the courage to denounce them as impositions on the intelligence of the Portland public. Of course, his remarks are highly "important," as is evidenced by his interpretation of the term "management" as used by us recently.

Enterprise in Oregon.

There is considerable of it shown in Oregon in the way of building mills, railroads, and other needed requirements of the present day; but no enterprise has yet been started that will hold a light to the many cures effected by the use of the celebrated OREGON KIDNEY TEA. Ask for it, and see NO OTHER in demand. This is an Oregon production, composed of herbs.

PORTLAND, OREGON, July 29, 1878.

My Kidneys were in a very bad condition. The urine was very high colored, and I suffered a great deal with my back. All remedies were unavailing until I tried the OREGON KIDNEY TEA, which gave me almost immediate relief. H. HAMILTON.

PORTLAND, OREGON, August 2, 1878.

Having a severe backache last Winter, I was induced to try the OREGON KIDNEY TEA. I found it very beneficial in its results. It is not more unpleasant to take than other tea. I would recommend it to those afflicted as I was. JOHN P. FARNER.

PORTLAND, OREGON, July 31, 1878.

The OREGON KIDNEY TEA has cured my back and Kidneys, and I am at a loss to express my gratitude. I shall always remember the Oregon Kidney Tea with pleasure and esteem, and highly recommend it to all my friends and acquaintances. J. H. P. DOWNING (at P. Selling's).

PORTLAND, OREGON, July 31, 1878.

While I was in Tillamook last Winter, I was afflicted in my back and Kidneys so that it was almost impossible for me to reach Portland. When I got here I was induced to try the OREGON KIDNEY TEA. I drank, as my custom, the tea made from it, and it has effected a radical cure. I am highly recommend it to all who are afflicted as I was. E. COHN.

INDEPENDENCE, OREGON, December 18, 1878.

Both myself and wife have been for some years troubled with disease of the Kidneys, and had tried many remedies without obtaining any permanent relief. About three months ago we were induced to try a package of the OREGON KIDNEY TEA, where has apparently entirely cured both of us, neither being it was worse for an occasional use of the disease. We can heartily recommend it to others similarly afflicted, as we believe it will do all that is claimed for it. M. L. WHITE.

ASTORIA, OREGON, December 28, 1878.

I take pleasure in testifying in the merits of the OREGON KIDNEY TEA. For the past three years I have been suffering from Kidney troubles, and during the time have tried nearly every kind of Kidney medicine in the market, always without any relief. Having heard that the OREGON KIDNEY TEA possessed wonderful properties, I purchased a package, and from the first dose obtained relief, and by the use of the one package feel completely cured. S. GRAY.
