HALSEY'S *SUGAR-COATED.* MAGIC LIFE PILLS.

THE great patronage these justly celebrated Pills have gained since they were made known to the public, is one of the strongest proofs of their uncommon medicinal powers. They are now considered, wherever they are known, as a universal balm.—They are eagerly sought after by the discerning and wise part of the community. Their great works beauty for themselves, and they thrive alone by their *true merits!* and not by the puff of the credulous. Let those who are suffering with disease, try them for *once!!* Let them try them *precisely according to the directions* which accompany the box, and they will rejoice at the *happy change* which will be made in their condition!! Let the afflicted who have made use of every other remedy, without having ever been able to get any relief, try for *one single box*, and they will then be able to judge of their extraordinary powers!!

In cases of Costiveness, Indigestion, Dyspepsia, Jaundice, Fever and Ague, Nervous Debility, and all Bilious complaints, for which they are a sovereign remedy. Weakness, Piles, Saltrheum, Ulcers, Scrofulous complaints, Fever Sores, Biles, Impure Blood, Leucorrhœa, Asthma, Colds, Coughs, Influenza, Croup, Worms, Foul complexion, Bad Breath, Palpitation of the Heart, Fevers, Colic, Headache, Dullness, Nervous Affections, Loss of Appetite, Painters' Colic, and all general derangements of health, these Pills invariably prove a certain and speedy remedy. They restore to vigorous health the most exhausted constitutions.

The Sugar-coated Magic Life Pills are the commencement of a *new and important era* in Medicine! and the beautiful invention of coating them with *candid sugar*, gives them additional value, inasmuch as it does away altogether with that offensive taste which is always experienced in taking other medicine.

Agents for the sale of the Sugar-coated Magic Life Pills are Messrs PECK & SPEAR.
Price, 25 cents per box.
A sheet containing a short treatise on Diseases and Medicine, with full directions for using the Magic Life Pills accompany each box. This sheet, on application to the Agents, will be given gratuitously.

GREAT ATTRACTION FOR THE NEW YEAR.

THE *ILLUSTRATED* NEW ENGLAND FAMILY MAGAZINE.

NEW VOLUME!—*January*, 1846!!

MESSRS. BRADBURY, SODEN & Co. will issue on the 20th of December the *January Number* of this highly popular and valuable Magazine; being the FIRST NUMBER OF A NEW VOLUME. The great success which the publishers have met with in commencing a "FAMILY MAGAZINE" that should impart to its readers *useful knowledge*, as well as amusement and recreation, has determined them to make greater efforts to render the work still more valuable and attractive the coming year. They respectfully ask, therefore, the encouragement and patronage of every person who desires to have *useful* and *instructive* works take the place of the light and frivolous love tales, calculated to excite the bad passions in the young, which are, under the mask of *"cheap Literature,"* now so widely spread over the land.

Specimen numbers will be freely furnished when sent for, free of expense, and the publishers ask of an enlightened public an examination of their work.—Particular attention is drawn to the fact that clubs of TEN are supplied with the work at ONE DOLLAR A YEAR, or one copy of the "Family Magazine" and one copy of "Robert Merry's Museum" are supplied one year for Two DOLLARS—a degree of cheapness, quantity of matter considered, which has no parallel.

The Family Magazine will be published as heretofore on or near the first day of each month, on clear type and fine white paper. Each number will contain forty-eight double pages of reading matter, and be illustrated with from eight to twelve

NEW AND BEAUTIFUL WOOD ENGRAVINGS.

Making at the end of the year a splendid pictorial volume of useful and entertaining matter, containing 576 pages, and more than *One hundred Wood Engravings.*

TERMS.

LIVERWORT AND TAR.

A SAFE AND CERTAIN CURE FOR CONSUMPTION OF THE LUNGS, SPITTING OF BLOOD, COUGHS, COLDS, ASTHMA, PAIN IN THE SIDE, BRONCHITIS, WHOOPING COUGHS AND ALL PULMONARY COMPLAINTS.

IN the whole catalogue of remedies of all Pulmonary affections there is not one so universally known and whose virtues have been so thoroughly tested as TAR, and as a cure for colds, Coughs and Consumptions, it is understood to be without an equal. LIVERWORT, the other principal ingredient in this preparation is also known to be equally efficacious in relieving the primary and milder stages of Pulmonary affections. In combining these with other materials, the utmost care and skill have been exercised, and accomplished is the assertion in the efficacy of this Medicine that it is WARRANTED to give immediate relief in all complaints above specified, and if after a trial of twenty four hours the patient is not benefitted, he may return the bottle and the money will be refunded. Accompanying each bottle are directions for using, and recommendations from and references to those that have made use of the Medicine.

The Subscriber has been appointed sole agent for New England and New York, and has a supply on hand at wholesale and retail. Agents will be supplied on liberal terms. *Agents*, HARRINGTON & BROTHER, Burlington, J. M. STAPLE, Charlotte, JAMES PEARL, Winooski Falls, LUCIUS J. CHENEY, Port Henry.

BOSTON ALMANAC.

THE BOSTON ALMANAC, for **1846**, by S. N. Dickinson, will be ready for the public on or before the 10th of December. The new and splendid Map of Boston will again appear in this number.—Also a new Map of the Railroads in the Commonwealth of Massachusetts. This map shows at a glance all the roads diverging from Boston. Along each line of road, the stations or depots are legibly set down, with their distances from Boston. It also shows the route of the Long Island Road, and the course of the Hudson River as far as Albany. No Massachusetts man can examine this Map of Railroads without pleasurable feelings. At a glance he sees these great arteries of business life and prosperity all centering in the great metropolis of New England. The Miscellaneous department of the Almanac has received all due attention. The Business Directory and other local matters have been thoroughly revised, and made, in all respects, as perfect as possible.

Orders to be addressed, as usual, to the Publishers, Messrs THOMAS GROOM & CO. 22 State street, or to the Proprietor, S. N. DICKINSON, 52 Washington street.

TEACHERS' DEPARTMENT.

A limited experiment with a teachers' class during the past term has shown conclusively the advantages to be derived from establishing a department devoted entirely to this object. It is determined therefore to commence the present term with regular daily exercises to continue through the year: consisting of a careful renewal of the principles of the English Language, in all its parts, and with a design to present all the advantages of a normal school.—Those who would prepare themselves for teaching are invited to make the experiment.
