Married,

In West Milton, by the Rev. James Dougherty, Mr. T. NOBLE MERRILL, of Castleton, to Miss HARRIET HUNTING, daughter of Dea. A. Hunting, of former place.

Died,

In this town on the 31 inst., CHARLES TRYON, only son of Fisher and Mary A. Thayer, aged one year.

"Death found strange beauty on that polished brow
And dashed it out. There was a rose
On cheek and lip. He touched the veins with ice
And the rose faded. Forth from those blue eyes
There spake a wildness of intelligence, a doubt
Whether to grieve or sleep, which lingering
Alone may wear. With ruthless haste he bound
The silken fringes of those curtaining lids
Forever. There had been a murmuring sound
With which the babe would chide its mother's ear,
Charming her even to tears. The spoiler set
The seal of silence. But the frozen lip retained a smile,
So fixed, so holy, from that chaste brow,
Death gazed, and left it there. He dared not steal
The signet-ring of Heaven."

In this town, on the 5th inst., Mrs. SARAH DREW, aged 34 years 9 months and 22 days. For more than 20 years she has been laboring for that rest that remaineth for the people of God. Her sufferings have been very great, and though sometimes the flesh would shrink, and the deeply depressed nervous system for a moment would cause her to cry out, she overcome through Divine Grace, and being supported by that patience and fortunate religion, she can give, she wished all the days of her appointed time. Her end was happy, and though she left no children and relatives, she has gone to that friend that sticketh closer than a brother, where sickness and sorrow, pain and death, are felt and feared no more. Blessed are the dead that die in the Lord, for they rest from their labors and their works do follow them. S.

Notice.

TWO THEORIES IN CHITTENDEN COUNTY.—Notice is hereby given that Zachary Rosamond, Legal Stillwater, N.Y., will practise on Deafness and Blindness Sunday at the Rock Mountain House, in Essex, on the 20th inst., at 2 o'clock, in the afternoon, to continue six days only, for the benefit of Invalids in the county. Room will be reserved on a low rate for at least 100 Teachers, and it is hoped there will be no failure of attendance. Mr. Rosamond is said to be absolutely opposed to the fee trick, and with the assistance of his Gaseous Stimulant and the aid of gentlemen's Lecture evenings, it is hoped the attendance will find themselves greatly astonished in the science of hearing. Efforts will be made to tackle the Tattoo gentlemen upon a calculation, but should that and, we doubt not our most receiving the benefit will redound to their great advantage of the success. Arrangements of the Invalids Company Company, so now it is by no means all who are deaf, dumb and blind. Teachers, who are not avail themselves of this advantage, cannot be accommodated by a vote of the County Superintendent in the respective towns in the county, as it will not be considered his duty to petition each circuit for their accommodation.

Teachers will furnish themselves with Artificates, Gimlets and Brokers. Vests will be expected from Town Superintendents.

Dec. 2 MORTON COLE.

Dr. J. M. Perkins,

NOW at the American Hotel, Burlington, Vt., cures Pulmonary Consumption by a judicious Gymnastic exercise, cold water bathing, rubbing, &c. very little, also in some cases no medicine used.

TERMS—First examination and prescription $10—Persons who wish to go through with a course of this treatment will be charged by the week or month. Mr. Perkins received the benefical effects of this system in his own case, having been restored almost from the grave to perfect health, by this manner of treatment, and as he has spent the last ten years in studying the large circulation of the blood and the various gymnastic exercises, he feels confident that he can cure those cases of Consumption, Asthma, Liver complaints &c., which have hitherto been regarded as incurable.

N. B. Come before you are too weak to bear the exercise, and in fact you should come when you have felt the first symptoms. ☞ Remember that there are many things that consumptive people eat and drink that will be strictly prohibited.

RECOMMENDATIONS.

I have been very bad for many years with Asthma, which was fast terminating in consumption. I was confined to my room three weeks ago, when I sent for Dr. Perkins. I have strictly followed up to his direction, and I am now able to follow my daily employments.

LEONARD W. CRANDON.
Burlington, Vermont.

I have been afflicted with the Pulmonary Consumption for three years, and every thing that I have tried for relief failed. I am now under the direction of Dr. Perkins, and feel proud to say that I feel fast recovering.

ZIBA PUTNAM.
Winooski Falls, Vermont.

IMPORTANT TO THE PUBLIC.—This is to certify that I have had the Pulmonary consumption for five years, and every thing that I tried for relief failed. As soon as I heard of Dr. Perkins I went to him, and stayed with him one week, and I feel much relieved, and I firmly believe that he will make me a sound man.
