COUNTY NEWS.

JENKINSVILLE. April 5. Cotton planting is progressing rapidly, and some of our farmers have stands of corn up.

Wheat and oats are not looking very well, and very little fruit has been left by the frost. We intend, though, to plant a large tomato crop for the canning factory.

Mr. Joseph McMeekin will plant 15 or 20 acres of rice. He planted a few acres last year, which proved that rice planting could be made a success on low flat lands in this county.

Mr. C. D. Chappell's house will be completed in two or three weeks. The contractor will then commence one for Mr. J. K. Ragsdale.

Miss Julia Glass's school closed today, the public funds having given out.

Mr. F. B. Lucas, a well known merchant at Peak's, died of typhoid fever yesterday.

RIDGEWAY. April 5. The Democrats of this place and vicinity were called together by the president of the Democratic Club of Ridgeway, and a resolution was passed declaring that it was important to have a discussion of the issues before the people.

BLACKSTOCK. April 5. Dr. R. J. Allen, recently of Spartanburg County, has moved to our town, and is associated with Mr. R. J. Mackorell in the drug business.

Mr. William A. Morrison has been confined to his house by sickness for several days past, but is reported to be much better today.

Prof. Robert Morrison and family, of Chester, came down this morning on a short visit to his parents.

One day in the early part of this week just as Mrs. A. A. McKeown and her little daughter had stepped into their buggy which was standing in rear of Macdonald & Co's store, the mule became frightened and dashed off before her son could get in to take the reins.

Mr. William Brice, widely and favorably known in Chester and Fairfield Counties, died at his home near Bethlehem Church at twelve o'clock last Thursday night, and was buried at New Hope Church on Friday afternoon after religious services at the house by Rev. W. G. Neville.

Mr. Brice had been partially paralyzed for more than a year, but the recent attack rendered him utterly helpless, causing his death after a few months of intense suffering.

A LETTER FROM SPRING GROVE. Messrs. Editors: I certainly did write a part of a letter to you about the last of February, but concluded to rewrite it—well, I didn't do it, and intentions are worthless when not carried into action.

The storm, or cyclone or hurricane which visited Wintboro on the 22nd of March passed very near to us. It was destructive. It blew down many houses and unroofed many others.

As to the Ram, it is sold strictly on its own merits, as it is right here to show for itself, and as to spring water the great Master Mechanic put that there, and I suppose that he was the best judge of the human stomach.
