The Cheapest and Best Family and General Newspaper in the United States.

THE NEW YORK WEEKLY TIMES is a large and elegantly printed quarto sheet of eight pages, forty-eight columns—so arranged as to allow of easy reading. It contains the news of the week, and intends to be the ablest and most reliable WEEKLY FAMILY NEWSPAPER in the Country.

The first aim of the Times is, and will always be, to keep its readers thoroughly and reliably informed of everything which may happen, or may be in progress in any part of the world. It comments, and leads upon all topics of importance in every department of public action, and always with the interest of Freedom, Order, and the Public Good. While it unflinchingly and uniformly opposes error, it advocates every measure of just and beneficent Progress, and resists the accession or extension of or perpetuation of Slavery, and of everything else incompatible with the highest welfare of the whole community. While it reports promptly and accurately all intelligence of general interest in every department of human activity, it never pandders to sensual tastes, and excludes from its columns everything that might render it unsafe or improper for general family perusal. It seeks to promote the general welfare by urging the claims of

EDUCATION, MORALITY AND RELIGION

upon the classes of the people, and in all its discussions it endeavors constantly to be guided and controlled by the spirit of

MODERATION, PATRIOTISM, AND COMMON SENSE.

In its correspondence, both Foreign and Domestic, The Times is confessed to be superior to any other American Journal. Its reports on Congressional and Legislative proceedings, of Financial, Commercial and

GENERAL INTELLIGENCE,

of important Legal and Criminal Trials, and of whatever may have special interest for the great body of the community, are full, prompt and reliable.

Special attention is devoted to full, accurate and trustworthy reports of the

LIVE STOCK AND PRODUCE MARKETS,

for which a special corps of Reporters is maintained.

A LITERARY DEPARTMENT

will also be kept up, embracing

STANDARD NOVELS AND TALES,

"USE THE BEST!"

MRS. WILSON'S
HAIR REGENERATOR.

The Regenerator is put up in two sizes, and retails for 50 cents for pint bottles, and $1 for quart bottles. The quart bottles are much the cheapest.

Who wants a Good Head of Hair? Use Mrs. Wilson's Hair Regenerator and Hair Dressing.

Please read a few certificates from the following reliable and well known people.

MESSRS. HENRY P. WILSON & CO.—My wife is now using your Regenerator for the hair, and pronounces it far superior to anything she ever used for the hair. It is easily applied, does not soil to the least—has no disagreeable odor, increases the growth of hair, prevents it falling off, and often cures the headache. I forward you this certificate unsolicited, because I think an article that will do what your Hair Regenerator will, should be widely known. I think it is the best article for the hair now in use. *Respectfully, &c.,*

REV. JACOB STEVENS, Newburyport, Ms.

"I like the Hair Regenerator and Dressing very much." REV. GEO. W. WOODMAN, Hartford, Ct.

"I unhesitatingly pronounce it an invaluable article from the effect on my own hair."

S. A. HILL, wife of Rev. Henry Hill, Manchester, N. H.

"It renders my hair soft and glossy."

MINOR TAGGART, Saratoga Springs, N. Y.

"I feel confident that it operates not as a dye, but to restore the locks to their natural healthy state."

REV. H. H. NELSON, Nashua, N. H.

"I most cheerfully recommend it to all persons."

REV. C. RUSSELL, Lattleton, N. H.

November 1,

MESSRS. HENRY P. WILSON & CO.: I have no hesitancy in saying, in my opinion, your Hair Regenerator and Hair Dressing are the best preparations now in use. I shall continue to use them in my family.

REV. H. H. [illegible], Lynn, Mass.

November,

MESSRS. HENRY P. WILSON & CO.: I have used your Hair Regenerator and Hair Dressing, and have received great benefit from them. I deem the articles worthy of my recommendation, and cheerfully recommend them to all who want to restore gray hair to its original color, or to any who are troubled with dandruff, or a disagreeable odor of the head, or humors, or to those whose hair is falling from the head.

REV. O. W. H. CLARK, Great Falls, N. H.

MESSRS. HENRY P. WILSON & CO.: I deem Mrs. Wilson's Hair Regenerator and Hair Dressing the standard article of all hair preparations. I have, in many instances, known them to restore the hair where it had fallen off, remove dandruff, restore the hair to its original color, and entirely stop painful headaches—and in some instances most serious rumors. Personally, I have been a sufferer in several of these benefits.

REV. HENRY HILL, Manchester, N. H.

MRS. WILSON'S
COCOA-NUT OIL
HAIR DRESSING.

Mrs. Wilson's Hair Dressing is put up in large bottles, and retails for 37 cts. per bottle, and for dressing the hair of any person, young or old, there is not its equal in the world. It will make the hair everything you wish it to be, and moreover, it has a perfume that is infinitely superior to any of the fashionable extracts, other than the American, which alone should entitle it to a place on every lady's toilet table.

Use the Regenerator before retiring at night, and in the morning apply a little of the Dressing, and your hair will be even more lifelike in color and beauty.

Be sparing on your hair but these preparations, and use them according to directions, and we warrant you a good healthy head of hair.

Great Remedy for Coughs, Colds and Kidney Difficulties.

WHITE PINE COMPOUND.

PREPARED BY

DR. J. W. POLAND & CO.,

GOFFSTOWN CENTRE, N. H.

THE following testimonials will be interesting about a Medicine that is now becoming popular faster than any other article sold by druggists:—

Rev. J. K. Chase, of Rumney, N. H., under date of April 4th, 1860 says:—"When your favor, (two bottles of White Pine Compound,) was received, I was suffering from a most severe cold. I took the Compound, and was able to preach in two days. * * * I believe the Compound is an invaluable medicine. I do wish thousands who know nothing of its virtues, would become better acquainted with it."

Rev. L. G. Stevens, Pastor of the Baptist Church at Goffstown Centre, in a letter dated Feb. 20th, says:—"Some of my family have tried the Compound, with signal success. I believe it is the best of the cheap Remedies ever prepared. Besides its value as a Cough medicine I have good reason to believe it to be all it claims to be for Kidney Diseases and Diabetes."

Mr. Ira Goodhue, of Bow, N. H., was prostrated by Diabetes in March, 1859, that neither himself nor any one saw him thought that he could possibly live through the month. As a last resort, he thought he would try the White Pine Compound. They commenced feeding him a teaspoon to take it and to the surprise of all, he gradually showed signs of amendment. Have months afterwards (Feb. 20, 1860) he called at the store and said he believed the Diabetes White Pine Compound saved his life. He recommends it to all.

Mr. Jeremiah Kimball complained of Kidney Difficulty by taking the White Pine Compound, have been cured by taking it. I recommend it to all.

In fact there is Diabetes, Dropsy, Gravel or Bright's Disease, as a wonderful preventive for kidney complaints. I have suffered from that difficulty, I went to the apothecary for two bottles. They cured me. Afterwards they sent me eight fifty dollars. He has since sent a dozen more bottles for himself.

The second case was that of a business man in Salem, Mass. He was also cured of the same complaint. Afterwards he went to Minnesota. The great change of the journey brought on a return of his former difficulty, and seeking in vain in Minnesota for the Compound, he was compelled to send all the way to Salem to save it from wanders or exposure.

SALEM, MASS., Feb. 1, 1860.—Mr. J. W. Poland, Dr.—Sir, Your Medicine, has requested me to give a brief statement of what your White Pine Compound has done for me. I had been afflicted with the Kidney Complaint for a long time, and had a bad Cough of long years standing, which caused me to spit blood quite frequently. No one of my acquaintance expected that I should ever get my health again. My son has taken four bottles of your White Pine Compound, and has cured him of both the Cough and the Kidney Complaint.

I would also state, that a lady, a neighbor of ours, who had by different times a cough, that became so badly diseased, that she could hardly walk across the floor, and we all thought she was going to a premature consumption. She took only one bottle of your Compound, and it cured her. She is now well and hearty. STEPHEN BARTLETT.
