VOLUME III. MONTPELIER, VERMONT. MONDAY, SEPT. 28 1863 NUMBER 755

$500 WILL BE FORFEITED BY DR L. DIX if failing to cure in less time than any other physician, more effectually and permanently, with less restraint from occupation or fear of exposure to all other, with safe and pleasant medicines.

SELF-ABUSE AND SOLITARY HABITS,

Their effects and consequences;

SPECIAL AILMENTS AND SITUATIONS,

Incident to Married and Single Ladies;

SUCH AS NO OTHER PHYSICIAN CURES:

Mercurial Affections, Rheumatism, all Diseases of the Skin, Ulcers on the Nose, Throat and Body, Pimples on the face, Stammering, Blotches, Nervousness, Consumption and other Diseases of the Lungs, and the more advanced stages of all other diseases, of all ages, etc.

BOTH SEXES, SINGLE OR MARRIED.

DR. L. DIX'S

PRIVATE MEDICAL OFFICE,

21 Endicott Street, Boston, Mass.,

[illegible] that patients never meet or hear each other. [illegible] the only entrance to the office is No. 21, [illegible] the connection with his residence quite [illegible] uninterrupted, so that on no account can a patient be taken [illegible] at his office.

DR DIX

[illegible] and is cannot be contradicted, except by quacks, who will say or do anything, even perjure themselves, to impose upon patients that he

IS THE ONLY REGULAR GRADUATE PHYSICIAN AND SURGEON IN BOSTON.

SIXTEEN YEARS

engaged in treatment of Special Diseases, a fact so well known to many Citizens, Publishers, Merchants, Hotel Proprietors &c., that he is more recommended, and particularly to

STRANGERS AND TRAVELLERS

to avoid and escape imposition of Foreign and Native Quacks, more numerous in Boston than other large cities.

DR L. DIX

proudly refers to Professors and respectable Physicians—many of whom consult him in critical cases, because of his acknowledged skill and reputation, attained through so long experience, practice and observation.

AFFLICTED AND UNFORTUNATE!

be not deceived and add to your sufferings in being deceived by the lying boasts, misrepresentations, false promises, and pretensions of

FOREIGN AND NATIVE QUACKS,

who know little of the nature and character of Special Diseases, and less as to their cure. Some exhibit forged Diplomas or Institutions or Colleges, which never existed in any part of the world; others exhibit Diplomas of the Dead, now obtained, unknown; nor do they assuming and advertising in names of those inserted in the Diplomas, but to further their fraudulent designs, names of other most celebrated Physicians long since dead. Neither be deceived by

QUACK NORTHERN NAMES,

through the [illegible] Quacks are fearless and [illegible] distinct of their medicines by use of [illegible] expose or [illegible] their [illegible] to further their unprincipled designs. Special [illegible] is written on the qualities and effects of different herbs and positive [illegible] their Pills, Ointments, Specifics &c., most of which if not [illegible] Mercury, because of the ignorant belief of its curative properties, "but more known to kill than to cure." Quacks are killed, constitutionally injured for life.

IGNORANCE OF QUACK DOCTORS AND NOSTRUM MAKERS.

Through the ignorance of the Quack Doctor, knowing no other remedy, he relies upon MERCURY and gives it to all his patients in Pills, Drops &c., as the Nostrum Maker equally ignorant, adds to his so-called Extracts, Specific, Antidote, &c., both relying upon its effects in curing a few in a hundred. It is transported in various ways throughout the land—but AHAS! nothing is said of the balance, some of whom die, others grow worse and are left to linger and suffer for months or years, until relieved or cured, if possible, by competent physicians.

BUT ALL QUACKS ARE NOT IGNORANT.

Notwithstanding the foregoing facts are known to numbers, [illegible] Nostrum Makers, yet, regardless of the life and health of others, there are those among them who will even go into hypocritical ecstacies, declaring loving mercy to their patients or that it is confined to these [illegible] "that the usual fee" may be obtained, or probably cheating, or "the dollar" or "[illegible]" may be obtained, and so the Nostrum. It is thus that many are deceived, and uselessly spend large amounts for experiments with quackery.

DR. L. DIX'S

charges are very moderate. Communications secretly confidential, and all may rely on him with the strictest secrecy and confidence, whatever may be the disease, condition or situation of any one, married or single.

American & Foreign Patents.

R. H. EDDY,

SOLICITOR OF PATENTS,

Late Agent of U. S. Patent Office, Washington, under the Act of 1837.

76 State street, opposite Kilby st., Boston.

AFTER an extensive practice of upwards of twenty years continues to secure Patents in the United States—also in Great Britain, France, and other foreign countries, Caveats, Specifications, Assignments, and all Papers for Drawing for Patents, executed upon liberal terms and with dispatch. Researches made into Ancient and Foreign Works, to determine the validity or utility of claims to inventions,—and legal opinions rendered in all matters concerning the same. Copies of the claims of any Patent furnished by remitting One Dollar. Assignments recorded. [illegible]

The Subscriber is not only the largest in New England but through it inventors have advantages concerning patents, of ascertaining the patentability of inventions by a search of and examination of specifications of any which may be filed in the Patent Office. The testimonials below given prove that none is MORE SUCCESSFUL AT THE PATENT OFFICE than the subscriber, and as SUCCESS is THE BEST PROOF OF ADVANTAGES AND ABILITY, he would add that he has abundant reason to believe and can prove, that at no other office of the kind are the charges for professional services so moderate. The unremitting attention of the subscriber during twenty years past, has enabled him to accumulate a vast collection of specifications and official decisions relative to patents.—This, and his extensive library of legal and mechanical works, and full accounts of patents granted in the United States and Europe, render him able, beyond question, to offer superior facilities for obtaining patents.

All necessity of a journey to Washington, to procure a patent, and the usual great delay there, are here saved inventors.

TESTIMONIALS.

"I regard Mr. Eddy as one *of the most capable and successful* practitioners with whom I have had official intercourse.

CHAS. MASON, *Commissioner of Patents.*

"I have no hesitation in assuring inventors that they cannot employ a person more competent and trustworthy and more capable of putting their applications in a form to secure for them an early and favorable consideration at the Patent Office. EDMUND BURKE,

Late Commissioner of Patents.

"Mr. R. H. Eddy has made for me THIRTEEN applications, on all but one of which patents have been granted, and that one is now pending. Such unmistakable proof of great talent and ability on his part leads me to recommend all inventors to apply to him to procure their patents, as they may be sure of having the most faithful attention bestowed on their cases, and at very reasonable charges. JOHN TAGGART.

During eight months, the subscriber, in course of his large practice, made, on twelve rejected applications, SIXTEEN APPEALS, EVERY ONE of which was decided in his favor, by the Commissioner of Patents. R. H. EDDY.

CARTER'S CATHARTIC CANDIES

A SAFE, RELIABLE AND

THOROUGH FAMILY PHYSIC

NEVER, since the dawn of civilization, has there been recorded such an improvement in medical science as that inaugurated by the discovery of

CAREY'S CATHARTIC CANDIES.

The dangerous disgusting and dangerous pills, made of mercury and aloes, of nauseous salts and senna, of sickening sap and rhubarb powders, are now rendered; a new era opens up; the medicinal properties of the most and most expensive drugs, long known only to Doctor Carey, chemically extracted from their useless particles, every trace of smell and taste removed, and made into the form of delicious candies; there is no longer a necessity for parents forcing themselves or their children to swallow and strangle with loathsome-tasting physic.

CAREY'S CATHARTIC CANDIES

Have valuable medical properties that no pills or powders ever can possess. They can be given to those with the most delicate stomachs, without the slightest knowledge that they are taking physic; they are not to be swallowed whole, being the same to the centre that they are on the outside; place one in the mouth before retiring for the night, allow it to dissolve slowly away,—its taste will be found delicious, while there are a variety of flavors to suit every palate. For all disease originating in the Stomach, the Bowels, the Liver, or the Kidneys, there has never been a medicine in existence that could equal them. They are guaranteed not to contain a single particle of Mercury or other mineral or corrosive substance, and can be given to the weakest infant with perfect safety. Their penetrating properties cleanse and invigorate every portion of the human body, correcting its diseased action and restoring its health, strength and vigor. Their effect upon the blood is to purify it from all unhealthy humors, and to instil into it a new life and richness that will cause the oldest and most aggravated complaints to speedily and permanently disappear. Subjoined is the certificate of the celebrated chemist, Mr V. S. HULTON, the highest authority in the United States, who has carefully examined and thoroughly tested the properties and value of the Candies. Hear what he says regarding them:

New York, Jan 31, 1862.

Mr. GEO. C. BARCLAY,

Proprietor of Carey's Cathartic Candies:

DEAR SIR,—I have analyzed and tested critically your Carey's Cathartic Candies, which I hereby certify to be a safe and very efficacious physic. They do not contain any mineral or corrosive substance and may be administered to invalids or children without fear. I consider them to be a very important discovery, and one which is of the greatest value to the community at large. I am, &c.,

V. S. HULTON, Analytical Chemist.

SICKLY FEMALES

should lose no time in trying a few doses of this regulating and removing remedy; whatever may be their complaint, it can be taken with safety in all periodical and other disorganizations, its effect is all powerful and miraculous.

UNREFUTED PROOF.

The testimony of Nations is unanimously borne to the health giving virtues of this noble remedy and certificates in every living language bear witness to the UNEXAMPLED EXCELLENCE of their INTRINSIC WORTH.
