—Dr. Glenn will please accept our thanks for some of his hybridized cotton seed. We are sorry to learn that the Doctor is not so well just now, and hope that he will soon recover and send us some more of his very interesting articles on agricultural subjects.

—Capt. W. G. Jordan is the recipient of a handsome picture of the Barton Light Infantry, of Waynesboro, Ga. Dr. H. B. McMaster, formerly of our town, has been elected second Lieutenant of this company. Dr. McMaster was for a long time an officer in the G. L. I.'s. It is the same

old story. Wherever the G. L. I.'s go they are made officers.

—The latest novelty in the chewing gum trade can be seen in front of Dr. W. E. Aiken's drug store hanging on a post. It is a very unostentatious looking machine. Should you have a penny and desire a stick of gum take it and drop it in the box and out comes your chew. Call and give it a trial. Don't forget to take your girl with you, for every woman is struck on chewing gum nowadays.

—Capt. W. G. Jordan has in his possession a copy of a picture of Genl. Robert Crawford, of the British Army, taken over a hundred years ago. This General was a grand uncle of Capt. Jordan on his mother's side. To the reader of the Irish Dragon, this picture would have special interest as it was he who figured with Charlie O'Malley in the Spanish war.

—Dr. Evans has come in to make his headquarters in Winoosboro for a short time. He has treated with success quite a number of the best people in our adjoining Counties. The Governor has offered a reward for the assassin. Mr. Gilbert thinks he has eyed the right bird. The photograph has been sent to the Sheriff of Union.

—Andy Brice, who left Mr. Wylie's some time ago for Mississippi, has returned again to his old home. He says he thinks he will stay. Andy says he has three weeks on the road, that the Mississippi River is all over the whole country, and there is no way of moving around unless you can get a boat, and boating about to find your cotton patch is not the thing for one who has lived on high land. He says further that there is not one of all the families who left here who are satisfied, except James Snake Wylie, who was fortunate enough to get with a man who let him have two mules and two cows. Andy is not very enthusiastic over his Mississippi trip as may be expected. After the luck he met with he thinks that all the others will be back before long.

News reached town on Wednesday morning of the death of a child of Mr. Frank Brown.

MEETING OF THE EXECUTIVE COMMITTEE.—The Executive Committee of the Democratic party of Fairfield County met on Saturday. After some discussion the following resolution was passed:

Resolved, That in the opinion of the Executive Committee it is unwise and injurious to inaugurate the political campaign of 1890, at this early day, and it is eminently recommended to the various Democratic Clubs in the county not to organize for the campaign until advised so to do by the County Executive Committee, and not to participate in their organized capacity in meeting for public debate which are not authorized by the regular constituted Democratic authorities.

THE HOOK AND LADDER COMPANY.—The colored Hook and Ladder Company held their anniversary meeting in the Town Hall on Friday night and elected the following officers:

Mr. W. H. McBride Smith is in town on a short visit. Mr. Smith has for some time been engaged in the Moffatt Manufacturing Co., of Chester, S. C.

Mrs. S. S. Wolfe, after a pleasant visit of ten days with friends in Charlotte, N. C., returned Friday.

Mrs. La Bruce Sampson, of Georgetown, S. C., is visiting Mrs. Ulysse G. Desportes.

ERMINIE.—Miss Etta Wolfe has succeeded in filling out the caste for the opera Erminie with good voices and home talent. The fact that Miss Etta Wolfe is directing this entertainment is a guarantee that the people of town and county have a rare treat in store. It is quite an undertaking to get up an opera, such as Erminie, in a place the size of Winoosboro with home talent, but our community never fails when once it is committed to a thing. Therefore was a success, a howling success, and the Kirkness was wonderful. But those who have taken part in Erminie should remember that these entertainments were successful because those who understood them took a real interest in making them so. This we feel sure, will be done again in Erminie, and that the home talent will be sufficient to bring out this beautiful little opera.

THE PENITENTIARY FARM.—At the last session of the Legislature the directors of the penitentiary were authorized to purchase a farm upon which the convicts may be worked. Forty thousand dollars were appropriated for the purpose. Accordingly a sub-committee was appointed by the board to advertise and purchase the necessary lands. Upon this sub-committee was placed Director Anderson, of this County. Three tracts of land were offered, the True Blue plantation in Orangeburg, the Taylor place in Richland, and the DeSaussure place in Sumter. The owners of the True Blue and Taylor places asked \$40,000, while the DeSaussure place was offered at \$25,000. This latter place Director Anderson considers more valuable than the others, and will probably cast his vote for its selection. There are claims that the place nearer Columbia is best suited on account of the proximity to the penitentiary, but as Capt. Anderson says, it is doubtful if this is an advantage and it certainly is not sufficient to overcome the difference of \$15,000 in the prices. Economy is the cry in public affairs at present, and should be, and we agree with Capt. Anderson in his efforts to save the public treasury the nice little sum of \$15,000 in one lump.

THE FARMERS' CONFERENCE.—Nothing Wrong Seems to Have Been Done.—An Address Issued to the People.

COLUMBIA, April 23.—[Special.]—The meeting of the conference of farmers in Columbia to-day was very successful. Twenty Counties were present by delegates, and ten more by letters endorsing the movement. M. J. Woodward called the conference to order at 12 m., then was the much talked of "counter conference" in session. Capt. Iredell Jones, of York County, was made chairman, and Co. J. J. Dargan, of Sumter, Secretary. A committee of five was appointed to draft an address to the Democratic farmers of the State. After an adjournment of a few hours, met again at 5 P. M., when the address was read which calls on the people to stand by the Democratic party, and in which the party is strongly defended, especially its methods. Unity and calmness are urged. From the spirit shown at the conference, it is not probable that Mr. Tillman will be given uninterrupted sway to represent things as he chooses without some reply.

TRIBUTE OF RESPECT.—From Bethel Sabbath School, Fairfield Circuit, S. C. Conference.

Whereas, it has pleased our Heavenly Father to remove from our midst our friend and brother, Nathan C. Robertson, who for a long period has been connected with our Sabbath School as a teacher. Therefore, be it resolved:

1. That we sadly miss the presence of our brother and his counsel and instructions, but we bow in humble submission to our Father's will knowing that he is too wise to err, too good to be unkind.

2. That we will cherish his memory and hereby record as a Sabbath School our appreciation of his services with us as a teacher in this school.

3. That we pray the sustaining grace of God may be with his wife in her loneliness and deep sorrow.

4. That the secretary record these resolutions in our Sabbath School journal, and that a copy be sent to the bereaved wife, also to the Winoosboro NEWS AND HERALD and Southern Christian Advocate.

J. L. CAUTHEN, D. G. RUFF.

QUESTIONS FOR CAPT. TILLMAN.—Messrs. Editors: Will Capt. Tillman answer the following questions at the Ridgeway meeting on the 3rd day of May?

1. Who are the aristocrats? What is your opinion of the aristocracy of this State?

2. Do you still consider the Citadel a dupe factory? If so, why? If not, why not?

3. What is the difference between the State House ring and the Tillman ring?

4. Name the Railroad Commissioners who have been named, so to speak.

5. Don't you think your suggestion as a candidate for Governor a minority suggestion? If not, why not?

6. Did you ever say, "I do not want to be Governor of the State, but simply a Trustee of a S. C. State Agricultural College?"

By answering the above you will oblige a CLOD HOPPER.

REMARKABLE REUSE.—Mrs. Michael Curtin, Plainfield, Ill., makes the statement that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine could cure her. Her doctor suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself bettered from first dose. She continued its use and after taking ten bottles, found herself sound and well, now does her own housework and is as well as ever was. Price 25 cents. Sold everywhere. MR. MEARES REPLIES.—To Major T. W. Woodward's Letter. Tri-Weekly News and Herald, April 25. Major T. W. Woodward.

Sir—You have seen fit to publish in the issue of the County paper of the 22nd inst. an article purporting to be a reply to a courteous letter I addressed you in regard to some arrangements proposed for the proper management of the public meeting here, in which you had previously accepted an invitation to participate as one of the speakers.

I pass over any reference to your extraordinary conduct, from the standpoint of a gentleman, in printing a reply to a letter of politeness without notifying me even of your intention to make your letter public, and even then not quoting any more of mine to you than would serve the object you so plainly had in view. I pass that over, for I am convinced from your action in this matter that you are incapable of realizing your indecency.

But as it has been made a means of bringing a slur upon this County Alliance by alleging a most false and unwarranted charge that its secretary was inducing it to participate in politics as an organization, your article is calculated to bring that body and myself into obprobrium.

Hence I am impelled, however reluctantly, to denounce the method you have taken to evade facing Tillman at this place, by an unprovoked and ingeniously concocted attack upon me in the press of the State—not to speak of the fact, gravest of all I charge against you, that if you had not suppressed my entire letter it would have plainly shown that my only purpose in writing you was to inform you of the part of the action I had desired on the part of your own sub-alliance, in the matter of these committees, so that if your view were correct, every true friend of the Alliance appointing their portion of the entire committee.

If the statement you make in the outset is true as to a partisan nature of the meeting which invites Capt. Tillman on the one hand, and you would have Capt. Tillman on the other, "divide time" in a joint discussion, your previous letter of acceptance precludes you from any withdrawal except upon weighty reasons, unless you are willing to incur the just criticism of all true citizens of the County who have indignantly chosen you expressly for the purpose of protecting them from vicious and "appalling" schemes, if you think them so, of men alleged to possess selfish designs upon the county, and to be dangerous to the prosperity of the people you represent. You must feel that you are justly liable to this charge of delinquency in the discharge of your duty as you profess to understand it, when you assign as a reason for perpetrating this act, the unimportant fact, as you allege, that the Alliance has been lugged into it. As a good Alliance man you must know that, if you believe yourself wrong in your statement, you should have stated that reason, your duty is all the more clearly defined, and you are to be expected to stand in the forefront of the State, denounce the equal wrong you allege will be perpetrated upon the Alliance body. But I do not believe any one in this County is so blinded by prejudice as to be so much as to do this.
