New Advertisements. I. N. Withers for Auditor. Your Attention—D. Lauderdale. W. A. Smith for Jury Commissioner.

The Mutual Life Insurance Company of New York. Summons—A. S. & W. D. Douglass, Plaintiff's Attorneys.

Local Events. —J. M. Beatty & Bro. are making some improvements in their store. —The Fairchild contingent to the straightout conference held in Columbia on the 10th inst., amounted to 66.

—Miss Alice McMaster, after giving a spell of sickness, we are glad to announce is rapidly recovering her health. —The grass on the streets of the town is in a flourishing condition at present, in spite of the work recently done on them.

—A male belonging to Mr. S. B. Crawford, in a way on Tuesday morning with the wagon to which was hitched. No damage was done. —A called meeting of the County Alliance will be held on Friday, 25th inst., at 11 o'clock. Business of importance. D. P. Crosby, President.

—Solicitor McDonald has been appointed a delegate to the American Bar Association which will meet at Saratoga. This is quite an honor and one worthily conferred. —The boys are getting up a base ball team. They say that in a few days they will be ready to receive challenges. Is it not one of the county teams that can come out and take the starch out of them?

—Mr. W. H. Flemming has quite a novelty in the line of pens—something real unique. It is nothing more nor less than a blind bozzard. He says he is waiting patiently for it to sing. How did you originate such an idea, Harvey?

—The Council and County Commissioners have relieved the town and the public generally of an unpleasant spectacle heretofore daily to be seen on the streets by sending to the poor house the old cripple Dave Clowney, better known as "Knee Dave."

—We request the Secretaries of the Democratic Clubs in the county to send us, as soon as possible after their respective club meet, a report of the proceedings. We will mail in return the Weekly News and Herald free of charge during the campaign.

—Bear Creek Club reorganized on the 12th inst. and elected the following officers: President, E. A. Heins, 2nd vice-president, F. M. L. Duke; secretary, S. C. Duke. Club Executive Committee: H. C. Wilson, J. H. Cooper, Samuel Sims.

—The dance in the quarry on Friday night was a brilliant success, the attendance being large and enthusiastic. About 10 o'clock was opened with a waltz and kept without intermission until 3 o'clock in the morning. The Chester band furnished the music for the occasion.

—The Rock Quarry was visited on Wednesday by a merry crowd of youthful spirits who were out for a regular rousing time. About thirty of the younger set of girls and boys under the supervision of Mrs. Withers and Mrs. Creight were in the band. They were in high glee and evidently looked forward to a jolly time.

—An unusual crowd of negroes gathered at the passenger depot on Sunday just before the down train arrived. On inquiry it was ascertained that an elopement had taken place among the colored population and the runaway couple was expected to arrive on that train. They did come greatly to the delight of the assembled throng. John Goins and Lilla Milligan were the happy pair.

—Several young ladies and gents went on a pleasure excursion Thursday afternoon to the Rock Quarry, they took the train at Winstonsboro as far as Rockton, at that point meeting the quarry train in charge of Mr. T. F. Davis. After the party arrived at their destination all took a ramble over the grounds, after working themselves out by their perambulation the whole party sat down on a huge boulder to a most bounteous supper prepared by the young ladies. Supper over they took to the wagon and arrived safely in town about 10 o'clock.

CLUB MEETING.—Gladden's Grove Democratic Club is called to meet on Friday, July 18, at 3 o'clock p. m. A full attendance is requested as business of importance will be transacted. J. M. Higgins, President. J. M. Elliott, Jr., Secretary.

BLYTHEWOOD CLUB MEETING.—We are informed that the BlytheWood Democratic Club met on Saturday and elected Bratton officers and Bratton delegates to the County Convention, and that afterwards the friends of Capt. Tillman withdrew and elected delegates and officers in favor of that candidate for Governor.

IMPORTANT.—It seems that there is some dispute as to the rights of minors in the respective clubs. Attention is called to the following resolutions passed at the County Convention on July 15, 1888: That the present membership of the clubs be left undisturbed in their privileges.

That in future only members entitled to vote at the next ensuing general election be allowed to vote at the primary election or for delegates to any County Convention. That the Executive Committee ascertain whether similar laws prevail in other counties in the Congressional and Judicial Districts, and take necessary steps to secure uniformity.

That each club be allowed to enroll on its membership minors of not less than 16 years of age. Such minors have the privilege of voting for officers only.

PERSONAL.—Misses Lottie Barber and Mary Anderson, of Richburg, are spending a short time with the family of Mr. G. W. Crawford.

Miss Pat Edmunds returned to her home in Ridgeway on Tuesday after a short visit to the family of Dr. Boyd. Miss Margaret Clowney, of Buckhead, is on a visit to her sister, Mrs. C. E. Cathart.

Mr. J. D. McCarley arrived from Greenville on Wednesday. Mrs. Perrin, of Columbia, returned home on Wednesday. Misses Mattie Mackorell and Mary Sigreaves have arrived in town on Tuesday after a visit of a few weeks in Columbia. Miss Mattie left for her home in Blackstock on Wednesday.

Mr. Joseph Groeschel and family left Wednesday for Chester, which place will be their permanent home. Mr. I. L. Withers is in town on a visit to his father and family. Mr. A. S. Gaillard returned from Palmyra, Miss., on Wednesday. He will remain some time in theboro.

Miss Maggie Rion is on a visit to her mother. Mr. Wade Nicholson, of Huntersville, N. C., is visiting at Mr. Henry Elliott's. Miss Rosa Sims, of Lowryville, is visiting the family of Capt. Withers.

Miss Jessie Aiken left on Saturday to visit the family of Mr. J. G. Mobley. Mrs. M. C. Rion went to Charleston on Sunday. Mr. Albert E. Gerig left on Sunday evening for Augusta, Ga. He has been offered a position as telegraph operator in one of the offices on the Port Royal Railroad. We heartily wish him success in his new field of labor.

TRIBUTE OF RESPECT. The following tribute was passed by Shady Grove Alliance, No. 14, July 5, 1890: Whereas, our Heavenly Father has removed from our midst our brother, W. J. Wilson, Sr., therefore, be it resolved—

1. That we, the members of this Alliance, feel that we have lost one of our most faithful members. 2. That a blank page in our journal be inserted to his memory. 3. That a copy of these resolutions be sent to the members of his family, and also published in THE NEWS AND HERALD. H. F. GOSWELL, J. B. MORRISON, J. B. MORRISON, Committee.

THAT BOUQUET. Messrs. Editors: Mrs. Owen's card, in your issue of the 9th inst., compels reluctant attention. Misses Fannie Cook, Eliza McMeekin, Sallie McMeekin and myself while regretting the necessity that forbids the withholding of our names from the public, take pride in stating that we prepared a bouquet of flowers as a compliment to Capt. B. R. Tillman, the great champion of self-government, the next Governor of South Carolina. Mrs. Owens went outside of Monticello to attend Mrs. W. D. Davis' name to her list of non-participants in this well merited compliment. We are at a loss to apprehend why she did not add the names of all the ladies in this township, except our own. She could have done so with equal propriety. We are authorized to say that other young ladies of Monticello would have joined us, if they had been advised of our intention. L. C. KIRKLAND, Monticello, S. C., June 11th, 1890.

LET'S HAVE PEACE. Messrs. Editors: I have always thought that farmers were as much entitled to the "grand old name of gentleman" as any other class of citizens. In the olden days, the name of farmer was the synonym of honor and courtesy, but, the treatment Gens. Hampton and Bratton and Col. Youmans received at Aiken, Laurens and Ridgeway brings the flush of shame to my cheeks, and I feel constrained to exclaim, "Oh! Liberty, and such deeds are done in thy name." It savors more of the days of the French Revolution, than of a meeting of Carolinians to consider the merits of candidates for the gubernatorial chair. In listening to the harsh criticism so prevalent nowadays, it is difficult to realize that some of them are the professed followers of the Lord Jesus who laid down the "Golden Rule" for their guidance. Oh! for a shower of God's grace to eliminate all bitterness from the hearts of the people, and incline them to follow the things that make for peace. PEACE.

THE CLUBS WILL TAKE NOTICE. 1. All Democratic clubs in this county not already reorganized must proceed to reorganize at once. 2. A County Convention will be held in Winstonsboro at 11 a. m. Saturday, 2nd day of August next, to elect a County Chairman and to elect delegates to a State Convention to be held in Columbia on the 13th day of August next to decide whether the candidates for Governor and other State offices shall be nominated by primaries or otherwise, and for no other purpose.

3. It is the sense of the Executive Committee that the constitution does not authorize any club to elect a delegate for any fractional number of members over the twenty-five members necessary for the election of a delegate. 4. In electing delegates to the County Convention it is the sense of the Executive Committee that the constitution does not authorize any club to elect a delegate for any fractional number of members over the twenty-five members necessary for the election of a delegate.

5. Each club is hereby requested to send to G. W. Ragsdale, Secretary of the Executive Committee, a list of the membership of the clubs of the county on or before Monday, 28th July, just; and that in making up said lists the exact ages of all minors entered therein who will not be entitled to vote at the next ensuing election be indicated. 6. Presidents of clubs are earnestly requested to notify G. W. Ragsdale, secretary, of the names of officers of reorganized clubs. H. A. GAILLARD, County Chairman. G. W. RAGSDALE, Secretary. Winstonsboro, July 14, 1890.

7. We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery, Dr. King's New Life Pills, Bucklen's Arnic Salve and Electric Bitters, and have handled remedies that sell well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results are not obtained. We have not only had our own popularity, but we have won the great popularity purely on their merits. McMaster, Brice & Ketchum, Druggists.

MEETING OF THE EXECUTIVE COMMITTEE.

On Friday the Democratic County Executive Committee met in the Court House. Some very important business was brought before the Committee—matters of the utmost importance. Among the most important which they had before them for consideration was the following resolutions, which were adopted:

Resolved, That it is the sense of the Committee that the Constitution does not authorize any club to elect a delegate to the County Convention for any fractional number of members over the twenty-five necessary for the election of a delegate. Resolved, That it is the sense of this Committee that inasmuch as the amendment in reference to membership of minors in the local clubs passed by the last County Convention was not ratified by the clubs and consequently is inoperative, the clubs are not entitled to representation on the basis of the membership of minors not entitled to vote at the election next ensuing.

Resolved, That the resolution heretofore passed by the Committee requiring the clubs to send in to the secretary of this Committee lists of the membership of the said clubs upon which representation in County Convention should be passed have reference to the convention next to be held on the 2nd day of August next, as well as to subsequent conventions. That the secretary of each club be required to send such list of membership of their respective clubs to the secretary of this Committee five days before the meeting of said convention on the 2nd day of August next, as well as the list of the exact ages of all minors entered therein who will not be entitled to vote at the next ensuing election be indicated.

Resolved, That a committee of five be selected by this Committee to re-organize the clubs in the county, and to see that the exact ages of all minors entered therein who will not be entitled to vote at the next ensuing election be indicated. Adopted. The following are the committee: Galloway, Cooper, Kennedy, Obeir, Ragsdale.

Resolved, That the thanks of the Committee be extended to our chairman, Capt. H. A. Gaillard, for his kind and courteous consideration for our convenience during our sessions. Permission was granted by the Committee to the following places to form new clubs: Loreb, Longtown, Cedar Creek, Greenbrier and Monticello. A petition was presented in behalf of Feasterville to be allowed to form a new club, but said petition was rejected, there being no evidence before the Committee to show that petitioners did not participate in the reorganization of the Feasterville club, and no evidence to show that petitioners have the requisite twenty-five members. The Committee then adjourned.

THE YOUNG MEN'S DEMOCRATIC CLUB. A meeting of the Young Men's Democratic Club of this place was held in the Court House Tuesday night for the purpose of reorganizing the club and electing new officers. There was a full attendance and great enthusiasm was manifested in the present hall at White Oak on Saturday evening at 3 o'clock p. m. The president called the meeting to order and explained the object of the call, which was to reorganize for the present campaign. The first business taken up was the revision of the roll; after this being done there were about fifteen new members enrolled. In the revision of the roll, the name of Gen. Bratton and all of his supporters, about twenty-five with drew, leaving the club with seventy-eight members solid for retrenchment and reform.

The next business was the election of officers. They are as follows: President—S. R. Johnson. 1st Vice-President—W. D. Douglass. 2nd Vice-President—Q. D. Williford. Secretary and Treasurer—W. D. Gaillard. Member Executive Committee—G. W. Ragsdale. The election of delegates to the County Convention was then taken up, and on the announcement of the result there was tremendous applause. The delegates are H. F. Goswell, G. B. Tennant, John H. Bankhead, M. H. Mobley; Alternates: S. H. Terrace, John A. Gibson and M. Y. Bankhead.

The following resolutions were offered and unanimously adopted amid deafening applause by a rising vote. Resolved, That the members of White Oak in club assembled do hereby endorse the action of the March Convention and its nominee for Governor, Capt. B. R. Tillman for retrenchment and reform. And that we hereby pledge ourselves to work for and promote by every legitimate means in our power the continuation and existence of its methods and principles. 2. That we denounce as wilfully and knowingly false the charges of corruption and extravagance made by designing politicians and office-seekers against the Democratic Party of this State, and declare the same to be highly detrimental to our party and people and as calculated to subvert and destroy Anglo-Saxon supremacy in this State. 3. That as true and faithful exponents and defenders of the principles herein announced, we do most heartily endorse the candidacy of Gen. John Bratton for the high and honorable position of Governor of South Carolina, and hereby pledge and assure him our earnest, zealous and unconditional support for said office. 4. That a copy of these resolutions be sent to each of our newspapers, the News and Courier, the Charleston World, Columbia Register and the Greenville News for publication.

THE WOODWARD DEMOCRATIC CLUB.

The Woodward Democratic Club met and reorganized electing the following club officers and delegates to the County Convention: President, Capt. R. W. Brice; vice-presidents, R. J. Mackorell and W. W. Brice; secretary, Dr. J. M. Brice; treasurer, J. A. Stewart. Delegates to County Convention: W. B. Woodward, Jr., S. B. Clowney, Major T. W. Brice, R. J. Mackorell. Alternates: J. M. Blain, A. J. The committee on resolutions, consisting of W. Woodward, Dixon, Major T. W. Brice and J. R. Craig, submitted the following, which were unanimously adopted: Whereas, we, the members of the Woodward Democratic Club recognize in Gen. John Bratton a true statesman, soldier and gentleman, and one well qualified to be at the head of the grand old Commonwealth: be it therefore resolved

1. That we use our every effort and resort to all honorable means in securing him the nomination as Governor of the State of South Carolina. 2. That this meeting and action of the club be published in the News and Courier and Fairfield News and Herald.

THE MEETING WAS A STRAIGHTOUT DEMOCRATIC DEMONSTRATION. Dr. J. M. BRICE, Secretary.

DEMOCRATIC CLUB MEETING. Tillman Delegates Elected. LONGTOWN, S. C., July 14. Pursuant to notice the Longtown Democratic Club met at 4 p. m. Saturday, the 12th inst., for the purpose of reorganizing. After the revision of the roll, the club entered at once into the election of its officers. In a few fitting words Mr. J. C. Stewart presented the name of Mr. R. B. Lewis as a nominee for president. All of the votes cast resulted in the election of Mr. R. B. Lewis which was embraced, with the wildest of wildest applause. The other officers elected are: J. A. Stewart, 1st vice president, Levi Moore, secretary and treasurer, E. P. Jenkins executive committee man. The delegates to the County Convention are R. B. Lewis, W. J. Seigler, D. G. Smith and D. W. Tidwell. They are instructed to vote first and last and all the time for Tillman. The retiring president made a brief and impressive speech. It was resolved to request THE NEWS AND HERALD and the Charleston World to publish the action of this meeting. [We are reliably told that forty-three former members of the Longtown Club did not participate in the proceedings of the club meeting and formed a separate club.—EWS.]

WHITE OAK ELECTS TILLMAN DELEGATES. In pursuance of a call the White Oak Democratic Club assembled in their hall at White Oak on Saturday evening at 3 o'clock p. m. THE NEWS FROM SPRING GROVE. Messrs. Editors: One day last week one of the most horrible and revolting deaths on record occurred in our neighborhood. About two months ago I was called on to marry a couple, Mr. Dan Holland, a widower of about middle age, and Miss Chappell, a girl of about seventeen, a daughter of the late James Chappell, of Newberry. This young bride, one day last week, went to see her mother some six or eight miles from Holland's. She rode in one of the improved carts, no one with her except a negro woman. In the afternoon she set out for home, and had gone perhaps two-thirds of the way when, perhaps a cloud coming up, she cut the horse with the whip, and about the same instant a rough place in the road gave the cart a jolt, and threw her out. The negro woman in trying to catch her fell out also. Mrs. Holland's foot in the fall became strangely entangled in some way so that it could not get loose, her head hanging down about to the ground. The horse kept on trotting, and carried her over a half-mile in this condition to the next house, (Mrs. Payne's) where he went into the yard and stopped. Of course she was dead, her body divested of clothing, was black and swollen to near twice its size one of her ears was gone and had not been found; of a white apron she had on only a small piece of the border could be found. Those who dressed the body had a long revolting task in taking the straw, trash and dirt from the deep cut wounds. Her head and shoulders must have been dragged on the ground all the way. Whether she broke her neck in the fall or whether the skull had been broken by some rock or stump I have not learned. There are conflicting statements about this horrible death. The body was not taken home, but was taken from Mrs. Payne's the next day, and buried at a neighboring church. I learn that though the negro was not entangled in the fall she is not expected to recover from it.

When any of us leave home, we may say as Paul said when speaking of going up to Jerusalem, "not knowing the things that shall befall me there." SPRING GROVE, July 8, 1890.

OBITUARY. At home in Lincoln, N. C., on 28th June, 1890, the pure spirit of Mrs. Annie Pagan Davidson, wife of Col. William Lee Davidson, departed to rest in the eternal realms of the blessed, and is receiving the rewards due a faithful life. Mrs. Davidson was the second daughter of Maj. James Pagan, formerly of Chester, and she married Col. Wm. Lee Davidson, of North Carolina. To them eight children were born, all of whom survive, including the little boy who became motherless when only a few hours old. The deceased was only forty-three years of age when the summons came and closed a life which had so much of usefulness to others and upon which so much depended. Her life was not more than half spent. Mrs. Davidson was endowed by nature with great loveliness of character to which had been added many graces. Her usefulness and regard for others was a beautiful trait in her character; to her no self-sacrifice seemed too great when made to contribute to the comfort or happiness of some loved one; her happiness was the happiness of those she loved. Amiable, kind, gentle, thoughtful, all who knew her loved her, and her untimely death is mourned by a host of friends. In the family circle she was the devoted companion and helpmate and the mother became the confidential and beloved friend, sympathizer and adviser. In early life Mrs. Davidson connected herself with the Presbyterian Church, of which she lived a consistent and devoted member. The writer has known Mrs. Davidson well and esteem it a privilege to offer this feeble tribute to the memory of one whose life shed so much of happiness around it.

"Hunger is the Best Sauce." As a rule, a person who has a good appetite has good health. But how many there are who enjoy nothing they eat, and sit down to meals only as an unpleasant duty. Nature's antidotes for this condition are so happily combined in Hood's Sarsaparilla that it soon restores good digestion, creates an appetite, and renovates and vitalizes the blood so that the beneficial effect of good food is imparted to the whole body.
