TO THE TENNESSEE PUBLIC.

THE PUBLIC HAVE BEEN SO OFTEN imposed upon by unprincipled men who have advertised worthless nostrums as valuable Medical Remedies for disease, that it is now extremely difficult to introduce an article of real merit. In calling your attention to

DR. J. BOYEE DODS'

IMPERIAL WINE BITTERS,

we feel confident that we are performing an act of humanity to the afflicted of the land, as shame never comes as to be classed among the humbugs of the day.

These justly celebrated Wine Bitters are made from a skillful combination of Rhubarb, Gentian, Camomile Flowers, Wild Cherry Tree Bark, Solomon's Seal, Comfrey and Spikenard, with a pure and unadulterated Wine. As a remedy for

Incipient Consumption,

Disorders of the Throat, Indigestion, Dyspepsia, Piles, Nervous Complaints, Diseases peculiar to Females, and, as a general Tonic, they will prove truly valuable. For Weakness and General Debility, they are UNSURPASSED!

Clergymen, lawyers, and all Public Speakers, also Students, Actors, Bookkeepers, Tailors, Seamstresses, and all persons who lead a sedentary life will derive great benefit from the use of these BITTERS.

Although the medical men of the country, as a general thing, disapprove of Patent Medicines, yet we do not believe that a reputable Physician can be found in the United States who will not highly approve of *Dr. J. Boyee Dods' Imperial Wine Bitters.*
