## CITY NEWS.

—Grand jury meets to-day.

—*Century* for June at Mansford's.

—Railroad wrecks seem to be the fashion.

—The toboggan goes gaily on its rolling way.

—The Italian picnic at Estival Park next Wednesday promises to be a gorgeous success.

—The weather yesterday was too cool for cotton, but delightful for perspiring humanity.

—Josie Davis the colored woman charged with having thrown her infant into a well, was bound over yesterday.

—The Hope Night School will close to-night with an entertainment by the boys. All friends of the school are invited to attend.

—Prof. Hughes desires the members of the Young Men's Christian Association chorus to meet him at the rooms at 8 o'clock this evening.

—John Muir has been appointed General Traffic Manager of the Chesapeake and Ohio system embracing the Huntington lines between the Atlantic seaboard and the Mississippi river. His headquarters will be in this city.

—Elijah Franks and Emma Martin, C. T. Moore and America Cobb, William Scruggs and Mollie L. Young were licensed to marry yesterday.

—A spelling bee and musical entertainment for the benefit of the First Methodist Church was successfully given last night at the Bethel building.

—The intersection of Court and Third streets is being paved with stone, but no more work will be done on either street until more funds come in.

—The two street railroads companies have been notified that in future the chairs used to support the Johnson rails must be at least six inches, instead of four, in hight.

—A bill for divorce was filed in the Chancery Court yesterday, by W. E. Fields, who claims that his wife Sarah was a little too previous in presenting him with an heir.

—The members and friends of the Strangers' Church and Sunday-school, who picnic at Fitzgibbon's Grove today, will assemble at the Louisville and Nashville depot at 8:45 o'clock sharp.

—A member of the Citizens' Railroad Company said yesterday that the recent decision of the Supreme Court was as much to their advantage as it was to that of the Memphis City railroad, and gave the latter no more reasonable grounds of action against them than before. He thought the result would be a decision declaring that the old company might run its cars over the Second and Madison street lines by paying them a reasonable sum for the privilege, but thought that would amount to nothing as the gauge was different.

—We received yesterday a very fine specimen of prolific orchard grass from a field of fifty acres, owned and cultivated by W. P. Dunavant of the Magnolia farm, in this county. It is fully six feet in hight and as heavy headed as the best wheat, and proves not only that Shelby county can be made a great grass, as well as cotton county, but that intelligent cultivation and well-directed labor can find rewards in her soil as profitable as that of the Western prairies, or the Yazoo bottom. We congratulate Mr. Dunavant upon a yield so rich in abundance.

**WOMAN**

HER BEST FRIEND!

**DR. J. BRADFIELD'S FEMALE REGULATOR**

This famous remedy most happily meets the demand of the age for woman's peculiar and multiform afflictions. It is a remedy for WOMAN ONLY, and for one SPECIAL CLASS of her diseases. It is a specific for certain diseased conditions of the womb, and proposes to so control the Menstrual function as to regulate all the derangements and irregularities of Woman's

**MONTHLY SICKNESS.**

Its proprietors claim for it no other medical property; and to doubt the fact that this medicine does positively possess such controlling and regulating powers is simply to discredit the voluntary testimony of thousands of living witnesses who are to-day exulting in the restoration to sound health and happiness.

BRADFIELD'S

**FEMALE REGULATOR**

is strictly a vegetable compound, and is the product of medical science and practical experience directed toward the benefit of

**SUFFERING WOMAN!**

It is the studied prescription of a learned physician, whose specialty was WOMAN, and whose fame became enviable and boundless because of his wonderful success in the treatment and cure of female complaints. THE REGULATOR is the GRANDEST REMEDY known, and richly deserves its name—

**WOMAN'S BEST FRIEND**

Because it controls a class of functions the various derangements of which cause more ill health than all other causes combined, and thus rescues her from a long train of afflictions which sorely embitter her life and prematurely end her existence. Oh, what a multitude of living witnesses can testify to its charming effects! WOMAN, take to your confidence this

**PRECIOUS BOON OF HEALTH!**

It will relieve you of nearly all the complaints peculiar to your sex. Rely upon it as your safeguard for health, happiness and long life.

Sold by all druggists. Send for our treatise on the Health and Happiness of Woman, mailed free, which gives all particulars.
