NEW YORK, August 23.—Money on call easy, ranging from 2 to 6 per cent., closing at 4 per cent. Prime mercantile paper, 4@5 per cent. Sterling exchange strong and unsettled; actual rates 481½ for 60 day bills and 484 for demand.

Bonds—Government bonds have been dull and steady. State bonds have been neglected. Railroad bonds have been very dull and steady. Sales $509,000. The trading was entirely devoid of feature and final changes are generally for insignificant amounts. Wabash trust receipts are up 2½ at 62½, and Chicago, Burlington and Quincy, Denver division fours, declined 2½ at 99.

Stocks—The stock market today was dull and featureless. The political disturbances of Europe caused some selling by foreign houses here, and in response to the higher rates for money prevailing in London there was an advance in sterling exchange rates, which were then slightly above the gold importing point. The action of the Pennsylvania railroad in refusing to vote on the proposition to give the Baltimore and Ohio a percentage had a bad effect, which was aided by rumors that the tickets were being sold at the cut rate. There was little feature throughout the day, fluctuations being confined within a narrow range and business exceedingly dull. The street was flooded with rumors with regard to Nickel Plate, but the stock was very quiet. There were advances in a few of the inactive stocks, such as Manhattan, Louisville, New Albany and Chicago and the San Francisco shares. First prices this morning were down from ⅛@½ per cent., the latter decline being in Lake Shore, Kansas and Texas, Western Union and Union Pacific. The market was dull except for Lackawanna, although there was a fair business in Erie and Lake Shore. Prices declined from the opening, but for only small fractions, Lake Shore being noticeably firm at this time. There was a somewhat better feeling in the afternoon, but without special movement until the last hour, when prices were bid up by the room traders, the market closing steady at quotations. The business of the day amounted to 123,560 shares, Lackawanna was the only active stock, the sales aggregating 27,730 shares. St. Paul was the only other stock in which the sales exceeded 10,000 shares, its business amounting to 10,800 shares. The net result of the day's business is that everything on the actual list is fractionally lower. The decline in Canada Southern, however, reached 1½ per cent. New York and New England shows an advance of ½ per cent.

The total sales of stocks today were 123,562 shares, including Delaware, Lackawanna and Western, 27,730; Erie, 9235; Lake Shore, 9210; Louisville and Nashville, 4705; New York Central, 6076; Peoria, Decatur and Evansville, 3720; St. Paul, 10,800; Union Pacific, 3100; Western Union, 3610. Quotations were as follows:
