GENERAL BASEBALL NEWS OF THE DAY

Pittsburg's ball players were again victorious at Cleveland yesterday. Hanlon made a home run, and Carroll hit the ball hard. The Hoosiers beat Chicago, and Boston easily defeated the Giants. There are arrangements going on for general local match games of ball.

[SPECIAL TELEGRAM TO THE DISPATCH.]

CLEVELAND, August 20.—Pitcher Staley was the medium of Cleveland's defeat today. The young man was invincible, and when Cleveland men were on bases the Babies tried ineffectually to hit the ball. The left-on-base column of the score amply proves this. Beatin, on the contrary, was hit pretty freely. He seems to have lost his cunning, for even the weak hitters of the Allegheny team found the ball often. The fielding was sharp all round, but Dunlap, McAleer, Sunday and Stricker distinguished themselves and received loud applause. Over 1,000 people saw the game. A chance was offered the visitors to score in both the first and second innings, but accurate fielding kept them from sending runs over the plate.

JOCKO'S GOOD HIT.

Staley, the first man at the bat in the third, batted a swift grounder, which glanced off Gilks' knee, bounding toward Stricker, giving the runner safe at first. Carroll then lined the ball to left for two bases, sending Staley to third. Rowe was out on a pop fly to Stricker. Beckley hit to Gilks, who threw Staley out at the plate. Beckley was safe at first and stole second. Fields then singled to left, scoring Carroll and Beckley. Hanlon's fly out to McAleer retired the side. The seventh netted Pittsburg four runs, settling the game in their favor. Beatin would not let Carroll, the first batter, touch a small portion of the ball, and sent him to first on balls. Rowe duplicated Staley's hit of the third and Carroll went to second. Beckley singled to right, advancing Carroll and Rowe a base. Fields protested that he had not struck at three balls, but the umpire sent him to the bench.

HANLON'S HOME RUN.

Hanlon came to bat, caught one of Beatin's slow balls fairly on the end of the bat and sent it past Twitchell to the left field fence. Hanlon was at the plate when the ball was fielded into the diamond, and three runners preceded the center fielder to the plate. This ended the run for the visitors. In the eighth, after two men were out, Carroll sent a triple to left, but Rowe left him on third on an easy fly to Gilks.

Sharp fielding prevented the Clevelands from scoring in the first, third, fourth and fifth innings. Big Beckley allowed Radford's grounder in the first to bound against him and then roll into Sunday's territory. Stricker was given his base. Two men were in bases with no one out when McKean, the club's leading batsman, stepped up to the plate. He couldn't find a ball that he could hit, and a strike out was accorded Staley. Twitchell was soon out on a foul to Fields, and Tebeau was retired at first on

DUNLAP'S BRILLIANT PICK-UP

and throw. After Beatin had been called out on strikes in the third Radford was given his base on balls, stole second and went to third on Stricker's single past Rowe; Dunlap cared for McKean's high fly, and fielded Twitchell's grounder to Beckley. With one out in the fourth McAleer hit safely to left and stole second, but Gilks was out on Dunlap's catch and Rowe fielded Zimmer out at first. In the fifth, with two out, Stricker singled but McKean was out on Kuehne's pick-up and assist. The Clevelands scored their only run in the ninth. Twitchell led off with a single to center. Fields moved back to the back stop and Twitchell nabbed to second, Tebeau retired at first, Twitchell going to third on the out and home at his leisure. The score:

DAY WAS VERY WILD.

The Phillies' New Pitcher Gives the Senators a Game.

PHILADELPHIA, August 20.—Washington easily defeated Philadelphia this afternoon. Day, formerly of the Cape May club, pitched for the home team, and while he was not hit to any extent, he was very wild, sending ten men to first on balls, which practically gave the visitors the game. The Phillies hit Haddock in a disconnected way only. Score:

SOME BAD FIELDING.

Anson and His Team Put Up a Ragged Game at Indianapolis.

INDIANAPOLIS, August 20.—Loose fielding and general ragged work on the part of the Chicago fielders lost them to-day's game with the Hoosiers. The latter fielded almost perfectly, and had but little trouble in finding Tener's delivery. McGeachy's batting was the feature of the game. Attendance 1,000. Score:

The Bostons Trim Up Tim Keefe and Win Easily.

BOSTON, August 20.—The Bostons defeated the New Yorks to-day with the greatest ease, in fact the contest was so one-sided as to be robbed of all interest except that taken in the slugging of the Bostons. The fielding of the visitors was wretched. Score:

The Brooklyns and Colonels Have Some Old-Time Slugging and Brooklyn Wins —Mark Baldwin's Great Work Beats the Cincinnati Team —The Browns Win Again.

LOUISVILLE, August 20.—Louisville lost the game in a slugging match to-day by numerous errors placed just at the time to benefit Brooklyn. Hecker pitched passably, and Hughes followed his example quite closely. Hecker was not hit hard till the sixth inning. Only seven safe hits were made up to that time. O'Brien led the batting for Brooklyn, Tomney for Louisville. Wolf made a long hit to center for his home run. Score:

MADE THREE STRAIGHT.

The Browns Hit the Ball Hard and Beat the Athletics.

ST. LOUIS, Mo., August 20.—The Browns defeated the Athletics to-day for the third successive time in a game marked by heavy hitting on the part of the champions. Seward essayed to pitch, but his cunning was lost against the Brown's heavy onslaught. Chamberlin pitched a masterly game, and was superbly supported. The feature of the game was the brilliant all round work of Fuller. He accepted all but one of 12 chances, his error being an excusable one. Sweeney and Bierbauer likewise did finely. Score:

CINCINNATI, O., August 20.—Baldwin's fine pitching, combined with the bunching of hits, enabled Columbus to take another victory from Cincinnati this afternoon. Both teams put up a superb fielding game. The visitors found much fault with the decisions of Umpire Ferguson. Attendance 800. Score:

The following communication explains itself:

Sporting Editor Dispatch:

In answer to the acceptance by Ed. A. Gree, of the Crockery Citys, of the challenge issued by me through THE DISPATCH, I wish to inform him that I will meet him at Steubenville any day this week to complete arrangements and deposit forfeit for a series of three games for a purse of $100 and the championship of the Ohio Valley. Furthermore, while my challenge was for a series at Mingo, owing to their facilities at home, I will concede him the second game at Liverpool. First game at Mingo August 31, second at Liverpool September 14. Would be pleased to hear from Toronto for series for a purse beginning September 7.

W. E. CROSSLEY.

Wheeling Team for Sale.

WHEELING, W. VA., August 20.—The days of the Wheeling Baseball Club under the present management are numbered. The directors executed a deed of trust to W. H. Caldwell on August 15, and on August 30 the property and franchise of the club are advertised for sale to the highest bidder. It is said that a syndicate, headed by State Senator Scott, stands ready to buy the club, and put it on its feet again. The last few games have resulted so disastrously that the attendance has run down to practically nothing.

It is likely the franchise will be bought by a new organization, the season finished out and a better club got together for next year.

In Aid of Johnstown.

The Allegheny Athletics, champions of Allegheny county, will play a game at Recreation Park September 6 with the Johnstown club for the benefit of the latter team, which lost its $2,500 grounds and the finest equipments of any club in Western Pennsylvania by the big flood. Sheridan and Wilson, the celebrated Tarentum battery, have been signed by the Athletics.

Want the Money Up.

Mr. J. W. Scott, manager of the local ball club of that name, called at this office last evening, and made the following statement: "If it is true that the New Oaklands want to play my team they can be accommodated. We don't play for fun, however. We will play the Oaklands one game for $100 or $150 a side and if the Oaklands will put up a forfeit at THE DISPATCH office at once I will cover it. We will play on any grounds that may suit the Oaklands."

Will Play for a Stake.

Arrangements have been made by the Our Boys and Duquesnes to play a ball game on Saturday for $100 a side. The game will take place at Recreation Park. The Duquesnes are now an independent lot, as they will play no more games in the County League. The Our Boys are known as one of the best amateur clubs in Western Pennsylvania, and a good game may be expected.

JACKSON AND FALLON.

They Make a One-Sided Boxing Show at Brooklyn.

NEW YORK, August 20.—Peter Jackson, the ebony-hued Antipodean fighter, and Jack Fallon, of Brooklyn, met last night at Mike Shine's circus, Fourth avenue and Fourteenth street, for a four-round friendly bout. "Parson" Davies, Jackson's backer, stated that there would be no slugging, as Inspector Williams was present.

Looked at from a fighter's standpoint the match was a farce. Jackson hit his man when and where he pleased, and Fallon seemed utterly incompetent to stop the colored man's blows. In the first round he struck out a few times for his man, but came no nearer landing than if he struck for the Bartholdi statue. Fallon is a third-class fighter, and has no more reason to stand against the Australian than the "Belfast Spider" has to stand against John L. Sullivan.

Jackson has a tremendous reach, and has science coupled with it. Fallon has a short reach and very little science. In the second, third and fourth rounds he occasionally touched his man, but the blows lacked force, for the simple reason that Jackson could always manage to get away from him and send in a heavy neck blow in return.

Davies leaves for England to-morrow on the City of Rome with Jackson, his trainer, and Fallon and his wife. He is not entirely pleased with Fallon's work, but is of the opinion that, after Jackson has used him for a punching bag a couple of weeks, he will improve enough to make a decent showing before an English audience.

Fallon is the man who has made much of a reputation secured by besting Dominick McCaffrey during his recent sick spell in Philadelphia, about two years ago.

FOUGHT THIRTEEN ROUNDS.

Two Franklin Fighters Have a Hot Contest For $100.

FRANKLIN, PA., August 20.—A brutal prize fight came off on an island in the Allegheny river, near this city, last night between two young men named Hanlon and Lowry. The fight was to settle the question of which was the best man and a wager of $100. A purse was also raised by the spectators for the winner.

The men were seconded by two well-known sports, while a person posted on such matters acted as referee. The fight was of the hurricane order, and after the first few rounds science was thrown away and the men went in to see which could do the most damage. Thirteen bloody rounds were fought, when Lowry was forced to give in from sheer exhaustion. Both men were badly hurt.

Cleveland Fall Meeting.

CLEVELAND, August 20.—The Cleveland Driving Park Association has decided to hold no fall meeting in October. This decision was reached on account of the torn-up condition of the streets in the vicinity of the track. The company, however, granted the Ohio Trotting Horse Breeders' Association use of the track. The association will, in addition to its regular stake races, have the $10,000 Spirit of the Times race for 3-year-olds.

Good Cricket Prospects

It is likely that the Merion Cricket Club, of Philadelphia, will play a match against the Pittsburg team at Brighton during the early part of next month. The Pittsburgers expect that some of the gentlemen of the Philadelphia team, who will leave England to-day, will play with the Merions. Matches with the Zingares of Canada, and the Baltimore club are also expected on the local grounds.

English Racing.

LONDON, August 20.—This was the first day at the Stockton meeting to-day. The principal event was the race for the Wynard plate, 2-year-olds, six furlongs. It was won by Lord Zetland's Margarine, J. Lowther's McMorrogh was second and Lord Londonderry's Daisy Chain third. There were nine starters.

Glass Accepts.

Mr. Glass, of New Carlisle, wrote Captain McClure yesterday to the effect that he, Glass, will shoot McClure at Pittsburg on September 20, at 50 live pigeons each, for $100 a side. The Captain claims that he cannot shoot before October, but he may try and make other arrangements.

Lawn Tennis at Altoona.

ALTOONA, August 20.—In the lawn tennis tournament, which opened here to-day, Porter, of Sewickley, beat Quinnetana, of Altoona. Fay, of Altoona, beat Moorehead, of Pittsburg, and Whelan, of West Chester, beat Christy, of Sewickley.

A SCAFFOLDING FALLS.

Narrow Escape of Workmen in Wood's Old Mill—False Alarm Last Night.

Box 115 was pulled at 7:30 o'clock last night for a fire in Wood's old mill, Temperanceville. Workmen had been engaged at repairs and had erected a scaffolding over a furnace. This gave way, fell on the furnace and caught fire. A number of employes of the mill were at work at the furnace at the time the scaffolding fell. None of the men were hurt, but half a dozen of them narrowly escaped death from being struck by the heavy timbers. The damage by the fire was trifling.

A false alarm of fire was sent in from box 29 at 11:15 last night.

THE PRESIDENT CAME NOT.

Those Who Waited Up Late to See General Harrison Got Left.

President Harrison was expected to pass through Pittsburg on his way to Indianapolis, via Cincinnati, on the fast line express last night, having left Deer Park early yesterday morning.

The express was reported three hours late at midnight, and the officials said they had no information leading them to believe that the President's special car had been attached to the train. It is regarded as certain that the Executive honored the Baltimore and Ohio Railroad with his custom this trip.

A PERMANENT APPOINTMENT.

The Citizens' Traction Road Will Be Superintended by Mr. Rugg, a Bostonian.

Mr. J. E. Rugg, of Boston, assumed the position of superintendent of the Citizens' Traction Company yesterday. The appointment was made some time since, but Mr. George Rice, chief engineer, held the position until the arrival of Mr. Rugg.

Mr. Rugg has for many years been connected with the management of street car lines in Boston, and was selected for his wide experience and tested ability in that line. He will, no doubt, prove a valuable acquisition for the Citizens' line.

AGREED ON A RACE.

Teemer and Gaudaur Will Row at McKeesport Sept. 13.

A LETTER FROM JOHN A. ST. JOHN.

Sprague Golddust Wins Poughkeepsie's $5,000 Stake for Trotters.

OPENING OF THE MORRIS RACING PARK.

Exciting Trotting Races at Chicago—General Sporting News.

John A. St. John, Gaudaur's backer, and John Teemer have substantially agreed about the boat race between the two scullers named. Teemer has drawn up articles and St. John has stated his conditions in a letter. There were some exciting events at the Poughkeepsie grand circuit races. Morris Park, the grand New York race track, was opened.

A boat race between John Teemer and Jacob G. Gaudaur is now certain. Articles of agreement have been drawn up, and both parties agree on all the leading features. Yesterday afternoon Teemer drew up a code of articles, and last evening, before they were forwarded to St. Louis, a letter was received from John A. St. John by the writer. The latter's requests had already been incorporated in Teemer's articles, except the old point as to the condition of the water. St. John's letter, which undoubtedly has the genuine sportsman ring about it, is as follows:

To the Sporting Editor of the Dispatch:

Your telegram at hand, and while we don't like the idea of rowing at Teemer's home, not making the distance four miles, fully believing that three miles is as long a distance as any man should row, we will accept and cover his deposit provided the following points are incorporated in the articles of agreement:

First—That the condition of the water shall be left to the men. This condition is important to us and is fair for everyone. Gaudaur can't row on rough water and don't want to be compelled to row unless the water is smooth.

Second—That Gaudaur receives $200 for expenses.

Third—That THE PITTSBURG DISPATCH is final stakeholder.

Fourth—That the stakeholder shall appoint a referee if we fail to agree upon one one week before the race.

Fifth—That the race is rowed under the rules of the National Association so as to cover the point of the outside interference.

We want a contest under fair and just conditions where the chances will be equal. Such a contest can only take place on smooth water and without interference. I should like to get Teemer to agree, that if he wins this race he will row Gaudaur 3 miles at St. Louis, we allowing him expenses. I feel that our chances are better on a lake course of three miles.

Neither Gaudaur or Hamm like the idea of a 4-mile race at McKeesport, but there has been so much talk over the matter I don't want it to fall through from any fault of ours.

Enclosed find draft to cover Teemer's forfeit.

Respectfully,

J. A. ST. JOHN.

It is almost certain that Teemer will agree to the point relating to the condition of the water, as it is not of much importance on the McKeesport course. Teemer's articles, a copy of which will be forwarded to Mr. St. John today, are substantially the same as the conditions outlined by Mr. St. John.

Teemer's articles state that the race takes place on Friday, September 13, between the hours of 4 and 6 o'clock P. M.

In the second heat of this race quite an exciting scene occurred. As the horses turned into the homestretch a sulky was seen to bound into the air four or five horses back of the leader. The horse attacked to it was Veritas, driven by Budd Doble. His bind shoe had caught in the boot on the forefoot and it caused him to turn a somersault while the sulky bounded clear over him and Doble was hurled out with great violence. The horse landed on his side, and was so entangled in the harness that he could not get up. The animal was soon released and was found to be uninjured. Doble only had a slight scratch one side of his head. The affair caused much excitement.
