FOUND, by the subscriber on Saturday morning, the 13th instant, near Beaver Bear Swamp and Boston's Bridge, a pair of Saddle Bags containing sundry articles of boy's apparel, which the owner can have on proving his property and calling upon me at Barhamsville, New Kent county.
ANDREW P. RICHARDSON.

TEN DOLLARS REWARD.

RUNAWAY from Mr. Nancy Edwards, in King William county, on Monday, the 15th instant, a Negro Man named BURRELL. He is about 25 years old, 5 feet 8 or 10 inches high, of a brown color, with a scar on his throat. He has a brother living at Mr. Wallace's Factory. I will give the above reward if delivered to me in William Court House, or to Messrs. N. B. & C. B. Newcomb, Richmond, Virginia.
WM. M. GARY.

RUNAWAY—TEN DOLLARS REWARD.

RAN AWAY from the subscriber, named BARTLETT, hired to us for the present year, Mr. Wm. Benton, ran away on the 20th or 21st of last month. He was purchased from Mr. John E. Lancaster, of Buckingham. He was formerly employed as a boatman on the river James, and at one time as a blaster on the canal, when by a blast he lost his right hand blown off. He is about 35 years of age, is very likely in his address, rather slovenly in appearance, and awkward in his gait. It is very likely he is on some part of James River or Lynchburg boating. We will pay the above reward to any person who will place the said slave in any jail within the State so that we get him.
BENTON, DUVAL & COTTRELL.

RUNAWAY IN JAIL.

WAS committed to the jail of this county, the 2d day of May last, a Negro Man, calling himself HENRY MILLS, and says he has been sold from North Carolina, near Weldon, to a Spaniard from Spain. Said Negro is of a dark complexion, four feet nine inches high, had on when committed a dark brown sack coat, Cotton and Gingham Jeans Pants, and an old black Wool Hat. The owner, if there be any, is politely requested to come forward, prove his property, pay charges and take him away, or he will be dealt with as the law directs.
JNO. H. TALIAFERRO,
Acting Jailor of Hanover county.

ONE HUNDRED DOLLARS REWARD.

RAN AWAY from the James River Canal, about twenty miles above Lynchburg, about the 13th April last, my man ANDREW, or, as he calls himself, ANDREW ROLLINS. ANDREW is about 25 years old, of a yellow color, six feet high, stout and well made, and has no very likely head of dress, and is well supplied with clothes, and had a watch. He has a wife living in Charlottesville, and there is very little doubt he has procured a pass or free papers, and is endeavoring to make his escape to a free State. I will give the above reward if he is taken without the State and returned to me, or secured so that I get him again, or $50 if taken in any place in this state except Caroline, and secured in like manner.
BURTON B. WRIGHT.

SOMETHING NEW.

TO THE PUBLIC AND FOR THE WORLD'S FAIR, AT LONDON.

IMPORTANT DISCOVERY.—J. H. WHITEHURST, successful Artist of the age, at great expense and after many months' experimenting, has succeeded in bringing to perfection a new style picture called an "Ivory Daguerreotype." Specimens can be seen at his splendid Rooms, 77 Main street, Richmond. The durability surpasses anything of the miniature kind. He invites the public (and also strangers visiting the city) to call and examine their merits. Warranted never to fade. He will pay $500 to any person who, during the next 50 years, can take the Ivory Daguerreotype off the glass. The great celebration of the world, by J. H. Whitehurst's "Ivory Daguerreotype," has induced an unscrupulous operator now having charge of his Establishment to attempt to imitate his professional tour the past Winter at Richmond, Va., with 150 Ivory Daguerreotypes of the Senators and Representatives, which is a sufficient guarantee that they deserve public patronage.

Arrangements have been made, so as strangers or citizens may have a picture completed in 20 minutes.

H. M. SMITH, corner of Main and 19th Streets, late of the firm of PARKER & SMITH, solicits early orders for Threshers, particularly for those of the larger class, with straw carriers and fan attached. He has ready made the usual variety of machines, common threshers and horse powers, corn shellers, (small size,) and horse and hand power ones combined. Wheat Fans of his own construction; also, the celebrated Bambrough Fan, so much sought after in Maryland and Pennsylvania. He asks particular attention to his patent Straw Cutter at $10, warranted superior to any other at the same or twice the cost. He devotes particular attention to threshing machine repairs, particularly those made by Jabez Parker, and by Parker and Smith. He will warrant such repairs to give satisfaction. New sets of spokes can be inserted at small cost, thus making machines, now inferior from wear, equal to new. He has also Pennock's Wheat Drills, a superior article; Chains for Chain Horse-powers, ready made.
