VALUABLE LAND FOR SALE IN LOUISA.

WE shall offer for sale, at public auction, to the highest bidder, upon the premises, on THURSDAY, the 10th day of October, 1850, if not previously sold privately, one of the most valuable and desirable farms in the county of Louisa, lying on Hickory Creek, 7 miles North of Louisa Court House, and 5 or 6 miles from Trevillian's Depot, containing 736 acres, more or less. This farm is generally regarded as one of the very best in the county, embracing a large quantity of low grounds of unusual fertility, and the high land is also of good quality, with buildings of every description desirable, commodious and in good repair. As it is presumed that no one will purchase without first examining the land, we deem a further description needless. Any one wishing to see it, will be furnished every facility for doing so, by application to either of us, and any one wishing information about it, is referred to Ph. H. Jones and Elisha Melton, Esqs., of Louisa, and Col. John Woolfolk, of Orange. We are authorised to say that Col. Woolfolk, who resides near the land, will be glad to see any person desiring to purchase, at his house, and will take pleasure in showing the land, and giving his opinion of the value of it.

TERMS OF SALE. Will be one third cash, the balance in one and two years—the purchaser will be required to give bonds for the deferred instalments, without security, with a deed of trust on the land to secure them, which we regard as good security as we want.
