7,500 ACRES OF ROANOKE LAND FOR SALE.

THE undersigned, Trustees of Francis A. Thornton, Esq., offers this large and valuable real estate for sale, and invite all who wish to purchase land in Warren county, North Carolina, or Mecklenburg, Virginia, to come and examine the following desirable situations:
ALEXANDRIA—The residence of Mr. Thornton, 12 miles from Warrenton, 6 from the Rail Road, and lying on the river, is one of the most elegantly improved and valuable situations on the Roanoke. The dwelling and all the out-houses are new, large, tasty and convenient. The tract consists of 1500 acres, in a high state of improvement, 900 are low grounds, ditched and thoroughly drained; the lots are rich and properly divided, the fences substantial; there are barns sufficient to care a hundred hogsheads of tobacco. The water is good, and the residence, one mile from the river, a healthy one.
COTTEN'S TRACT—Immediately below and on the river, of 2,000 acres; on which are a Grist and Saw Mill, is also of great value—500 acres is low grounds, and the whole presents attractions with which no other neighborhood can vie in this or any other country.
THE OLD PLACE—Containing 2,000 acres, 300 of which are low grounds, on the Roanoke. Much of the balance is valuable and offers inducements to those wishing to buy, rarely found in so large a tract.
BUCK SPRING—The residence of the late Nathaniel Macon—containing 1800 acres, and lying on the waters of Hub Quarter Creek, is one of the most valuable highland plantations in Warren county, and is celebrated for its cool water and healthfulness.
Persons wishing to purchase, will call on either of the subscribers, who will, with much pleasure, conduct them through any portion or all of these extensive estates. They will sell privately at any time between this and the 1st of December, any part or all of the above named tracts, having ample authority to do so, and should any remain unsold at that time, notice will be given of a public sale on that day. It is impossible to do justice to this valuable and extensive estate by a description of it in an advertisement. It is the largest and most valuable ever offered at once in North Carolina, and those wishing such property are earnestly invited to call soon.

TWO VERY VALUABLE FARMS FOR SALE
IN NELSON.

I OFFER for sale a very valuable Farm in Nelson county, lying immediately on the stage road from Charlottesville to Lynchburg, containing 700 acres of Land, of which nearly 500 acres are cleared and well inclosed, the balance in wood, well timbered, and there is a number of excellent springs of water. There are in this part about 60 acres of Creek Bottom, very productive, and the whole lies unusually well, in a good neighborhood, and excellent society. It could, if desired, be divided into two tracts of nearly equal size, with an abundance of wood and water for each. It is located on the stage road two miles above Nelson Court House, and eight from the James River and Kanawha Canal at New Market, and within five miles of two Manufacturing Mills. It is seldom that such property is offered for sale in this section, and to it I would call the attention of those wishing to invest capital in real estate.
I also offer for sale my residence adjoining the town of Lovingston, containing about 300 acres of Land, about one half of which is cleared and under cultivation.
This is also a valuable place, with excellent improvements. The Buildings consist of a large Dwelling House, with new rooms, besides large and dry Cellar, a Barn, Kitchen, Smoke-house, Ice and Carriage Houses, all in good repair. For a professional gentleman, this is a most desirable residence—located in a section of country proverbial for health. It is also well situated for a House of Public Entertainment, being within less than 300 yards of the Court House and was kept by the former owner for that purpose.
I will also sell a Lot in the Village of Lovingston, on which there is a comfortable Dwelling House, Blacksmith and Wheelwright Shops.
For terms, or any other information, apply to the subscriber at Lovingston, Nelson county, Va.

WE daily hear of the most astonishing cures being effected by that great and popular medicine, the genuine
H. G. FARRELL'S
ARABIAN LINIMENT,
The greatest remedy ever discovered for almost all complaints requiring an external application, either in man or beast. In the short space of time it has been introduced to the people of the U. States, it has gained a reputation unequalled by any other medicine in the known world. Why is it? The answer is plain: because no medicine of the kind has ever been put up that will do the public so DESERVING of such liberal patronage as this. It will continue to gain friends as long as it performs the most extraordinary cures of various diseases, after the doctors and all other remedies had failed. We do not only SAY that the genuine H. G. Farrell's Arabian Liniment CAN and DOES perform cures which NO OTHER MEDICINE CAN DO, but you have here certificates of what it HAS DONE.
Tadeus Smith of Mudd Creek, Tazewell county, Illinois, says: "I had not the use of my arm for more than a year, by palsy or paralysis, the flesh had entirely withered away, leaving nothing but skin, muscle and bone. I tried all the best doctors and all the remedies I could hear of, but they did no good. I then commenced the use of H. G. Farrell's Arabian Liniment, and a few bottles entirely cured me, and my arm is now as strong and fleshy as the other. It is also first rate for burns, sprains and bruises."
The celebrated DOCTOR JAYNE, whose reputation as a benefactor to mankind extends over the whole world, reports that a lady of one of the first families in Philadelphia has been confined to her bed FOURTEEN YEARS WITH RHEUMATISM, and was CURED by H. G. Farrell's Arabian Liniment. He also says: "Your Liniment is going rapidly; send me a supply immediately by Leeche's fast line."
My daughter, when six months old, was taken with a swelling in the bones, which grew larger and larger, till, when six years old, she had great difficulty in swallowing her food. Every night, watch was kept, fearing she would suffocate. The best doctors attended her, but could give her no relief. I took her to the most eminent doctors in the East; they said there was no help for her but to outgrow it. With a sad heart I returned home with her, when she became so much worse that the doctors had to be called in again; they decided the tonsils must be cut off, as the only means of giving relief. My wife could not consent to this, and she determined to try your Liniment, which gave relief the VERY FIRST application; and, by a continued use, she entirely recovered. She is now ten years old, and fleshy and healthy as could be desired. Your Liniment is also the best in use for pains, bruises, cuts, burns, headache, &c.; and it will remove the most severe pain in a few minutes. It also cured caked udder in my cow in a few days. G. ORGE FORD.
Peoria, March 20, 1849.
Mr. H. G. FARRELL: Your Arabian Liniment is the greatest medicine for horse flesh in the world. I had a mare about to foal, when she became so the pleas that she could not rise from the ground; she was in this way for several days, when, with seven others, I succeeded in raising her up, which was the only way it could be done, when I commenced the use of your excellent Liniment, rubbed in well over the loins, and, astonishing as it may appear, before I used up a bottle of the dollar size, she was able to get up and walk herself. I would not have given ten dollars for her before, and many advised me to shoot her to put her out of her misery; she is now one of my best mares. I suppose it was a strain in the loins. G. W. HUNT.
Peoria, Ill., July 2, 1849.

BEWARE OF COUNTERFEITS
To Guard against Imposition, read the following.
The public are particularly cautioned against a base counterfeit which has lately made its appearance, and is called by the Impostor who makes it, "W. B. Farrell's Arabian Liniment." This is a dangerous fraud, and more liable to deceive from his bearing the name of Farrell. Therefore be particular never to call for it by the name of Farrell's Liniment, for unprincipled dealers will impose this pernicious mixture upon you for the genuine, but always ask for "H. G. Farrell's Arabian Liniment," and take no other, as the genuine always has the letters H. G. before Farrell; his signature is also on the outside wrapper, and these words blown in the glass bottle, "H. G. Farrell's Arabian Liniment, Peoria."
Agents wanted in every Town, Village and Hamlet in the United States, in which one is not established. Apply by letter to H. G. Farrell, Peoria, Ill., with good reference as to character, responsibility, &c.
Callon the agent, who will furnish free of charge, a book containing much valuable information for every class of citizens.
Price 25c, 50c, and $1 per bottle. The only genuine is manufactured by H. G. Farrell, sole inventor and proprietor, and wholesale Druggist, No. 17 Main street, Peoria, Ill., and for sale wholesale and retail at Proprietor's prices, by

GEORGE, a negro man, was committed to the jail of this city on the 24th day of August last, as a runaway slave. He is about 26 or 27 years of age, 5 feet 2½ inches high (without shoes), brown complexion, and has a scar on the crown of his head, occasioned (as he says) by a burn. George had on, when committed, a checked summer coat, light colored cassimere pants, a black cloth cap, and boots. He states that he is the property of Mr. John Goode of Montgomery county, Alabama, who has been addressed by letter, but no answer received.
The owner is hereby notified to come forward, prove property, pay charges, and take him away, or he will be disposed of according to law.

SCHOOLS AND COLLEGES.

NEW CLASSICAL SCHOOL,
BY THE REV. WM. LOVE.

THE subscriber would respectfully inform the inhabitants of Richmond and its vicinity, that he will open a Classical School in the house lately occupied by David Anderson, Jr., Esq., on 7th St., near Leigh street, on the first Monday in October. From many years successful experience, he hopes for a share of public patronage.
LOCATION—It is one of the very best in the city for youth, being very retired, and, at the same time, convenient. The rooms are very large and airy.
SESSION—From 1st October until 1st August.
TERMS—For all the English branches, $40 per session; for Classics and Mathematics, $50. Payments for five months invariably in advance. [Sept. 7—3m] WM. LOVE.

REV. M. D. HOGE'S
BOARDING AND FULL SCHOOL,
Corner of Franklin and 5th Sts., Richmond, Va.

THE next term of this institution will commence on the 1st of October. The course of study will embrace all the branches pertaining to a thorough English education, together with Ancient and Modern Languages. Last year more than 130 pupils were in attendance at the same time, but during the next term the number will be restricted to 100—twenty of which will be received as members in the family of the Principal. Charge for board, washing and all usual accommodations for ten months, $220, as heretofore. Tuition in English, from $25 to $40; according to the advancement of the pupil. French, Spanish or Italian $30; Latin, $15; Music, $7 per month. The German Language will be taught gratuitously, or by the usual method, to as many as may wish to acquire it, *free of charge.*
Rev. J. P. Safford will occupy the position which was filled by the Rev. W. J. Hoge last year. Mr. Safford is a gentleman of varied and accurate scholarship, and has had several years experience as an instructor in some of the best institutions in our country.
Young Ladies from the country, as well as from the city, are desired to be present on the first day of the session. It is often a serious inconvenience, and discouragement to a pupil to enter a class which has made even a week's progress.
Payments *invariably in advance*—one-half on the first of October, the other on the first of March.
UNIVERSITY OF VIRGINIA, Aug. 26, 1852.
Rev. M. D. Hoge—Dear Sir: I am gratified to learn that you have associated with you in your very flourishing School for Young Ladies, my friend and former pupil, Professor J. PRICE SAFFORD.
Mr. Safford will make a worthy successor to your late associate Rev. Wm. J. Hoge, now called to another field of usefulness.
I have ever regarded Mr. S. as a gentleman of superior talents, and his varied efforts and uniform services as an instructor, leave no room for doubt as to his entire success in connection with your institution.
Mr. S. is a ripe scholar. His extensive, accurate and varied attainments, scientific as well as literary, will enable him to bring to the task of training the mind and taste of young ladies much more than the ordinary advantages of even distinguished teachers.
Very respectfully, yours, &c., WM. H. MCGUFFEY.
Mr. Safford has my highest confidence as a school and gentleman.
JAMES W. ALEXANDER.

ALBEMARLE FEMALE SEMINARY.

THE subscriber's school will be reopened on the 1st October next, in charge of Miss M. F. Wiggins, assisted by Miss Bunn. It may hardly be necessary to say that few teachers in Virginia have given more unqualified satisfaction to her patrons than Miss Wiggins; that few, very few possess her qualifications.
We shall expect our school, as heretofore, to speak for itself. But for this, numerous and satisfactory testimonials might be given.—The subscriber's situation and neighborhood are proverbial for health—five miles East of Charlottesville, one mile from Shadwell, within a few hundred yards of the Virginia Central Rail Road, and immediately opposite Col. T. J. Randolph's.
Young ladies and their friends coming by Rail Road, will be promptly met at Shadwell, and conveyed to my house with their baggage.
The course of study includes all the branches usually taught in the best female seminaries.
The academic year consists of ten months, divided into two sessions. Expenses (half payable 1st March, the remainder 1st August,) will be, for term of ten months, as follows:
