REAL THYSELF.—It is a little strange to us that people will suffer with diseases from day to day, dragging on a miserable existence, and suffering all the tortures of the rack, when, by the judicious use of BAKER'S CELEBRATED PREMIUM BITTERS, they could speedily regain strength, and that abundant flow of spirits which is so essential to a pleasant and agreeable life. Already have been laid before the public the names of hundreds of our best citizens, who testified to its certain cure of Dyspepsia, Ague and Fever, Dysentery, Diarrhea, Nervous Headache, and other annoying maladies produced from a disordered stomach, and yet we continually find persons simple enough to refuse to avail themselves of its curative qualities, for no other reason than that they have been imposed upon by the compounds of quacks, and consequently have no faith in even that medicine which has proved valuable when used by their friends. That BAKER'S BITTERS will cure Nervous Headache, Dyspepsia, and such other diseases as it is recommended for, there is no more doubt, than that the sun shines at noon-day. The proprietor asks for it a trial, with the confident belief that it will prove successful in every case when fairly tried.

Price only 50 cts. per bottle. To be had in Richmond at the Drug Stores of Purcell, Ladd, Bennett & Beers, Adie & Gray, A. Duval, and druggists generally throughout the city; also, Todd & Christian, Petersburg; D. R. Lyman, Lynchburg; King & Toy, Norfolk; and Dr. E. Cabell, Williamsburg.

Orders addressed to E. BAKER, Proprietor, Richmond, Va. will receive prompt attention. Dec. 14—eif
