Six or eight members of the Committee are already in this city. It is understood that no change will probably be made of the place for holding the National Convention; but it is thought important that the Committee should be called together to satisfy public opinion, and in the hope that the grievances complained of at Charleston will be abated.

The clamor for a change continues unabated, and there is some talk among individual delegates, now here, of an informal call upon several State delegations to confer with the Central Committee on the subject.

TRUSTEE'S SALE OF DESIRABLE TRACT OF LAND AND RESIDENCE NEAR RICHMOND.—In pursuance of the provision of a deed of trust to the undersigned, by Sarah Shelton, dated the 27th of March, 1858, and duly recorded in the Clerk's office of Henrico County Court, I shall sell on the premises, at public auction, to the highest bidder, on TUESDAY, the 3d day of April next, (if fair; if not, the next fair day thereafter,) commencing at 4½ o'clock P. M., a small tract of land, called Summerfield, in the county of Henrico, near the city of Richmond, adjoining the Catholic College tract.

The tract contains 44 acres, and has upon it a comfortable Dwelling-house, and all necessary out-houses, for the accommodation of a small family. Its proximity to the city of Richmond renders it very desirable as a suburban residence, and also as a market garden.

TERMS.—Cash for so much as will be necessary to satisfy the purposes of the deed—say about $440. For the balance, upon a credit of twelve months, with interest from day of sale, satisfactory security, by deed of trust or otherwise, to be given for deferred payment. Though as trustee I am requested to sell for cash, yet the purchaser will be able to arrange for a reasonable credit upon about $1,200 of the cash payment. The title is believed to be good; but selling as trustee, I shall convey with special warranty only.

C. G. GRISWOLD, Trustee.
