TWO VALUABLE WAREHOUSES, ON THE BASIN BANK, BETWEEN 9TH and 10TH STREETS, FOR SALE AT AUCTION.—Will be sold at auction, on the premises, on FRIDAY, the 31st August, 1860, at 5½ o'clock P. M., these two BRICK WAREHOUSES located as above, having each a front of about 23½ feet on the north side of the Basin, and running back 40 feet to the south side of Cary street, and bounded north by the canal yard of Messrs. Dunlop & McCance. These Warehouses, though built many years ago, are still remarkably strong and substantial, and besides excellent dry cellars have four other floors, on which a large quantity of produce can be stored. These warehouses are admirably well-located, being on the margin of the Basin of the James River and Kanawha Company. The flattering prospects of the early completion of that great work adds to the value of real estate similarly situated with the foregoing, and indeed of real estate generally.

TERMS.—One-fourth cash; balance at 6, 12 and 18 months, for negotiable notes, interest added, secured by a trust deed. GODDIN & APPERSON, Aucts
