STATE ELECTIONS.

☞ TO THE VOTERS OF THE 3D CONGRESSIONAL DISTRICT.—A writer in the Dispatch of yesterday, styling himself "Legion," calls upon you to cast your votes for (as he calls him) the "chivalrous patriot, Col James Lyons"—Pray, what sort of chivalry does he represent, if it be not those who have remained at home in inglorious ease and quiet, whilst the true chivalry of the noble State are to be found in the field, with brave hearts and strong arms keeping back the vandal invaders of our soil from your firesides.

Such true chivalry is represented by Col WMS C WICKHAM, the gallant and brave man who for two years past has been dealing heavy blows to the enemy, and protecting your lives and property from harm. He is, indeed, worthy of your support, and he will, we are sure, obtain the votes of all good and true men in the district.

Two years ago the would be chivalry had well nigh brought the State to the verge of ruin, by rushing into this war, for which they had made no manner of preparation; and by attempting to make you believe that the conflict about to begin would be but a small matter.

The tocsin of war was sounded, and the great contest for our rights began, and where do we find the "early Secessionist" (the great majority of them I mean) "At home." And there they will remain until the brave and noble men in the field shall have achieved the most glorious peace the world has ever seen; and then again, as now, they will come forth as candidates for your suffrages. Let every voter in the district rally to the support of the gallant Col WICKHAM, who has done such glorious service in the field for you, and for the Confederacy at large, and by thus doing put a quietus upon all such rose water and windy chivalry.

my 26—1t* A VOTER IN THE FIELD.

☞ THE OLD VIRGINIA SCHOOL held that a representative is the servant of the constituent body, and bound to obey their instructions. Col WICKHAM'S idea is that the people exhaust their prerogative of self government in electing a representative. Mr LYONS adheres to the Old Virginia doctrine—"Obey or resign." Which idea do the people of this district entertain? Will they take Mr Lyons as their representative, to reflect their will, or delegate to Col Wickham their thinking for the next two years? This is the question to be determined at the polls on Thursday. *

☞ RICHARD F WALKER, Esq.—We notice in the Richmond papers that this gentleman is a candidate to represent the city of Richmond (in part) in the next Legislature. From a personal acquaintance with him we are satisfied that, if elected, he will make an efficient representative.—*Hythe ville Dispatch.* my 26—1t*

☞ FOR STATE SENATE.—We were pleased to see in yesterday's Dispatch that Lieut HENRY E GEE, of 61st Va Infantry, has consented to serve the people of Princess Anne and Norfolk counties, and the city of Portsmouth in the Senate of Virginia, if elected. He will receive our support. PORTSMOUTH WORKINGMEN.

my 26—1t*

☞ THE SOLDIERS AND REFUGEES are informed that HENRY F WOODHOUSE, Esq, will be supported as a candidate for the House of Delegates from the county of Princess Anne at the election to be held on the 28th inst. my 26—2.*

☞ WE are authorized to announce Capt F V WINSTON as a candidate to represent the county of Louisa in the next House of Delegates of Virginia. my 26—2t*

[Communicated.]

☞ ON THURSDAY NEXT the voters of the 3d Congressional District, as well as our brave soldiers in the army, are called upon to express their preference for a suitable one to represent them in the next Congress of the Confederate States. Let it be remembered that the chivalrous patriot, Col JAMES LYONS, is a candidate for re election. No one has served his constituents more faithfully and efficiently than he has. His services last session are appreciated by all well informed citizens, for his arduous labors and untiring efforts manifested for the defence and safety of Richmond. He was the first man who proposed and advocated successfully the obstructing of the river, the happy results of which are known to all. It entitles him to our lasting gratitude. He should be re-elected without opposition. LEGION.

my 25—1t*

☞ HENRICO COUNTY.—At the solicitation of many voters I respectfully announce myself a candidate for re election to the House of Delegates of Virginia. R A MAYO.

my 25—1t*

☞ TO THE VOTERS OF HALIFAX COUNTY.—Col ELISHA BARKSDALE, Jr, is a candidate to represent the county of Halifax in the next House of Delegates. my 25—2.*

☞ TO VOTERS OF THE SENATORIAL DISTRICT COMPOSED OF THE COUNTIES OF HANOVER AND HENRICO.—Fellow-Citizens: Since my announcement as a candidate for a seat in the State Senate I have been frequently interrogated as to my position in relation to the Fence Law enacted at the last session of the Legislature, at the instance of my competitor. In response, I say that in common with many of my neighbors, I had my fences burnt by the army, and would, had I been in the Legislature, have favored the enactment of a law submitting to the voters of those magisterial districts where the fences were destroyed, the question of "fence or no fence?" And that upon a majority of the district being in favor of the "No Fence Law," to become at once the law of such district for a limited period of about from six to twelve months.

I deem the legislation extending the no fence law over the entire counties of Henrico and Hanover as exceedingly indiscreet, injurious, and oppressive; depriving the people of the benefit of vast domains of unenclosed lands they have so long enjoyed as a common privilege. There was, in my opinion, no necessity in affording relief to the sections where the fences were destroyed to inflict an injury upon other sections where the fences remain uninjured. I am, therefore, against the law as it passed, and in favor of its speedy repeal.

my 23—4t* JOHN N DAVIS.

☞ TO THE VOTERS OF JAMES CITY, CHARLES CITY, AND NEW KENT COUNTIES.—At the request of many friends, I have announced myself a candidate for a seat in the HOUSE OF DELEGATES. I did so believing James City to be entitled to the delegate, in conformity with the long standing agreement between the counties—she having offered no opposition for the last six years.

Fellow soldiers, to you I make my appeal, believing you, who are now in the field in defence of State rights, will also allow a show to the old county.

Should it be your pleasure to elect me, your interests shall be fully represented.

Respectfully,
W SAVAGE SLATER,
James City Artillery.

☞ WE are authorized to announce that Capt JOHNSON H SANDS is not a candidate for election to the House of Delegates from Henrico county. ap 14—4de*

STATE ELECTIONS.

☞ BENJAMIN F. BEALL, of Jefferson county, is a candidate for COMMISSIONER OF THE BOARD OF PUBLIC WORKS in the Third District. In this election the qualified voters of the following counties are entitled to vote, viz: Prince William, Alexandria, Fairfax, Fauquier, Loudoun, Jefferson, Clarke, Warren, Page, Shenandoah, Hardy, Frederick, Hampshire, Berkeley, Morgan, Pendleton, Randolph, Barbour, Upshur, Tucker, Rowan, Harrison, Preston, Monongalia, Marion, Taylor, Braxton, Lewis, Doddridge, Tyler, Wetzel, Marshall, Ohio, Brooke, Hancock, Ritchie, Gilmer, Wood, Wirt, Mason, Jackson and Pleasants. my 18—edtde

CAMP NEAR FREDERICKSBURG, VA, April 13, 1863.

☞ TO THE VOTERS OF THE CITY OF PORTSMOUTH AND NORFOLK COUNTY:—I hereby announce myself a candidate for re-election to the HOUSE OF DELEGATES.

Driven from your homes by the public enemy, you are so scattered in different portions of the State, and divided among so many regiments, that it would be impossible for me to see you all personally, even though my military duties allowed of the time, which at this season do not. I will then only say, that I have served you to the best of my ability, and my re-election would be to me a gratifying endorsation of my course.

Yours, &c,
ap 23—tde* C W MURDAUGH.

HEADQ'RS 4TH VA CAVALRY, May 15th, 1863.

☞ TO THE VOTERS OF THE THIRD CONGRESSIONAL DISTRICT.—In compliance with the request of friends from many parts of the 3d Congressional District, I announce myself a candidate for a seat in the next Congress of the Confederate States. Two years ago I resigned certain political positions that I held because I believed it to be my duty to be in the field, and since then, unless disabled by wounds, I have been constantly actively engaged. Now, I believe that energy and practical sense can be as potent for good in the councils of the nation as in the field. The people of the district know that if they elect me all of energy and practical sense and of capacity that I possess will be devoted to the advancement of the best interests of the youthful Confederacy. In this matter my duties in the field will require me to leave my interest in the hands of my friends.

Respectfully,
WM'S C WICKHAM,
my 18—tde Colonel 4th Virginia Cavalry.

CAMP 61ST VA INFANTRY, May 13 h, 1863.

☞ TO THE VOTERS OF PORTSMOUTH, NORFOLK and PRINCESS ANNE COUNTIES:—I have been prevented by constant engagement in the recent glorious battles around Fredericksburg, from earlier signifying my candidacy for the State Senate. In response to former solicitation from citizens and soldiers, expressed by letter as well as verbally, I now announce myself, and if chosen for the position I shall serve you faithfully. HENRY E GEE,
my 15—4t* 1st Lt comd'g co H.

☞ A CARD.—Understanding that there is a rumor in circulation in the counties of Hanover and Henrico to the effect that I am electioneering in opposition to one of the candidates for Congress in this district, I deem it proper to say that the statement has no foundation in truth. I have not electioneered for or against any candidate in the field, nor even for myself.

Respectfully, JOHN R GARNETT.
my 23—4t*

☞ TO THE VOTERS OF THE SENATORIAL DISTRICT COMPOSED OF THE COUNTIES OF HANOVER AND HENRICO.—Gratefully appreciating the kindness and confidence which you have extended to me in the past, I hereby announce myself a candidate for your suffrages at the ensuing election in May next. If it shall be your pleasure to elect me, I pledge myself to represent you with fidelity and to the utmost of my ability,

Very respectfully,
my 18—tde* JOHN R GARNETT.

☞ TO ALL FRIENDS OF LIBERTY.—Election day is at hand, at least in Virginia.—Remember the words of the Virginia Bill of Rights that the military shall always be subservient to the civil power—and vote against every Congressman who ever voted to suspend the right of *habeas corpus* under any circumstances.
